Course Description

After successfully completing this course, students will be able to:

1. Engage in oral and written exchanges of learned material to socialize and to provide and obtain information.
2. Demonstrate understanding of simple, clearly spoken, and written language such as simple stories, high-frequency commands, and brief instructions when dealing with familiar topics.
3. Present information using familiar words, phrases, and sentences to listeners and readers.
4. Demonstrate an understanding of the practices (what people do) and how they are related to the perspectives (how people perceive things) of the cultures studied.
5. Demonstrate an understanding of the products (what people create) and how they are related to the perspectives (how people perceive things) of the cultures studied.
6. Use resources (that may include technology) in the language and cultures being studied to gain access to information.
7. Use the language to obtain, reinforce, or expand knowledge of other subject areas.
8. Demonstrate an understanding of the nature of language through comparisons of the student's own language and the language studied.
