Dear Dana families,

I hope everyone is enjoying their weekend and their extra hour of sleep (assuming we all remembered to set our clocks back). It was wonderful to virtually see some of our Dana families at the PRIDE assembly on Friday. Although we can't physically be together to celebrate, it is crucial to take time to recognize the great work of our students. I look forward to next month's assembly when we recognize students for respect. Please see the reminders and important information below and I wish everyone a wonderful week.

Best,
Kiana Clark
