## VIRTUAL SCHOOL FAIR NOVEMBER 10-12, 2020

The Association of Independent Maryland and DC Schools (AIMS) is thrilled to invite you to the first **Virtual School Fair** to learn more about educational opportunities available to your family! School representatives from 55+ schools will be available to provide you with an overview of what their school can offer your child and answer any questions. Participating schools offer admission to students in grades Pre-K through High School! The Virtual School Fair will give families a chance to “visit” schools based on the geographic region of the school location. Please see the [AIMS event and registration page](#) for more details and the list of participating schools!
