

Exam Schedule Fall 2020

Instructors may choose one of the following options for your exam:

- For Standard Classes, a portion of the final exam may be administered during class time the week of Nov. 2-6, with the remainder administered online during exam week, Nov. 9-13.
- Math and Science lecture exams will be held during normal class time the week of Nov. 2-6 and Nov. 9-13.
- Online exams will be given during the window designated below.
- CTE, Health Sciences, and lab classes may use the last class session to administer their final exam, or set a time to administer an online exam.
