

ST. JAMES' EPISCOPAL SCHOOL

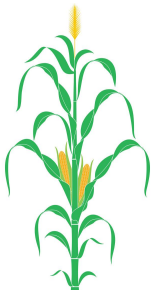

ENGAGING HEART, MIND, AND SPIRIT

Dolphin Newsletter

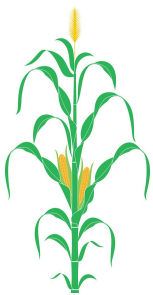

September 25, 2020

Dear Dolphin Families,

This week we celebrated Hispanic Heritage month! Beginning on Monday, we created Peruvian artwork called Nazca Lines. On Tuesday, we traveled to Mexico and looked at a popular dish called esquites, which is made out of corn. On Wednesday, we visited different latin countries and made observations on the jewelry that the people wear there. On Thursday, we made colorful flowers out of coffee filters. Finally on Friday, we continued celebrating with dancing and singing songs in Spanish and making rice art. Have a great three day weekend! See you all on Tuesday.

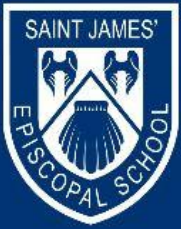

Love,
Your Dolphin Teachers
