APPLELIST

1 Inch = 21 Miles

A kitchen knife with a blue handle and a silver blade, set against a background of intense flames. The knife is positioned horizontally in the center of the frame, with the handle on the left and the blade pointing to the right. The background is a dramatic, high-contrast image of fire, with bright orange and yellow flames rising and falling, creating a sense of heat and danger. The knife is placed within a dark red rectangular frame, which contrasts sharply with the fiery background.
