<b>Reconfirm how instruction will be delivered for each grade level:</b>
Pre-Kindergarten: In-person with safety protocols
Elementary (Grades Y5 - 6): Home-based (full Virtual) for students and parents who selected this option. Homeroom (Hybrid) for students and parents who selected this option.
Middle School (Grades 7 - 8): All students remain virtual until the rate of daily infections decline and the infection rate declines. Once this occurs, within 1 week, building begins to phase in the Homeroom (Hybrid) students and continues to offer full online for virtual (Homebased) students.

**Reconfirm whether or not the district is offering higher levels of in-person instruction for English language learners, special education students, or other special populations:**

DCS has continued to increase the in-person services for special education students (per IEPs), ELL students and other special populations.

**Document Public Comments:**

October 26, 2020:

- No comments in first public participation

Second Public Participation:

- Susan Kinsky - Parent in the district and an educator. Appreciates all the work we've done. Comment about SAT and testing. Move away from testing for now. Move toward place-based education and away from testing.
- Lisa Adams - Pleasantly surprised and happy that the Board appears in agreement that we have to get our kids back into the buildings. If there is any way the high school could utilize Wednesday as a class day to get more time in.
- Deb Wilberding - Agrees with opening the high school because not all kids are doing well with virtual learning. Her children are ready to go back to school. Disagrees with the mental health screener.
