Attendance Update

Automated robocalls will be going out at 6PM each day to let parents/guardians know of any unexcused absences. Absences may include missing live Zoom meetings or not participating in assigned check-ins or activities (please check with your student's teacher on daily expectations).

If your child will be late or absent from class, please email your child's teacher and include svoffice@nsd.org or call the attendance line at 425-408-5210. The office compiles attendance each day and must be made aware to ensure your child's absence is excused.
