November 2020

A Message from Ms. Nagel, Principal

It was so good to see all of the students during our Halloween Car Parade. All of us here at Crestview want you to know that we miss the students smiling faces and eagerness to be in school learning. School is just not the same without students on campus.

As we head into November, we can enter with a grateful heart that we are all here at Vandenberg, alive and well, and able to teach and learn from one another. Starting next week, you will be able to pick up a Thanksgiving poster to write something that you are thankful for and post outside your residence or place of business. I am thankful for all of our teachers for their hard work and dedication to the students. I am thankful for all of our parents, who have been so supportive and understanding with helping in the teaching and learning of your students. I am thankful for our students who have tried so hard to focus during Zoom lessons, and be engaged in their learning.

Have a wonderful November month and Thanksgiving with your families!

Mrs. MacFarlane 3rd

My name is Ms. MacFarlane and I am excited to be teaching 3rd grade this year!

I was born and raised on the Central Coast and have been teaching in the district since 1999. Prior to teaching, I earned my Bachelor's degree at U.C. Davis and worked for a short while in the Forest Service. I earned my Multiple Subject Teaching Credential at CalPoly, San Luis Obispo and have a Master's degree in Education.

When I am not teaching, I love spending time with my daughter who is a Junior at Cabrillo High School. I enjoy running, hiking, reading, eating and traveling. It's an honor to be part of Crestview Elementary School!

Mrs. Maxie 3rd

Hello! My name is Amy Maxie, I am a 3rd grade teacher at Crestview. I have been a teacher for 24 years, this is my 13th year at Crestview, and my 7th year teaching 3rd grade. I have taught grades 2-6. I really enjoy teaching, and I love to work with and have fun with my students.

I live in San Luis Obispo with my husband, 2 daughters, Zoe and Olivia, and two dogs, Theo and Pearl. I am married to Mr. Maxie, our PE teacher here at Crestview. I like to read, run, hike, travel, and spend time with my family.

I am grateful to work at Crestview with such a wonderful staff and family community.
