

ST. JAMES' EPISCOPAL SCHOOL

ENGAGING HEART, MIND, AND SPIRIT

Dolphin Newsletter

August 28, 2020

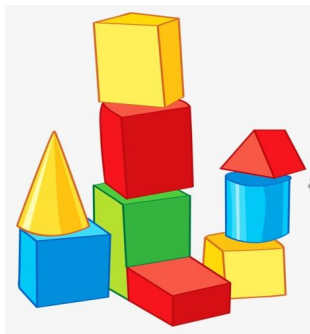

Dear Dolphin Families,

This week the children did a great job becoming familiar with their teachers in person, exploring the classroom, meeting new friends on-site and remotely. They enjoyed singing songs, playing games, and listening to stories. We focused on the letter B and went on a bear hunt! We also sorted bears by colors and counted them. The children had a lot of fun exploring the outside playground and discovering new experiences.

Our friends who were on remote learning, laughed and smiled when they saw their friends and teachers. It was great seeing their happy faces and having another meaningful interaction via zoom. On Wednesday, we participated in yoga with Ms. Bianca! On Thursday, we had music time with Mr. Casey and on Friday, we had theater arts with Ms. Clare. Have a great weekend!

Love,
Your Dolphin Teachers
