

Dear Local Business,

Tipton- Rosemark Academy is holding our first **Virtual Holiday Silent Auction!** We know this year has looked different for everyone, so we would love to partner together in promoting shopping local while raising money for our school.

We will be holding a two-week virtual silent auction to kick off Christmas shopping. With a donation of an item or package valued at \$25 or more, we will also promote your business on social media in our event page. Your name will also be listed on our website as an event donor.

Would you consider donating towards our silent auction? You can fill out the bottom of this letter or virtually by going to <https://bit.ly/3m7jJMx>.

All funds raised will support our Annual Fund, which helps bridge the gap between tuition dollars and the operational costs of our school. Please reach out to aharris@rebelmail.net with any questions.

Your consideration of supporting our event is greatly appreciated!

Thank you,

Amanda Harris, MPA, CNP
Development Coordinator
