

HOPE worldwide India yearly report (Tigri School 2019-20)

### AES HOME VISIT 6 April 2019

On the 6th of April, AES students and their teachers came to the school. They visited our students' homes and read a book for their families. They even gifted that book to the student. AES students were amazed to see those students' family conditions, as they had to stay in one room and share a bathroom with 2 to 3 people per house.

### GANDHI MUSEUM VISIT WITH AES 4 May 2019

On the 4th of May, our school students got an opportunity to visit the Gandhi museum. They had a great time with AES staff and students. Our students were able to know more about GANDHI JI's life and how he had fought for the freedom of our country. Students were very happy to see all the pictures, paintings, and old stuff that Gandhi Ji used when he was alive. At the end, they were each given a jam sandwich, fruit, biscuits, and chips for lunch.

### AES SUMMER CAMP 3 June 2019 to 14 June 2019

AES organized a summer camp for the students from the 3<sup>rd</sup> June to 14<sup>th</sup> June. Two of our students attended the summer camp where they learned about Literature and how to speak and write in an academic way. Our students truly enjoyed the camp, while learning reading and writing patterns. On the last day, they had a certificate ceremony.

### LODHI GARDEN VISIT WITH AES 14 September 2019

This year yet again, AES invited students of G4S Shiksha to an outing in Lodhi Garden. AES does everything with purpose and the purpose is to teach students new things and give them as much of the best as possible. The AES HOPE CLUB along with their teachers sacrificed their Saturday to bring joy to the students' faces. The 100 G4S students were divided into 13 groups and each group had at least one AES teacher with about 5 to 7 AES students. Each group had a predefined activity to do with the

students. From time to time, the overseers from AES would call upon the Groups to request the G4S students to move on to the next activity or AES Group. The Lodhi Garden seems to have been filled with lots of noise, shouts, hooting, gasping, energy and in one word lots of FUN! After they finished the activity, the student got snacks.

### **AES CARNIVAL VISIT** 19 October 2019

On the 19<sup>TH</sup> of October, our school students went to the AES School for a carnival day. 20 students and 5 teachers were invited for the carnival. AES school students spent some time with our students and took them around the carnival. Our students had lots of fun during carnival, as they got to play lots of games and won some prizes. They were also very excited to see many people dressed up as princesses, witches, and many more characters from the movies. At the end, our students were given snacks and they enjoyed it al

### **AES CHRISTMAS CELEBRATION** 7 DECEMBER 2019

The American Embassy School's staff and students, along with Mr. and Mrs. Santa Frazier, visited G4S School to celebrate Christmas with our students. There were twelve groups who performed different activities, like playing different games, solving a puzzle, dancing with the students, singing different songs, etc.. Mr. and Mrs. Santa distributed gifts to the students, including a plastic pouch with pencil, sharpener, and candies to each child in our school. Children enjoyed this a lot and sang Christmas carols. Despite it being a bit early for Christmas, it was a great time spreading happiness, joy, and love.

After all that, the students were served daliya.

### **AES ZOO VISIT** 25 January 2020

AES students and staff visited the zoo with our students and staff members. Our students were very excited to see different animals, birds, and reptiles available in the zoo and to learn about their habitats, where they are found, and what kind of food they eat. There were 10 groups along with one teacher from our school. Students had fun and were keen to come again. We provided snacks and one fruit juice with the ending of the trip.

## **AES DANCE PROGRAMME** 4 FEBRUARY 2020

Students of our school prepared different types of dance forms for the students of AES to have some fun with them. They learned patriotic dances and AES students enjoyed every bit of it. AES provided snacks to all the students and every student enjoyed this time lot.
