October 28, 2020

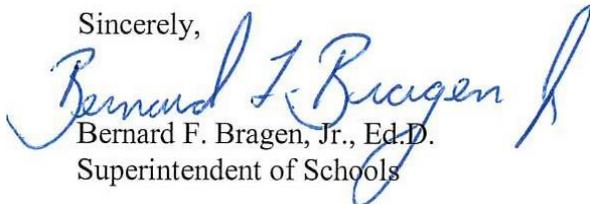

Dear Parent/Guardian,

As we approach the end of our second week of hybrid instruction and the beginning of our fall break, we want to review some pertinent information. Please complete the survey connected to the parent portal for each of your children's choices for either in-person or remote learning for the second marking period. It is imperative for planning purposes that we get this information as soon as possible. If you have any questions or concerns about this please contact your child's principal directly. Also, as the fall break begins next week and families may choose to travel during this week, please be cognizant of New Jersey's travel restrictions due to Covid-19 that can be found via this [link](#). It is important that as positive COVID-19 cases are surging in the state, we all remain vigilant about ensuring the safety of our school community.

While this year began in a very different fashion, we are off to a great start to the school year, and the first marking period concludes on November 13, 2020. Even during a pandemic, time seems to fly by! We value our parent community as partners in the educational process and look forward to continuing to work together to best serve the educational needs of the children of Edison Township. Please continue to participate in the education of your children.

In addition, as we continue to deal with the effects of the COVID-19 virus on our community, please check our website regularly for updates and changes that may occur as a result. We still remain hopeful that as a community we will emerge from this pandemic stronger than ever. Be safe, and stay well. And as always, continue to Shine Bright Edison!

Sincerely,

Bernard F. Bragen, Jr., Ed.D.
Superintendent of Schools

Nothing Less Than Excellence
