Community Information

Founded in 1958, Shawnee Mission East is one of five high schools in the Shawnee Mission School District located in the suburban Kansas City area. Parts of eight cities — Fairway, Leawood, Mission Hills, Mission Woods, Prairie Village, Overland Park, Westwood and Westwood Hills—are included in the East attendance area. East is in a residential area of largely middle to upper-middle-class families with a population base exceeding 50,000.

Accreditation

Shawnee Mission East is a comprehensive four-year public high school with a strong emphasis on college preparation. Typically, more than 90 percent of its graduates seek higher education; however, the school's curriculum is designed to meet the academic needs of the entire student body. The curriculum includes career and vocational programs and easy access to the Area Vocational Technical School. An extensive special education program is available to students with exceptional academic needs. East delivers these services under the accreditation of the Kansas State Department of Education.

Staff

Shawnee Mission East has 119 certified staff members, 90 of whom have a master's degree; 4 have earned doctorates. The East staff shows remarkable stability, averaging 18 years of teaching experience. The current ratio of certified staff to students is 1 to 20.
