2019 UPDATES

Beginning with the 2017-2018 school year, JIS calculates credits and GPAs based on the final course grade result. For year-long courses, the mid-year grade is purely informational and is not factored into GPA calculations.

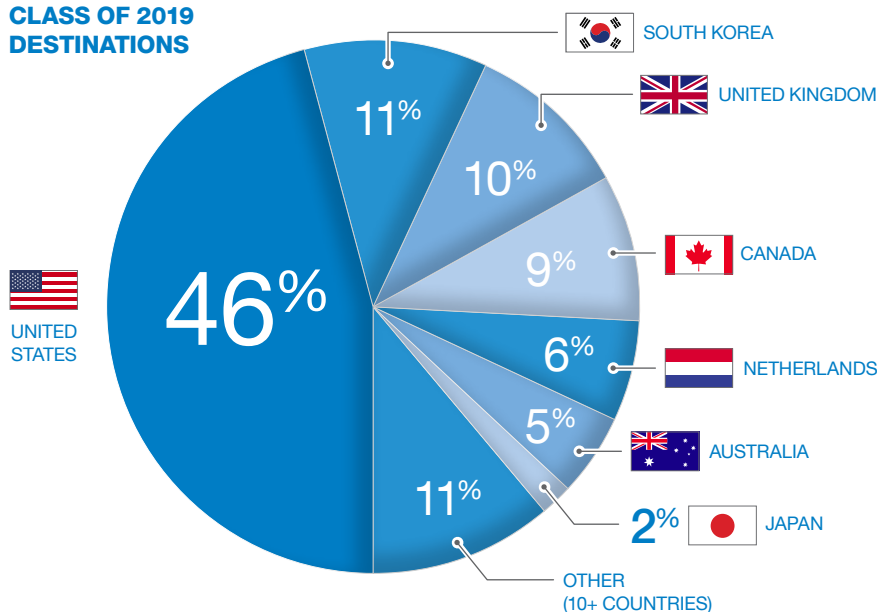

JIS students have faced challenges accessing the SAT, SAT Subject, and ACT tests over the past year. We ask that universities take this into account when evaluating students' applications.

JIS reports behavioral suspensions from school, where the university application allows or asks for this information.
