Pre-Employment Transition Services

Pre-Employment Transition Services (Pre-ETS) is designed to provide students with disabilities an early start in making the transition from secondary to post-secondary education and toward integrated employment through learned self-advocacy and workplace readiness skills.

To be eligible:

- The student is 14-21 years of age.
- The student is currently enrolled in a secondary, post-secondary, or other recognized education program.
- The student has documentation of receiving services under an Individual Education Plan (IEP), 504 Plan, social security award confirmation/letter, letter/medical records/evaluation from a licensed medical professional, or Community Partner Referral form signed by teacher/school professional.
- The student is a resident of Weber, Morgan, or Davis County.

Please call to learn more about classes, dates, and locations throughout Davis, Weber and Morgan counties. 801-612-3215

What's In Your Future?
College? Employment? Let Us Help You Figure It Out!

Work-Based Learning

Activities designed to use real work environments to gain skills. Examples: summer work experiences, internships, job shadowing, and temporary work experience opportunities.

Counseling on Opportunities for Enrollment in Comprehensive Transition or Post-Secondary Educational Programs at Institutions of Higher Learning

Activities designed to expose students to options for enrollment and engagement in post-secondary educational training. Examples: taking a campus tour, helping a student research scholarship opportunities, financial aid, exploring the education needed to succeed in a career pathway, and helping a student research fields of study available at college campuses.

Workplace Readiness Training

Activities designed to promote the development of job readiness, social skills, and independent living skills needed to succeed in a career. Examples: providing financial literacy classes, social skills training, and job readiness instruction.

Instruction in Self-Advocacy

Activities designed to assist a student in effectively communicating his or her own needs and desires. Examples: participation in leadership activities, assisting a student with understanding how to request an accommodation, classes on decision making and problem solving.
