

Vocational Rehabilitation

The Utah State Office of Rehabilitation provides Transition Services to eligible students with disabilities as they transition from school to adult life. Our goal is to provide students with a smooth transition, holistic team approach, and services that are necessary and reasonable to help prepare for, obtain, and maintain employment.

These Services may include:

- VR Counseling and Guidance
- Medical/Psychological Restoration
- IEP and 504 Planning
- Job Development and Placement
- Supported Employment
- Work Adjustment Training
- Life Skills Training
- Employer Supports
- Accommodations
- Assistive Technology
- Training and Education

Hello,

My name is **Mark Gardner**, and I am assigned to partner with Syracuse High School to provide Vocational Rehabilitation services to SHS students.

- To schedule an appointment to meet with me, please call my office at (385) 489-6015 to speak with one of the secretaries. When you call, let the secretary know you are a SHS student and would like to meet with me at SHS. Parents are welcomed to come with you to your appointment.
- On most weeks, I may be found in the SHS library on Wednesdays between 8:00 am to 12:00 noon.
- **NOTE: Be sure to ask your SPED case manager to invite me to your annual IEP planning meetings.**
