

## ***Posts from the Admission Office - 2nd Edition***

October has been a busy and fun month here at Concord Hill School. As of October 15 we now have all of our grades on campus. We also have some students who are electing to stay at home, but are connecting with us virtually and others are opting to come on campus for just the outdoor activities and classes.

At Concord Hill, helping and engaging with our community is an important part of our social curriculum, as we teach our children the importance of thinking of others and giving back. For many years, our community of students, parents, and teachers has gathered on the first Wednesday of the month to pack meals for our neighbors. This year, we are again partnering with Bethesda Cares, an impressive community outreach program for the Homeless. Its mission is to respond with compassion to help the homeless in our area as well as to strive to prevent homelessness locally and within the greater Montgomery County area. Since we cannot prepare the bag meals on campus this year, each family sent in an assigned food item and on the day of delivery all of the food items were sorted and put into individual bags. Our first bag meal delivery day to Bethesda Cares was Monday, Oct. 26 and all went well. We were able to deliver approximately 120 bag meals to help our neighbors in need. This program will continue each month for the entire school year.

We also recently had our first set of Parent/Teacher Conferences at all grade levels. These conferences are always valuable opportunities for parents and teachers to connect and have a detailed conversation about the student and their progress as they embrace learning here at Concord Hill.

The admission process is in full swing and we have already had the pleasure of meeting many prospective families via Zoom. Please contact Susan Arzt at [sarzt@concordhill.org](mailto:sarzt@concordhill.org) if you are considering Concord Hill as a school option for the 2021-2022 school year. We would love to take the admission journey with you and look forward to meeting your family.

We will host two virtual **Admission Open House** events this year and hope that you can join us. Our Head of School Nate Dennison and I will be joined by teachers and current parents to engage in conversation to introduce to our wonderful school. We will also have time for a Q & A session. These events are scheduled as follows:

**Friday, Dec. 11 from 9:30AM-10:30AM**

**Saturday, Jan. 9 from 9:00AM-10:00AM**

Please RSVP to Susan Arzt at [sarzt@concordhill.org](mailto:sarzt@concordhill.org) to get the Zoom link.

That's all for now. Please don't hesitate to be in touch with any questions or thoughts or just to have a conversation about Concord Hill. I love talking about CHS!
