

# "Moving to Mars"

Join PAGE and the UWM Planetarium for a virtual presentation exploring what we've already learned about the habitability of the red planet and the challenges we will need to overcome to put a human on Mars.

**Tuesday, November 10**

**6:30 - 7:00pm**

**Monday, November 16**

**6:30 - 7:00pm**

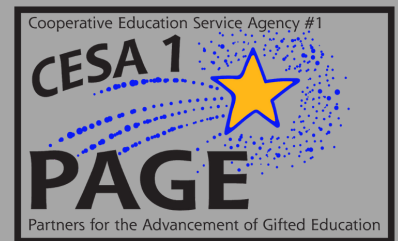

**No fee to attend! Recommended for ages 10+**

Find Out More & Register: <https://tinyurl.com/PAGE-UWM-Planetarium>

**Sponsored by CESA #1 PAGE (Partners for the Advancement of Gifted Education)**
