We are excited to welcome your child to the classroom!

Here is some information about what you can expect during your child’s in-person experience.

**BEFORE COMING TO SCHOOL**

- Parents and guardians will complete the Student Health Screening Questionnaire and keep students home if the answer to any of the screening questions is “YES.”
- Parents and guardians will make sure their child has a comfortable mask that covers the nose and mouth.
- Parents and guardians of bus riders will make sure their child is wearing a mask before boarding the bus.
- While every child should bring a mask to school, we will provide masks for students who need them.

**WHEN YOU GET TO SCHOOL**

- Parents and guardians will drop-off their child at the school entrance; drivers should stay in the car.
- During the first week, teachers and staff will meet students at the door and walk them to classrooms.
- Students will be required to have their masks on before entering the building.
- Parents and guardians will not be able to enter the building; older siblings who attend the same school may walk their younger siblings to class.

**STUDENT MASK REQUIREMENTS**

- Masks must cover the nose and mouth.
- Masks must be worn any time or place where other people are present.
- Masks may be removed at mealtimes, outdoors, and during mask breaks.
- Masks should be two or more layers.

Parents will be notified for the first two incidents of students not following mask requirements; a third incident results in students returning to distance learning for the rest of the quarter.

**ACCEPTABLE MASKS**

- Homemade masks
- Surgical/procedural masks (tie or ear loop)
- N95 masks without vents

While every child should bring a mask to school, we will provide masks for students who need them.
