October 28th, 2020
Today is a "Gold A" Day

The Positive Connections Club presents candy corn & costumes! PCC wants YOU to dress up in your Halloween Costume or favorite Victor gear. Vote for your favorite staff costume and guess the number of candy corn for a prize. The gold cohort will dress up tomorrow. Please remember to follow all guidelines for appropriate costume. Look for a Google form in your email to vote.

Most masks won't be sufficient to meet the Department of Health guidance, so be sure you wear a face covering that provides adequate protection. See if you can incorporate your face covering into a costume. Don't wear a Halloween

mask instead of a face covering. Don't wear a Halloween costume mask OVER a cloth face mask; it can make it difficult to breathe. Instead, skip the costume mask this year and choose a cloth face mask that compliments your costume or is Halloween-themed.

As always, leave props at home. Especially do not bring simulated weapons or other items that could cause injury at school (crutches, canes, wizard staff, etc.)

7th Graders: The intermediate school informed us that artwork was left last year. They brought it up to the JH. It is set on tables outside the auditorium and you can grab your artwork as you leave the building.
