Second Quarter

Second Quarter is notorious for flying by so make sure to stay on task with your classwork! Academic Warnings will be due November 6 from teachers and will be mailed home the following week. The semester ends when Winter Break starts on 12/18 and those grades will forever be recorded on your transcripts!

THANKSGIVING BREAK

Remember the Thanksgiving Break is from 11/23-11/27! Please take the week off to rest, recover and spend time with family. There will be no virtual classes during this break.

BAND STUDENTS

Parents of LLA band students: Starting Monday, November 2nd, band instruments are available for pick up. Please fill out the contract online prior to picking up a band instrument. The band room will be open from 1:00-3:00 every school day on the east side, where the bus lanes are. Instrument instruction begins November 9th.

Assistant Principal Wilkins –x46161

Spartan students and staff share what they are thankful for.

Ms. Jenny

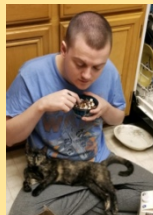

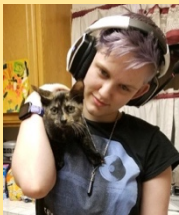

(Attendance) – **I am**
thankful for my
family, friends, and
pets. They bring
meaning, love, and
humor into life.

Daniel Davenport

(7th Grader) - *I am thankful that I get to be with my family during these times. I am also thankful that I get to go places, and I don't have to be locked in my house.*

Dr. Wilkins (Assistant Principal) –

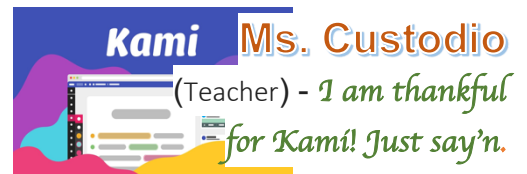

Ms. Oshale (Security Guard) – **1**
*am grateful to be here today and to
have the luxuries I have.*

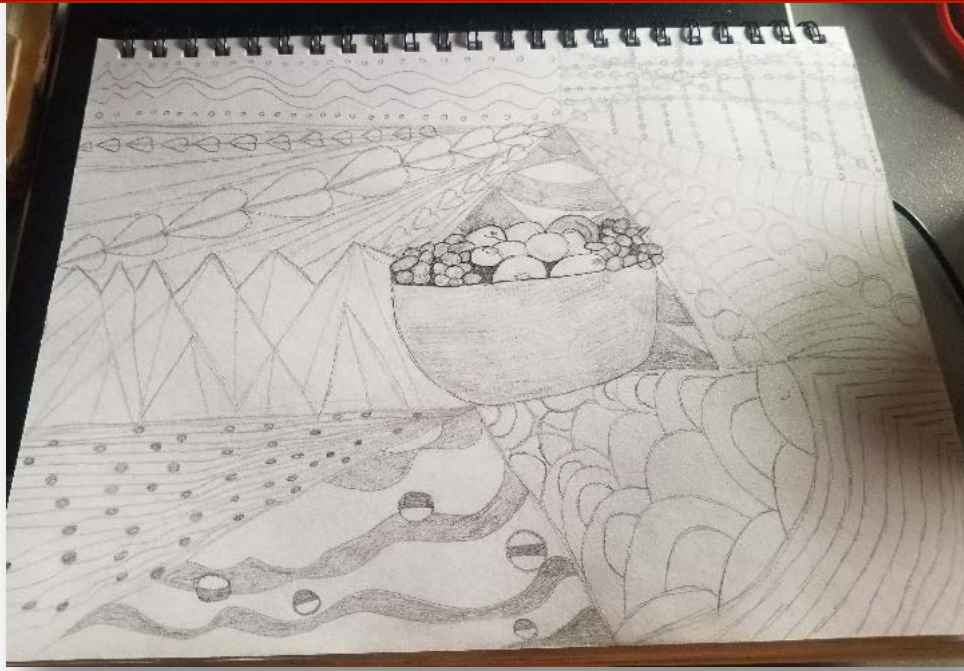

Ms. Cupples English Class Collaborative Word Cloud

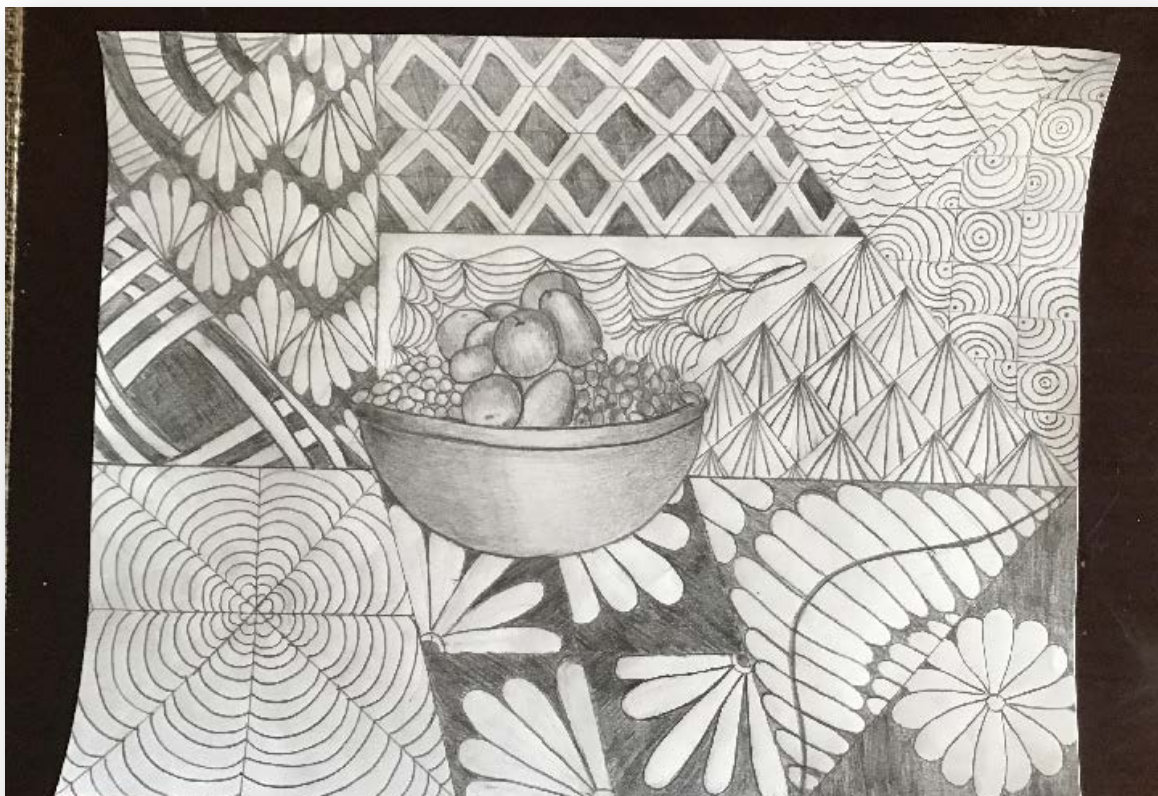

Ms. Phillips (Teacher) - *I am thankful there are students who do*

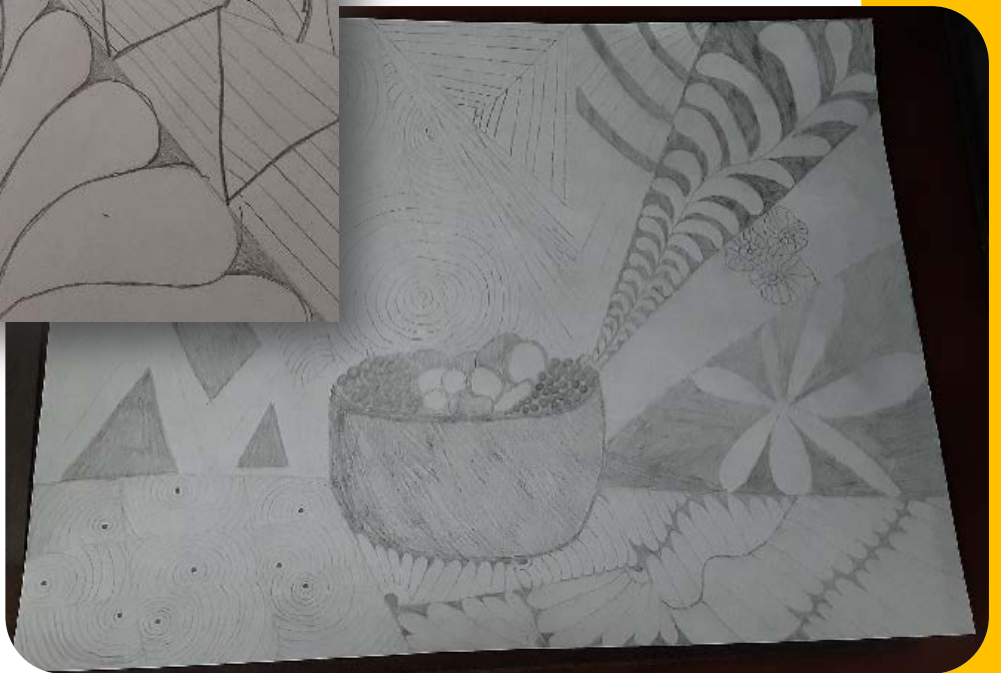

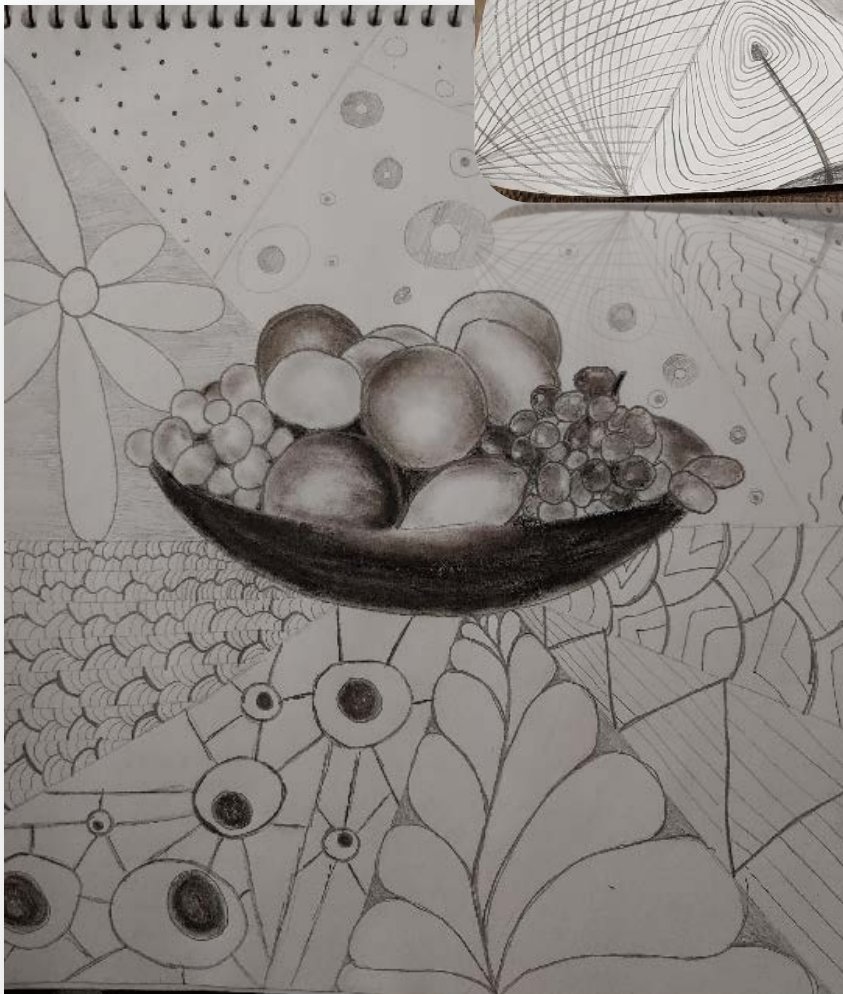

come and try to complete assignments during these weird times. I am thankful for a great staff that is super supportive. I am thankful for the chance to be at home with my kids and work at the same time. God is good.

Spartan SkillsUSA Robotics

Lakeview Leadership Academy's SkillsUSA Officer team completed one of their yearly events focusing on Technical Skills. They planned to give back to the community by reaching out to teach a programming lesson on virtual robots to Mojave Vista's sixth graders. Lakeview's Officer Team was able to teach 3 classes of 6th grade students how to program virtual robots to complete basketball drills. The lesson was fantastic and sparked the interest in the younger students' minds. We look forward to possibly continuing our collaboration with these students throughout the year.

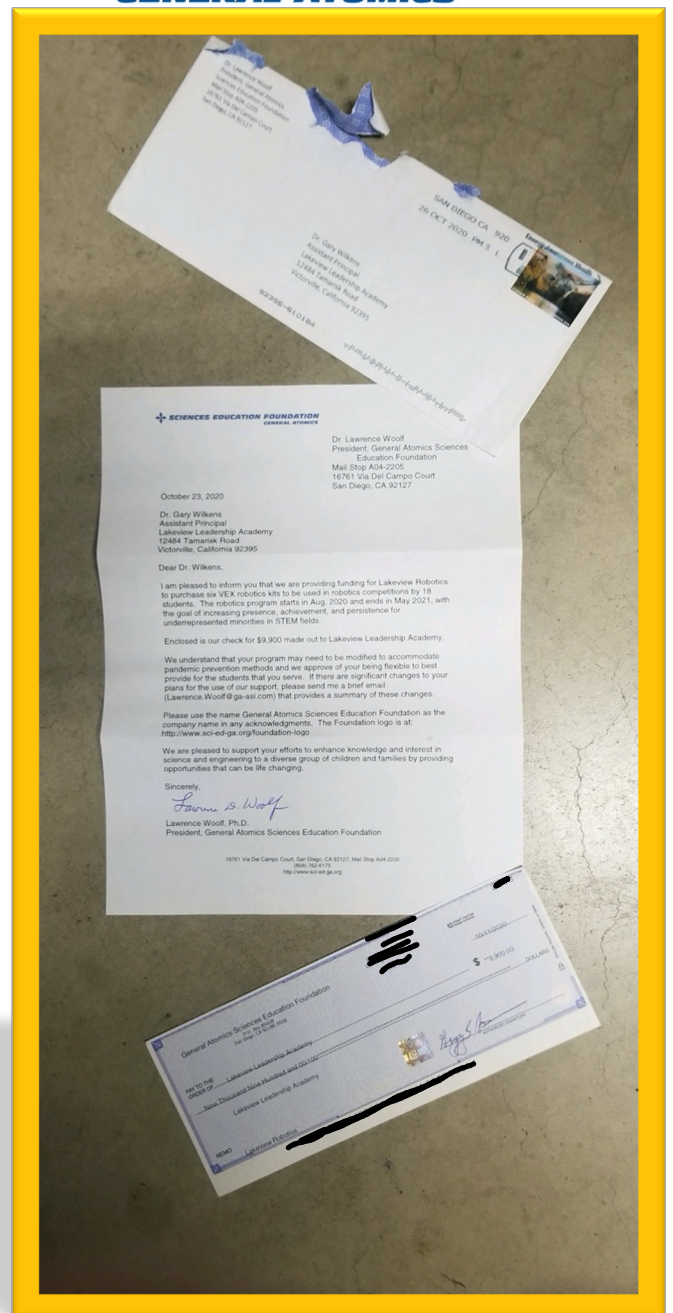

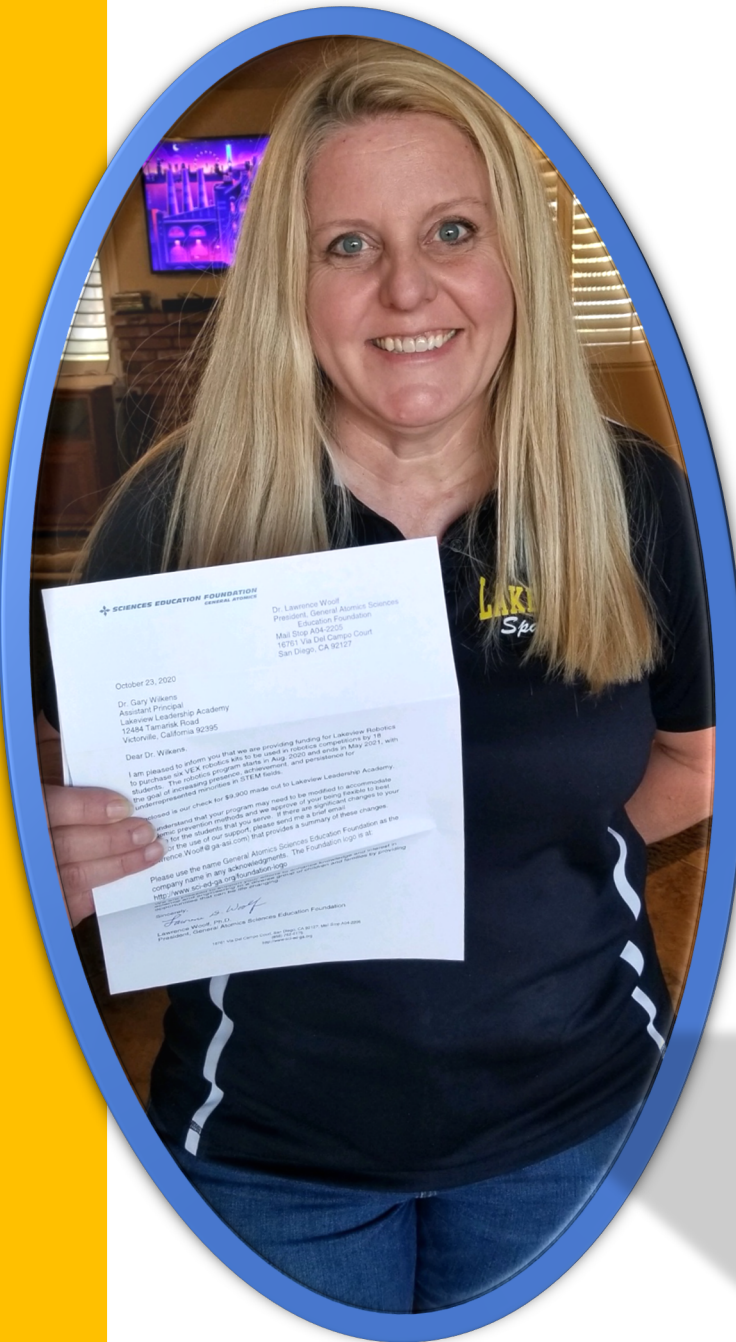

Here is a sample of one students code:

The screenshot displays the VEXcode Project IDE interface. On the left, a 'Code' block contains a sequence of commands for a robot's drivetrain, including forward and reverse drives of various distances (200, 400, 600, 1800 mm) and turns of 90 degrees. Below these, there are velocity and heading/rotation settings, and a 'Magnet' block. On the right, a 'Grid Map' window shows a virtual field with a robot icon at the center. The field's dimensions are 1285 mm by 1285 mm. The robot's current position is X: -900 mm, Y: -340 mm, with a heading of 0 degrees. The 'Grid Map' window also displays a table of sensor data.

Heading	Rotation	Front Eye	Down Eye	Location	Location Angle	Bumper	Distance
0°	0°	Object: False Color: None	Object: False Color: None	X: -900 mm Y: -340 mm	0°	Left: False Right: False	1285 mm

Lakeview Robotics

Lakeview Leadership Academy's Robotics program, led by Sherri Osterberg, earned a \$9,900 grant from General Atomics Sciences Education Foundation!! We look forward to all the fun and exciting things our Robotics students will learn and achieve.

Human Trafficking

A San Bernardino County Sheriff's Dept. Presentation

Very few people know that more and more of our children are being lured off school campuses to live a life of sexual slavery in remote parts of the world. Yet such is the case: every day, teenagers are seduced into prostitution and indentured servitude, even in the most affluent sections of our country. What can school employees people do to help stem the rising tide of child abductions and inducements occurring on their campuses, many times without any adult knowing about it? This eye-opening and sometimes shocking presentation will provide answers to some of these questions.

Tráfico Humano

UNA PRESENTACIÓN EN LÍNEA DEL DEPARTAMENTO DEL SHERIFF DEL CONDADO DE SAN BERNARDINO

Muy pocas personas saben que cada vez son más nuestros niños engañados fuera de los planteles escolares para vivir una vida de esclavitud sexual en partes remotas de el mundo. Sin embargo, ese es el caso: todos los días, los adolescentes son seducidos a prostitución y servidumbre por contrato, incluso en los sectores más afluente de nuestro país. ¿Qué puede hacer la gente como los empleados de las escuelas para ayudar a detener los secuestros e incentivos de niños que ocurren en sus planteles escolares, muchas veces sin que ningún adulto lo sepa? Esta reveladora y a veces impactante presentación proporcionará respuestas a algunas de estas preguntas.

2022

Washington, D.C. and New York City

Dear Parents & Guardians,

I am thrilled to share this Summer 2022 travel opportunity for your student. Learn more about this exciting tour at an informational webinar where we'll discuss:

- What we'll see and do
- Travel logistics
- Safety and flexibility
- How to earn high school credit
- Affordable payment options and more

I look forward to seeing you there!

Allison Davis, adavis@vvuhdsd.org

P.S. I will be hosting two separate information sessions to accommodate parent schedules. Can't make it to either meeting but want more information? RSVP using the link below and select "No but send more info" to stay in the loop.

I will be hosting two information sessions. Please RSVP below:

**Friday, November 6th
at 6 PM**

RSVP Online:
<https://bit.ly/3dQTtDk>

**Friday, November 20th
at 6 PM**

RSVP Online:
