### Old Redmond Schoolhouse

Construction workers have been busy this summer with maintenance work on the roof and exterior walls of Old Redmond Schoolhouse. This work includes:

- Roof replacement. New insulation will also be added.
- Exterior bricks are receiving new mortar.
- All non-masonry exterior walls will receive new siding.
- Existing windows are being evaluated for repair or replacement.
- Interior improvements are continuing. Preschool students are expected to move into the building in fall 2020.

## 2019 Capital Projects Levy Construction Update

### Lake Washington High School

Construction has started on the Lake Washington High School addition. Funded by the April 2019 capital projects levy, an additional 20 classrooms are under construction near the Performing Arts Center. A new parking lot is also available for students in the northwest corner of campus.

Earthwork has started at the site. A precast vault was assembled to filter stormwater from the site. The additional classrooms will open for students in fall 2020. An auxiliary gymnasium and commons are planned to open in fall 2021.

## Elementary school additions

The Lake Washington School District has started planning and designing additions at four elementary schools that will receive new permanent classrooms. The levy is also funding safety and security upgrades across the district.

- [Franklin](#): 8 Classrooms
- [Rose Hill](#): 8 Classrooms
- [Twain](#): 4 Classrooms
- [Carson](#): 4 Classrooms
