

ALL SAINTS' COLLEGE

INNOVATION AND ENTREPRENEURSHIP SCHOLARSHIP 2022

Applications open: Monday, 2 November 2020

Applications close: Friday, 26 February 2021 – 5.00pm

As part of our commitment to fostering future-enabled, creative-thinking entrepreneurs who see problems as opportunities and who model a 'start-up' mindset, All Saints' College strives to be a leader in student-centric learning and in enterprise and innovation.

In keeping with this, the College has, a number, of initiatives designed to support an entrepreneurial mindset, and these include:

- ***The HotHouse Company***; a unique and experimental arts program that offers opportunities in an 'incubation environment' that extends beyond the confines of the curriculum;
- ***Propeller Industries***, our hub for innovation and entrepreneurship with a social conscience;
- ***Runway***, our pop-up shop dedicated to promoting the goods and services of our enterprising young people, and;
- ***Innovat[ED]***, a course which - facilitated by a multi-disciplinary team of teachers - involves students in problem-finding, collaboration and design thinking in order to co-design the curriculum so that the focus is on students' passions, interests and concerns.

The Innovation and Entrepreneurship Scholarship – for new students not currently enrolled at the College who are looking to enter Years 5 to 11 in 2022 - is a unique opportunity for a young person:

- with a demonstrated flair for, and experience in, innovation, invention, 'start-up' thinking and entrepreneurship to join our community;
- to be mentored, each year of their secondary schooling, by some of this nation's leading entrepreneurs and internationally acclaimed academics;
- to receive 50% remission on tuition fees (Please note that additional costs such as camps, uniforms, textbooks, ICT charge, OLP charge, Year Level charges and other incidental costs may apply on an annual basis and these costs do not form part of the scholarship award.)

LODGMET OF APPLICATION

Applications may be submitted online, by mail or in person to All Saints' College, although we encourage online applications wherever possible.

Applicants are asked to supply the following:

- Completion of the Application Form including the questions relating to Innovation and Entrepreneurship
- Two written references that speak to the student's passion for, and skills in, innovation and entrepreneurship
- Copy of the student's two most recent academic reports
- Copy of the student's most recent NAPLAN results
- Copy of the student's birth certificate

Applications will be confirmed in writing by the Registrar within 10 working days of receipt.

SCHOLARSHIP INTERVIEW

Shortlisted candidates will be invited to an interview with the Principal and representatives from our innovation partnerships.

NOTIFICATION OF SCHOLARSHIP OFFERS

All applicants will be notified by post regarding the outcome of the scholarship interview.

Successful applicants will have five working days in which to accept or decline a scholarship offer. This is confirmed by the return of the signed scholarship acceptance letter.

Innovation and Entrepreneurship Scholarships are granted with the expectation that the student will maintain a committed approach to their educational pursuits and endeavours. Should this not be the case, the College reserves the right to withdraw the scholarship.

Please do not hesitate to contact Janice Hewett, the College Registrar, (08) 9313 9342 should you require further information regarding this scholarship.
