
Parent Survey Data Summary

Orange Unified School District

2019-2020

Prepared by
Orange County Department of Education
Evaluation, Assessment & Data Center

February 2020

**Orange Unified School District (OUSD) Local Control Accountability Plan (LCAP)
Parent Survey Summary**

The following is a summary of the data collected from the survey of OUSD parents. This data summary is arranged to provide survey results by item.

Instrument:

Survey items were developed to capture respondents' perceptions of how well the district is achieving its LCAP goals for 2019-2020. This survey is structured so that respondents would retrospectively report on the degree to which they felt each item was met, accomplished, or achieved.

Methods:

The survey was administered as an online only survey with an approximate 3-month administration window; September 30, 2019 to December 20, 2019. Following standard Evaluation, Assessment & Data Center (EADC) survey protocol, a website was created showing how many responses were received in near-real time. The web address to this site was emailed to the district the day after the survey window opened to ensure a high response rate. At the end of the survey window, 5,043 survey responses were received (N=5,043).

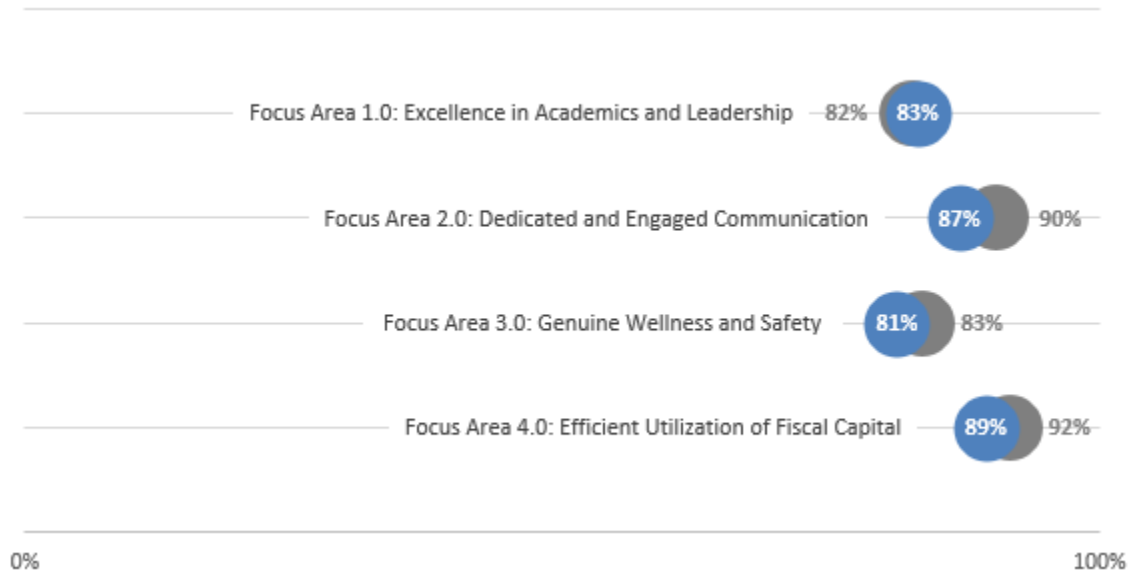

Analysis:

The data analysis strategy for quantitative data consists of basic descriptive statistics (frequencies and percentages); percentages were rounded to the nearest whole number. Unanswered items (i.e., blanks) and items answered with "N/A" were excluded from the analysis. Percentages from the 2018-2019 survey (where applicable) are provided for comparison purposes.

All comments received are included in the Appendix by school site, comments that are confidential in nature are listed separately. Comments are transcribed as they were received; only spelling and punctuation were corrected where possible.

OUSD LCAP 2019-20 Parent Survey Summary – February 2020

From **2018/19** to **2019/20**, parent perceptions of Focus Area 1 increased while percentages in the other three area decreased, however, overall perceptions remain high.

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
Anaheim Hills Elementary	<ul style="list-style-type: none"> • A stage to perform on. More than just 1 Parent-Teacher Conference per year, and especially not just in the 1st month of school. Not require online homework, unless the District is willing to check out computers to all kids in need. School/District funded field trips.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Access to tutor programs better infrastructure at school consistent monitoring of children with older peers to ensure no bullying or potentially abuse does not occur
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Allow access to homework online at least until 6pm, they Are barely getting time to eat and when.finished they Can't log in anymore.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • An area I see that could use improvement is on writing. There seems to be more emphasis on science and math, which is great. But writing and helping students formulate thoughts and ideas in writing is also important.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Assign reading comprehension and writing exercises to do at home.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Bring different professionals to meet the students and talk what they do and how to prepare school. Have a career day fair at the school.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Consider new or old Language Arts and Math programs that have proven successful in other districts across the U.S.Our programs have tons of busy work and don't always assess what students really know.State and district testing not always test standards,but higher level concepts, not at grade level.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Continue to remind kids that God is Good all the time. Continue to be in Christ like attitude and be kind to all. Thank you 😊🙏
Anaheim Hills Elementary	<ul style="list-style-type: none"> • For students struggling academically there have to be more options for assistance. As parents it is overwhelming to try and help our kids, especially if there are issues with learning.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Funding in elementary schools for music, arts, dance and PE! I was shocked to learn arts funding has to be provided entirely by funds raised by the PTA!
Anaheim Hills Elementary	<ul style="list-style-type: none"> • I appreciate that Spanish is now offered after school. Please continue this program.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • I can't think of anything more. I love AHES and all the teachers and staff. I could not have asked for a better school for my children.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • I feel my child came into the kinder program completely blindsided. I feel like school are expecting way too much from students at an early age. My son was so stressed out he began grinding his teeth at night and having meltdowns. He was having 2 tests a week and he's 5! Teachers have to rush :(
Anaheim Hills Elementary	<ul style="list-style-type: none"> • I feel some of the class rooms need update on tables, chairs, &visual overheads. They need to be updated to help the teachers improve their teaching ability & so they have the tools they need to be productive. I feel that an aid would be beneficial in each younger classroom when the kids are young.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • I feel that the classes are overcrowded. That is life in CA I guess, but at Anaheim Hills Elementary, they have the 1st grade and K classes all interconnected where the walls are all open. I feel that would be so distracting for the students and teachers. That school needs more space.

OUSD LCAP 2019-20 Parent Survey Summary – February 2020

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
Anaheim Hills Elementary	<ul style="list-style-type: none"> I found it very disturbing that the school did not have an assembly or provide the kids with a lesson on Veterans Day. It should be a priority to teach the students the importance of this day and give the people who serve our country the respect they deserve. Very disappointing!!
Anaheim Hills Elementary	<ul style="list-style-type: none"> I have a student with an IEP at Anaheim hills elementary school And I do not recommend any child with an IEP attend that school. Neither staff nor school climate(peers or community) support him or us.
Anaheim Hills Elementary	<ul style="list-style-type: none"> I think it would benefit the children and parents to have more information/guidance on how to help children who have behavioral problems or other struggles (ADD etc.). I know they can seek out medical help, but many dont know where to start. Advice on that would be good for all.
Anaheim Hills Elementary	<ul style="list-style-type: none"> I want more STEAM programs to be offered after school and available to ALL grades. I think we have some programs like this but I have very little information about when they are or how to enroll.
Anaheim Hills Elementary	<ul style="list-style-type: none"> I wish reducing class size was an option.
Anaheim Hills Elementary	<ul style="list-style-type: none"> I would like the campus to be updated with a playground that has no sand and more grass in the playing area.
Anaheim Hills Elementary	<ul style="list-style-type: none"> I'm only in my second year at the school so there is a lot I still need to learn but overall I love this school and so does my son so that's all that matters.
Anaheim Hills Elementary	<ul style="list-style-type: none"> In addition to all the focus on technology, time should also be spent on students handwriting skills and actual spelling/ grammar proficiency where auto-correct/spell- check cannot be used.
Anaheim Hills Elementary	<ul style="list-style-type: none"> Inform students of appropriate behaviors when in the bathroom and concerning their private parts. Especially young boys.
Anaheim Hills Elementary	<ul style="list-style-type: none"> Is there a tutoring program or a source at the school that could help those kids falling behind or struggling to reach grade level standards? Perhaps afterschool or weekends?
Anaheim Hills Elementary	<ul style="list-style-type: none"> It will be nice if the school offers tutors at a low cost to help students that are falling behind.
Anaheim Hills Elementary	<ul style="list-style-type: none"> It would be nice if there was an after school tutoring program.
Anaheim Hills Elementary	<ul style="list-style-type: none"> Maintain a focus on unstructured play during recess periods including access to the field. My child is under the impression he is disallowed to play football, tag, and other such games during recess.
Anaheim Hills Elementary	<ul style="list-style-type: none"> Make all books that are in use for each grade easily available for students/parents to access at home.
Anaheim Hills Elementary	<ul style="list-style-type: none"> Make necessary and needed improvements to campus - update bathrooms, provide shade, provide the school materials to enforce safe parking lot behaviors on the part of parents..
Anaheim Hills Elementary	<ul style="list-style-type: none"> Meet and interview a career person twice a month. Discuss what they do and why they choose that profession. What school preparation requires to achieve their field?
Anaheim Hills Elementary	<ul style="list-style-type: none"> More challenging writing assignments. Group students according to ability and challenge higher level students more.
Anaheim Hills Elementary	<ul style="list-style-type: none"> More consistency between teachers amongst grade levels. When filling out this survey I felt as if the teacher of my first grader does a lot of these things but not the teacher of my second grader.

Note. Comments are transcribed as they were received.

OUSD LCAP 2019-20 Parent Survey Summary – February 2020

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
Anaheim Hills Elementary	<ul style="list-style-type: none"> • More reinforcement programs. An open space dedicated for children to voice concerns.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • More support in the gen ed classrooms with the inclusion program. More instructional Aides, co-teachers, counselors, and mental health support are necessary for all students to be successful. Are there any resources for the GATE identified students in gen ed, or just for special ed students??
Anaheim Hills Elementary	<ul style="list-style-type: none"> • My 6th grader often complains that that most of what she learns is barely explained. My 5th grader got in trouble for not completing Kahn Academy from the previous year, when that teacher didn't require her to do it. Both kids are struggling and there seems to be no one that cares.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • My only request is to please rid of the sand on campus
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Need more options outside of GATE testing to individualize learning for students who perform very well but perhaps aren't suited to GATE. The learning can be "one size fits all" a more tailored approach would benefit all the kids
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Nutrition!!!! The lunch options that are available for students are appalling. Please look into alternative ways to provide healthy, organic lunch options - example Choice Lunch is a great lunch delivery service
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Offer advanced programs for students who would benefit from the challenge. Perhaps dedicate a separate 30 time slot for these students as a reward for academic excellence. I disagree with the elimination of the honors program, there should be a comparable replacement.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Our school is great bc of the teachers staff and parents. More district support and opportunities would be appreciated. We have security and surround sound for students bc pta pays for it. Keep our school updated please. Keeping a strong school strong takes work. I commend the AHES staff. Thanks.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Outside play & structures are poor. Not enough supervision on playground. More hands on learning. Not just paperwork for learning.
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Provide homework help and tutoring to younger students (perhaps by using older students), especially for those already spending several hours at CARES after school program. Teach about careers, and the pathway to college. Allow for different learning styles versus forcing a certain way
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Provide more grants to this school. Since it's not a title one school and stop asking parents for money!
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Provide onsite guidance counselors to speak to children every trimester about current and future academic challenges to help prepare them for middle school, high school and college- help them create an academic plan and path early
Anaheim Hills Elementary	<ul style="list-style-type: none"> • Reliable technology that consistently works in the classroom and throughout the school for teachers and students. Provide funding to the hills schools which historically receive very little from the district compared to the other schools in the district. AHES is an old school which needs attention

OUSD LCAP 2019-20 Parent Survey Summary – February 2020

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
Anaheim Hills Elementary	<ul style="list-style-type: none"> Require teachers to use the aeries grade system so parents know how their child is doing academically. Require teachers to input more than 5-6 assignments per trimester per subject in order to show a well rounded academic opportunity and growth. Have a full time mental health counselor on campus.
Anaheim Hills Elementary	<ul style="list-style-type: none"> School safety, secure the perimeter of the school. The bullying problem. Communication between teacher parent and student. Suffice recess shade and safe equipment
Anaheim Hills Elementary	<ul style="list-style-type: none"> Set up a traffic light by entrance to help traffic and prevent accidents. Add surveillance cameras for extra security.
Anaheim Hills Elementary	<ul style="list-style-type: none"> Smaller class sizes. More instructional assistant (IA) support for classes especially K-3. Leadership opportunities for 1-3 grades.
Anaheim Hills Elementary	<ul style="list-style-type: none"> Some thing need to be done about the parking situation for the school. We can not attend the school performance's without being scared that our car will be towed.
Anaheim Hills Elementary	<ul style="list-style-type: none"> Steady teachers in rsp program and more available counselors. To help with social and mental health issues. Been very unhappy.
Anaheim Hills Elementary	<ul style="list-style-type: none"> Students that are falling behind academically are not given enough support. They are given easier tests or re-tests to simply move on to the next grade level. These students need help in smaller groups at a slower pace.
Anaheim Hills Elementary	<ul style="list-style-type: none"> Teach cursive writing! Put sanitary disposal units in restroom.
Anaheim Hills Elementary	<ul style="list-style-type: none"> Teachers did not communicate anything regarding my son's lack of attention and struggling to follow directions. In Kinder, this had been going on for months without me being notified by the teacher. Better communication needs to occur with parents and support of kids with ADHD.
Anaheim Hills Elementary	<ul style="list-style-type: none"> The biggest problem at this school is the focus on the affluent families. There is little to no concern if you are a regular, but the parents that give the most, have children who get the most. It's not what they know, it's who knows you. It's a popularity contest and the teachers are guilty.
Anaheim Hills Elementary	<ul style="list-style-type: none"> The class sizes are way to big for elementary. If a child is in the middle or at the top, there isn't enough time or teacher student ratio to advance the student's skill set....a lot falls on parents at home since the ratio 30+1. All 3 of my kids struggle with writing. All from Ahes.
Anaheim Hills Elementary	<ul style="list-style-type: none"> The classroom's size is too big so I think the teachers need an assistant.
Anaheim Hills Elementary	<ul style="list-style-type: none"> The new approval process for parent volunteers is completely unacceptable. At this point we will likely lose over half the school year, which is a huge detriment to our children's learning and an example of mismanagement on behalf of OUSD.
Anaheim Hills Elementary	<ul style="list-style-type: none"> The new TK program gives slight advantage to thoskids entering kinder. Not everyone qualifies for the TK program due to timing but all the parents who attended, along with the kids and teacher all knew each other - which made it more difficult for new kids to adjust as the kids are already bonded.
Anaheim Hills Elementary	<ul style="list-style-type: none"> The school parking lot and drop off/pick up area are dangerous for the students. Someone is eventually going to get hit.

OUSD LCAP 2019-20 Parent Survey Summary – February 2020

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
Anaheim Hills Elementary	<ul style="list-style-type: none"> The schools need a STEAM. Teacher. They also need a stronger writing program
Anaheim Hills Elementary	<ul style="list-style-type: none"> The teacher needs to be more understanding with students who are struggling, especially mine. Not always focus on the negative but on the positive things they are doing. I personally don't feel my child's teacher cares enough to help with the struggles my child has academically.
Anaheim Hills Elementary	<ul style="list-style-type: none"> The teachers have been great about communicating weekly on updates for the week or the next week. We only have parent/teacher conferences at the beginning of the school year, it may be helpful to have one twice a year to discuss specifics on how to help our kids improve if there are any deficiencies
Anaheim Hills Elementary	<ul style="list-style-type: none"> The volunteer approval process has taken way too long this year. With 30+ children in each class these teachers depend on the parent volunteers and this year the clearance process has been disgraceful. Let's do everything in our power to support these teachers and in turn our kids' education. Thanks
Anaheim Hills Elementary	<ul style="list-style-type: none"> There are so many children in the class, I'm not sure that my child is able to get optimal attention from the teacher. The teacher must engage with children that are exceptional (in any regard), and for children who are average, I am concerned that they are not engaged optimally.
Anaheim Hills Elementary	<ul style="list-style-type: none"> There is no homework help. Also, while technology is an important & helpful tool it is over used as a teaching method instead of a supplemental assistant. The school does not teach typing (keyboard hand placement) & it barely teaches cursive handwriting. Kids are not taught how to study correctly.
Anaheim Hills Elementary	<ul style="list-style-type: none"> We are new to OUSD and I feel nobody ever guided or helped us to navigate, portal or even mentioned report cards or anything. Because my kids were a few grades out of kinder everyone assumed we knew how to navigate. Some teachers are not helpful.
Anaheim Hills Elementary	<ul style="list-style-type: none"> We are very happy with AHES!
Anaheim Hills Elementary	<ul style="list-style-type: none"> We need a bit more guidance in the front office. Often times, I do not feel comfortable asking simple questions because I feel that I am bothering the front staff. A friendlier face when you walk into the school would be really nice.
Anaheim Hills Elementary	<ul style="list-style-type: none"> We would like to see Anaheim Hills Elementary School include Social and Emotional Learning into the kids' curriculum. For lower grades, we would like the kids involve more in STEAM, Coding, or Robot programs. Thank you!

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
Canyon Rim Elementary	<ul style="list-style-type: none"> Better teachers Smaller schools/classes
Canyon Rim Elementary	<ul style="list-style-type: none"> Children's class size are too big for 1 teacher with VERY limited teacher's aide assistance. My child is not getting enough close attention at this early age of learning. Feels bad for teacher and all the children in class. Teachers rely on parent volunteers but parents are not properly trained.
Canyon Rim Elementary	<ul style="list-style-type: none"> Class sizes need to be addressed. In addition, technology is almost 100% supported by PTA. There are schools in the OUSD that have better classroom set ups (some Title 1 schools) than this school. Appropriate funding needs to be addressed.
Canyon Rim Elementary	<ul style="list-style-type: none"> Clear sheets and old school projectors are used to teach lessons and some teachers discourage the use of technology to assist in note taking. A message recently came out stating that we want students prepared as 21st century learners. The level of technology used is not aligned with that goal.
Canyon Rim Elementary	<ul style="list-style-type: none"> Close eye on attendance, children's actions/attitudes towards school, more interactive learning instead of all the computers and I pads.
Canyon Rim Elementary	<ul style="list-style-type: none"> Communicate without judgment
Canyon Rim Elementary	<ul style="list-style-type: none"> Consistency with grade level expectations and standards based curriculum. Teacher training that encourages creative thinkers and not a test taking culture. I find that teachers, grade levels and schools differ drastically in assessments used, grading, instructional practices, and technology avail.
Canyon Rim Elementary	<ul style="list-style-type: none"> Early interventions both academically, emotionally and behaviorally.
Canyon Rim Elementary	<ul style="list-style-type: none"> Get rid of early release on Wednesday. Makes it harder for parents who work! 2. Release all classes at the same time. The current method of tiered release times only causes more backup as parents suck up the parking and pickup line for the higher grades long before Kinder is released.
Canyon Rim Elementary	<ul style="list-style-type: none"> Have a Career Day. The kids are overwhelmed choosing a college shirt, when they don't know where the college is or what they can learn there. They choose based on outside influences such as sports teams they have heard of, parents choosing for them, etc. Kids feedback is it's too early.
Canyon Rim Elementary	<ul style="list-style-type: none"> have a GATE program at Canyon Rim
Canyon Rim Elementary	<ul style="list-style-type: none"> Help with timed testing. Offer tutoring to help students with subjects they're not performing well in. Psychologist, my child has been a victim of bullying and school has no idea! Giving children computers early on , discussing requirements for college admission n exposure to a variety of careers.
Canyon Rim Elementary	<ul style="list-style-type: none"> I do feel confident that if my child were struggling academically that he or she would receive help, however I'm not necessarily finding my children being challenged academically on the other end of the spectrum. Are we challenging and encouraging students to grow at all levels?
Canyon Rim Elementary	<ul style="list-style-type: none"> I don't know what a "student portfolio" is(1st ?).Our lunch recess has continued to be an environment of conflict.Need more staff training & consistent consequences.These behaviors carry over to the classroom.Teachers need to know about issues @ recess.Gates need to open earlier in a.m.Not safe.
Canyon Rim Elementary	<ul style="list-style-type: none"> I feel that a FEW of the teachers at Canyon Rim lack the desire to be effective. Because of these teachers students miss out on opportunities to excel. Student class placement practices are unfair because of the ineffective teachers. Some Canyon Rim staff and teachers are complacent.

Canyon Rim Elementary	<ul style="list-style-type: none"> I would like to see an afterschool STEM program for kids (k-6). That encourages them to learn further. This can be at an additional cost to parents. But I see a lack of opportunities for growth and interest for my kindergartener at this school.
Canyon Rim Elementary	<ul style="list-style-type: none"> I would like to see the district roll out a strategic plan for technology that not only allows for Title I schools to have the updated technology resources they need, but ALL schools in the district. Canyon Rim Elementary	<ul style="list-style-type: none"> My responses differ from last year's because of the teacher/grade level team. Canyon Rim Elementary	<ul style="list-style-type: none"> One way to help improve in this area is to allow for more opportunities for the students to present small projects, papers, posters, etc orally to help them prepare for public speaking and presenting to class out loud.
Canyon Rim Elementary	<ul style="list-style-type: none"> Please include more activities in class and at recess that foster teamwork, collaboration, and good sportsmanship. Students must be proud of their contributions as a team member, too. Not everyone can do it all alone nor be the leader.
Canyon Rim Elementary	<ul style="list-style-type: none"> Please lower class sizes!! California has a 24:1 ratio and there are too many kids in the classes at Canyon Rim. Many families are leaving because of this and will continue to leave if they can get smaller class sizes elsewhere.
Canyon Rim Elementary	<ul style="list-style-type: none"> Please relook are the budgets for non-title one schools in our district. The PTA is expected to raise too many funds for technology. Technology like iPads and chrome books should be a given In today's educational society and not a nice to have. Continue to look at campus safety.
Canyon Rim Elementary	<ul style="list-style-type: none"> PlESe make classroom size smaller it is way over crowded to have 30 kids in a class
Canyon Rim Elementary	<ul style="list-style-type: none"> Reduce class size. Improve teacher quality.
Canyon Rim Elementary	<ul style="list-style-type: none"> Reduce class size. Teachers cannot meet all students needs with the amount of children in each classroom. Provide pull out or push in support for students with IEPs, these students are not having their needs met and it impacts the other students when the teachers are overextended.
Canyon Rim Elementary	<ul style="list-style-type: none"> Reducing class sizes. Currently my son is in a kinder class of 30 kids. That's way too high IMO. Should be no more than 18-20 max
Canyon Rim Elementary	<ul style="list-style-type: none"> Smaller class size
Canyon Rim Elementary	<ul style="list-style-type: none"> Smaller class size. Too many kids in each class.
Canyon Rim Elementary	<ul style="list-style-type: none"> Spanish classes for students, budgeting for school garden open to all students, teaching assistance for teachers leading combo classes and those with 25+ students
Canyon Rim Elementary	<ul style="list-style-type: none"> Teacher to student ratio needs to improve. Discipline for in room behavior is not well enforced. We have experienced this directly.
Canyon Rim Elementary	<ul style="list-style-type: none"> Technology is lacking at this school. What we have is almost 100% funded by the PTA just so students can take regular testing. I've seen other schools in the district that have 1-to-1 devices & "smart" classrooms funded by district money because they are considered a title 1 school. This is insane.
Canyon Rim Elementary	<ul style="list-style-type: none"> The amount of 1 on 1 aids & support to IEP students deeply concerns me. It is a reward to claim your child needs help. The system harms the non IEP children by using funds that should support and improve all of our children's education. Focus should be on developing creative & innovative minds.
Canyon Rim Elementary	<ul style="list-style-type: none"> The class size is too large for Kindergarten. I consistently have to teach concepts that aren't learned in the classroom setting due to the number of students.

Canyon Rim Elementary	<ul style="list-style-type: none"> The class sizes are terribly large. Although my girls have amazing and well trained teachers, the teachers can't teach as effectively as they could if they had 20-24 students. If it wasn't for parent volunteers, k-2 students would drown and academics would suffer greatly.
Canyon Rim Elementary	<ul style="list-style-type: none"> The PTA page should be updated more & we get random calls on different nights. It's used to be every Wed with all the info the upcoming week/month. For instance, I got a call with a quick mention of lunch with a loved one in two days. Can I get off work in short notice? What time is it at? More info!
Canyon Rim Elementary	<ul style="list-style-type: none"> This district needs to SPEND MORE MONEY ON HIRING TEACHERS! 30 - 1 student / teacher ratio is absurd and has no pedagogical or curriculum merit. We currently have a 5 year old in a TK class with 29 other 4/5 year olds. This is an impossible learning environment and the district needs to address.
Canyon Rim Elementary	<ul style="list-style-type: none"> Traffic or parking control so families have a safe place to pick up or drop off their children.
Canyon Rim Elementary	<ul style="list-style-type: none"> Two words.... better teachers
Canyon Rim Elementary	<ul style="list-style-type: none"> We have a great PTA that hosts fundraisers throughout the year. I would like to see the district be responsible for certain costs and not PTA. Teacher communication and grade loading is not always timely or consistent. It depends on the teacher. Please encourage teachers to input grades promptly.
Canyon Rim Elementary	<ul style="list-style-type: none"> We need to evaluate these teachers. Some are just wasted space. Also, homework and tests are ridiculous at this school. I am sure some kids enjoy extra homework and some don't. We are stressing out our kids. They need to enjoy school at this young age. There are some social stresses today.

Chapman Hills Elementary	<ul style="list-style-type: none"> • ALL teachers need to be trained in differentiating instruction and meeting the needs for ALL types of learners. We made the decision to keep gate student at home school as other families did as well. Integrate all types of writing within all content areas. Musical theater!
Chapman Hills Elementary	<ul style="list-style-type: none"> • As a new kinder parent, it has been confusing at times. Over 30 kids to one teacher and no aide is not a viable way for children this young to learn. Aides are necessary especially in the younger classrooms. We don't really know what's going on in the classroom and there is no HW. We are in the dark
Chapman Hills Elementary	<ul style="list-style-type: none"> • CH needs a balanced homework policy especially in math and writing. Learning at home is such an essential part of parent involvement and without standard homework assignments I'm left in the dark about the content by child is learning.

Chapman Hills Elementary	<ul style="list-style-type: none"> • Teachers are great, the administration is lacking especially [staff member].
Chapman Hills Elementary	<ul style="list-style-type: none"> • The Edge stuff and the endless amounts of money spent on marketing something with zero substance or meaning behind it really needs to come to an end. DO THE ONE THING PEOPLE KEEP LEAVING THE DISTRICT FOR! PUT YOUR MONEY INTO LOWER CLASS SIZES! You guys just do not get it. Decades of failure continue
Chapman Hills Elementary	<ul style="list-style-type: none"> • There needs to be consistency from one teacher/year to the next. Some teachers/years we have homework and some we don't. Tt's hard to teach habits when it is so inconsistent. It is also hard to explain to my first grader who is doing homework why my 3rd grader doesn't have homework.

Crescent Elementary	<ul style="list-style-type: none"> • All teachers need to be on the same page. Provide more opportunities for how these goals are supposed to look in the classroom for them.
Crescent Elementary	<ul style="list-style-type: none"> • Apply avid program to gate kids. I don't know if I have the name correct. It is the organizational skills program
Crescent Elementary	<ul style="list-style-type: none"> • Crescent's leadership is head and shoulders above that at AHES resulting in a superior overall experience from academics and faculty behavior to the way the school parking lot functions. AHES has improved greatly with last years leadership change but still has work to do to operate more efficiently
Crescent Elementary	<ul style="list-style-type: none"> • Help parents prepare to have conversation with the kids before they have to go to school with a college shirt. Some families don't have school affiliations that influence the kid's choice. Provide guidance to parents on where to get college brochures, etc to discuss with their kids.
Crescent Elementary	<ul style="list-style-type: none"> • I think instead of just having music and drawing you guys should also offer sports for those kids that don't enjoy music or drawing
Crescent Elementary	<ul style="list-style-type: none"> • I think teachers need to be aware of comments and behavior being displayed in the upper grades. My child has come home in tears. It was only addressed with the teacher when I reached out. She had been aware. I was disappointed she didn't reach out initially.

I'm also hopeful that the school will not reprimand my son for defending himself after being assaulted by another student. There is certainly room for improvement. So far, this year is going well!
Crescent Elementary	<ul style="list-style-type: none"> • I'm very happy with the school and all they have offered my boys so far. At this time I don't have any suggestions.
Crescent Elementary	<ul style="list-style-type: none"> • It would be good if they can have more activities after school.
Crescent Elementary	<ul style="list-style-type: none"> • Just by doing what they are already doing! Consistently keeping the Teachers trained and up to date on new things.
Crescent Elementary	<ul style="list-style-type: none"> • Keep offering challenging assignments to empower their learning. If a kid is struggling in a specific area or with a teacher, communication with parent via email would be super helpful.
Crescent Elementary	<ul style="list-style-type: none"> • More focus on communication and leadership skills
Crescent Elementary	<ul style="list-style-type: none"> • More help for kids who are struggling. Home work club would also be awesome!
Crescent Elementary	<ul style="list-style-type: none"> • More steam work- outings to companies etc.that will get them ready for college and carrier- ready and give them more solid idea on what they want to be
Crescent Elementary	<ul style="list-style-type: none"> • Need to have more emphasis on creativity, critical thinking and problem solving in the assignments that are given. More differentiated instruction at lower grades.
Crescent Elementary	<ul style="list-style-type: none"> • New water fountains and Restrooms as the ones there are disgusting and unsafe, cut the grass at least once a week. Grass during parent night was not cut and the lawn maintenance crew is never addressed. PTA did a nice job of painting the tables and helping get covers from the bird droppings.
Crescent Elementary	<ul style="list-style-type: none"> • Please provide better infrastructure. Clean and newer bathrooms, working sinks and coolers, lunch tables and grass areas without animal droppings are basic things we can expect

Crescent Elementary	<ul style="list-style-type: none"> Public speaking is a vital skill to help build confidence (among other benefits). I was disappointed this year when I learned that the 3rd grade GATE classes were giving students the opportunity to deliver speeches, while the traditional 3rd grade classes are not given that same opportunity.
Crescent Elementary	<ul style="list-style-type: none"> Smaller class sizes. Our 4th grade class has 36 students making it very difficult for any teacher to teach effectively for all students.
Crescent Elementary	<ul style="list-style-type: none"> Special Needs Teachers need a variety of sensory activities, visual schedules(i.e: first & then boards, pecs, token boards) that most Teachers will never have to incorporate but unfortunately those are additional expenses. Without these resources & insufficient aides, our children are disadvantaged
Crescent Elementary	<ul style="list-style-type: none"> There needs to be smaller classroom sizes. And teachers need aids to help them. 1 teacher for 33 students is way too much to provide quality learning. There is no way a teacher can be aware of all of their students struggles or strengths with that number of students.
Crescent Elementary	<ul style="list-style-type: none"> This district is SIGNIFICANTLY BEHIND (and not meeting requirements under ed code) for their provision of physical education. Neither school we attended had a teacher with a physical education credential teaching them children a PE curriculum. They cut corners on their 200 min/10 day requirement.
Crescent Elementary	<ul style="list-style-type: none"> This year my daughter is improving with the smaller class size. I hope smaller class sizes will continue to allow teachers to support and enrich student learning to the maximum.
Crescent Elementary	<ul style="list-style-type: none"> Tutoring services, HW clubs after school or during lunch for some students.
Crescent Elementary	<ul style="list-style-type: none"> Update tech for the teachers - smart boards, computers, projectors, etc...
Crescent Elementary	<ul style="list-style-type: none"> We transferred this year to Crescent from another school within OUSD. My students had more access to technology. Create anonymous student surveys, so that students can communicate concerns they aren't comfortable voicing, such as bullying, teacher issues, problems at home, etc..
Imperial Elementary	<ul style="list-style-type: none"> • I believe OUSD should really look into kids that are falling behind and act quick rather than taking its time to evaluate them and not really knowing how to go forward with helping them reach the level they are suppose to be. Mental health affects students learning and the process is too long.
Imperial Elementary	<ul style="list-style-type: none"> • I believe that most professional development needs to be provided to site administrators in the areas of special education and how to conduct themselves in IEPs. In the past, I have attended iep's where the administration running the meetings felt compelled to yell and act in an intimidating fashion
Imperial Elementary	<ul style="list-style-type: none"> • I don't know too much about the other grades, but I am so grateful for the TK program in general! My son is learning so much, it is truly making a difference! I wish Learning Links was promoted more across the district. I didn't learn about it until last year, but TK is amazing! Thank you!
Imperial Elementary	<ul style="list-style-type: none"> • I feel my children's educational experience would greatly improve by lowering class size or adding TAs to help in the classroom. I also would love to see more extra curricular activity offered during the school day, and more after school classes, like a foreign language or music class at a cost

Linda Vista Elementary	<ul style="list-style-type: none"> • Great school. It seems though we have less technology tools than some other schools in the area. Most of the teachers are really good with the exception of [teacher]. The Principal and school nurse are great.
Linda Vista Elementary	<ul style="list-style-type: none"> • I feel like the school lacks technology.
Linda Vista Elementary	<ul style="list-style-type: none"> • I like that Aeries lets parents see all assignments.
Linda Vista Elementary	<ul style="list-style-type: none"> • I think Linda Vista could improve by having smaller class size, a usable learning center, a more positive energy environment and an updated look, i.e. the marquee. I think more classrooms need aides to reach the needs of children especially TK-2nd!!
Linda Vista Elementary	<ul style="list-style-type: none"> • I would really love that this district will really focus on teaching the kids academics to help them be ready for colleges and career not advancing the lgbtq agenda. Thank you

McPherson Magnet (K-5th)	<ul style="list-style-type: none"> Consistency is key for any child to be successful. (At home and at school) I did not feel like this was always the case at McPherson. However, my child has been at McPherson going on 5 years and every year I have seen some sort of improvement in my child and the resources available to all children.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> Cursive writing is such a lost art from nowadays. It is not taught at our school but should be made available as part of the curriculum or at least through a learning club or extracurricular activity.

McPherson Magnet (K-5th)	<ul style="list-style-type: none"> I like the opportunity for tutoring assistance for kids that need help in math or writing.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> I see the changes and I would love smaller class sizes. I saw this as a win for my older children. My kids are no super high or super low so they don't get the same attention as someone who needs help or someone that is super high.. it would be nice to have some support for the A/B kids of the world
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> I think more time needs to be spent on developing emotional intelligence, empathy and confidence, especially in this day and age.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> I wish OUSD would focus on real world issues and preparing kids to handle situations for today. I wish McPherson had more leadership programs and encouraged life lessons instead of focusing so much on surveys and testing scores.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> i would like to see more art and music education. In addition, our children need to be outside experiencing hands-on education in the school garden. It should be mandatory that each grade level spends at least 15 hours a year outside in the garden applying science and math skills in a group setting.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> I would love to see college days at elementary level to get students thinking big about long-term educational goals...don't think it can start too early, if done in age-appropriate manner
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> I would strongly encourage a decreased amount of homework nightly.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> I'm very dissatisfied with the FITT program st McPherson Elementary School. My son comes home very worry and anxious since he started the program. He is afraid of being bully if I pull him out. He talks about test scores of the school district. This is not age appropriate for a child in 3rd gr.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> Improve the facilities
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> In order for McPherson to stay competitive with neighboring schools (and maintain enrollmeny), it must highly consider: 1) Offering Spanish as an Integrated language at the Elementary School level during the day to support 21st Century learners
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> In order to stay competitive with our schools, McPherson needs to highly consider implementing a Spanish classes for elementary school students. Other schools are operating Spanish classes or dual immersion classes at the elementary level and they seem to be thriving.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> It would be nice to get money to fund on-campus lockers for 5th-8th graders.

OUSD LCAP 2019-20 Parent Survey Summary – February 2020

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> McPherson is an excellent school. However, because it is not identified as a program improvement school, it does not get the same funding as other schools. This puts added pressure on parents to raise money or donate for things that students need to be academically successful throughout the year.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> McPherson is very focused on math and technology, I would want them to put some focus on learning kids on how to write properly.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> McPherson Magnet School is a very strong community of administration, teachers and parents involved in the school. Academically our school strives for the best for our students. It would be nice to renovate the bathroom facilities, teachers lounge and music room for our hard working teachers.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> More engaging interactive activities and less tablet time. More opportunities for advanced students to fulfill their potential.

McPherson Magnet (K-5th)	<ul style="list-style-type: none"> My child that graduated as well as my child currently attending refused to use the bathroom at school. They complain that it smelled so bad it would make them nauseous. They typically hold using the restroom. Consider placing odor control system
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> My children constantly complain about the cleanliness of the student restrooms, particularly the odor. Perhaps there could be more emphasis on regular maintenance or ventilation. Also, my children believe that there could be more variety when it comes to offerings for the school lunches.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> My children would be better able to focus in class if they did not need to use the restroom so bad. The children say they are gross, not clean or well stocked and are afraid to use the. children with IEPs are overlooked and not well followed. No communication with the RSP teacher until too late.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> My son wanted to do robotics but there was not enough space. My daughter has difficulty making & keeping friends, when I asked the school psych to work with my daughter on this issue she refused because she stated that she saw no problems the day that she was observed. Not good! too much HW!
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> My student would feel more comfortable at school if improvements were made to the bathrooms. She is sometimes afraid to use the restroom because they are "yucky," there are bugs in the bathroom, etc.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> No more weds folder. Put all info in email and email out to students. Then you know parents get the information. I have missed out on so much info as i am not forwarded the info from other parent. This has been discussed with school with no improvement.

McPherson Magnet (K-5th)	<ul style="list-style-type: none"> Organize the school day and school year with focus on families with 2 working parents. 5 daily hours of instruction 180 days a year is a ridiculous concept in 2019.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> OUSD needs teachers that care. That really wants to help the kids and try to understand them to get them to the next level.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> perhaps on the student website (where the homework assignments are located) there could be room for teacher comments.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> Please consider developing reading and writing workshop instruction in the classroom. Students are better met at their levels instructionally when teachers are fully implementing Lucy Calkins Ubiys of Study. Also, I'd like to see more CGI for math instead of worksheets.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> Please let's remodel the bathroom. If we have to, let's raise funds for that and give them a better hygiene bathroom. This is my only request every time I fill out the survey
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> Please please update the kids bathrooms at McPherson and please ensure that they are cleaned and maintained throughout the day. My kids won't go to the bathroom because of how dirty they are and not maintained.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> Please redo the children's restrooms. Although they did get a deep clean they are very outdated. My children fear using then restrooms at school. Overall, McPherson is great. I feel more support is needed for children who are struggling behaviorally instead of labeled a bad kid who now kids targe
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> Please update the bathrooms for kindergarten! The school is in deep need of infrastructure updates.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> Regularly discuss types of jobs and careers.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> School Bathrooms could be improved. - my child doesn't like using the school bathroom.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> Smaller classroom sizes or more teacher assistants for kinder,
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> So far so good.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> So much time is spent on extracurricular activities that teachers aren't given enough time to focus on the fundamentals. Also, testing should be introduced at all grade levels so students become great test takers in the future.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> Sufficient resources (text books, classroom computers, desks) should be available to accommodate all students in a classroom. New programs should be explained in detail to parents and teachers should be chosen that can manage the new programs and manage them well.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> Take home laptops would be amazing, I am aware that other schools in other districts have this. Updating/fixing the restrooms is a big complaint of both my children, they are "grossed out" to use the restrooms.

OUSD LCAP 2019-20 Parent Survey Summary – February 2020

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> The district needs to stop charging schools for teaching resources (like color copies) and instead provide more resources like aides for teachers in the K-3 classroom, to allow them more individualized time with students. They need to put the children first, and adjust expectations and stresses on
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> The envisions platform to learn is a pain, it need to be upgraded. All the learning should be in one platform not some in android and apple, when we do it in apple ipad won't even sync to the system when we open it on desktop.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> The homework for the student to use at home is not user-friendly, often my child not willing to do it, feel like it can improve make it more engaging.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> The restrooms are in bad shape and need to be updated. The school does a great job with what it has and offers
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> The student bathrooms desperately need to be remodeled.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> The teacher student ratio in kindergarten is too large. It is unfair to both students and teacher. I believe the children would benefit by having 2 separate half day sessions of 15:1 each day instead of one full day session of 29:1.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> There is a large disconnect between the day to day in the classroom and what information comes home. Including assignments expectations weekly projects etc. The new class structure feels like chasing information constantly with no real wins for my student at any class subject level. Frustrating.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> This school is great, but we need newer computers. OUSD needs to earmark money for music/art education for K-8. Our school performs better than others in the district. The school's accolades prove this. Our children need a consistent music program, it would help them to achieve better test results.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> to be more social and our children's to have more family values. to learn to be more humble.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> tutoring is non existent and the class needs more aides. my son has an IEP. At the IEP resources keep getting eliminated or assistance is reduced. the classroom has too many students and needs more support staff.
McPherson Magnet (K-5th)	<ul style="list-style-type: none"> We are enjoying the programs at McPherson. Panorama Elementary	<ul style="list-style-type: none"> • -offer more, quality after-school enrichment activities • -provide safety plan if power should be shut off/emergencies
Panorama Elementary	<ul style="list-style-type: none"> • Panorama provides amazing art education programs, such as ArtMasters, P.E, and music classes. We love these, but it takes a heavy financial toll on the school with lots of pressure from parents to fund these programs. More OUSD funding for these programs would help.
Panorama Elementary	<ul style="list-style-type: none"> • Provide resources for special education students. This year, unlike the past, shows a real lack of support for students with special needs. OUSD needs to reevaluate its special education program. Inclusion only works if it's done right, but when the district pulls all resources, EVERY child suffers.
Panorama Elementary	<ul style="list-style-type: none"> • Teachers need to be more aware of monitoring use of technology as we heard many issues with 5th grade. Students should have them removed if using improperly or influencing others ability to work online
Panorama Elementary	<ul style="list-style-type: none"> • Teachers need to not expect so much out of Kindergarteners. My son doesn't want to go to school because he feels like his work isn't good enough. I believe there needs to be more one on one help with people who are patient and can explain things well.
Panorama Elementary	<ul style="list-style-type: none"> • The school is very focused on challenging kids who excel while offering little to kids who need a little extra assistance.
Panorama Elementary	<ul style="list-style-type: none"> • There is no emphasis on tutoring or additional support to help my child in the areas she is struggling with.

Villa Park Elementary	<ul style="list-style-type: none"> • A little more Gate time because there is no dedicated program. Maybe 30-45 minutes per day except Wednesday....where they all meet and have more critical thinking/learning:)
Villa Park Elementary	<ul style="list-style-type: none"> • Academic help after school and STEM possibilities. STEM is pertinent to our children's future. I think more needs to be done. And engineering and coding is important to me.
Villa Park Elementary	<ul style="list-style-type: none"> • As parents, we think education and better preparing our children for their future is important, however, their childhood is of equal importance! The amount of HW given is often excessive. There is now Friday weekend homework in 3rd grade?? Is that necessary to achieve college?? Please reconsider
Villa Park Elementary	<ul style="list-style-type: none"> • Career day is great, especially if the volunteers can explain how education prepared them or allowed them to work in their particular profession.

Cerro Villa Middle School	<ul style="list-style-type: none"> Overall the Principle does a good job at communication and the teachers appear to be motivated. Some minor to mid level behavioral issues with the school create a distraction in an otherwise well run campus. My daughter is in the honors program(8th grader) and I would recommend the school overall.
Cerro Villa Middle School	<ul style="list-style-type: none"> Provide more funding to the Mandarin students for books in the language they are learning. Provide Mandarin tutoring from and aide or student teacher (or someone other than teacher, like a college student)
Cerro Villa Middle School	<ul style="list-style-type: none"> Providing students with 1:1 devices will help them have a more innovative curriculum
Cerro Villa Middle School	<ul style="list-style-type: none"> Start early encouragement regarding what the students enjoy and where they excel at at an early age. Also, to support the students with volunteer activities in the areas the students seem to flourish best in.
Cerro Villa Middle School	<ul style="list-style-type: none"> The amount of homework in accelerated math needs to be reduced. The amount of homework combined with all classes is too much. Students need time to relax after school and participate in activities outside of school. The amount of homework given has been impacting her involvement in other activities
Cerro Villa Middle School	<ul style="list-style-type: none"> The football team need new equipment;flags and jerseys
Cerro Villa Middle School	<ul style="list-style-type: none"> The leadership & staff at this school is exceptional. Continue to focus on writing. Improvement at both CV & VPHS levels re continuity for the math curriculum. There appear to be some holes & the lessons are important for their foundation & SAT/ACT scores. Wellness Ctr. is needed and needs support
Cerro Villa Middle School	<ul style="list-style-type: none"> There are too many grades, i.e. graded assignments, every single trimester. Instead of all the energy being spent on constantly working on and turning in small assignments (most of which are not very academically helpful) time should be spend on more in depth learning of concepts and ideas.
Cerro Villa Middle School	<ul style="list-style-type: none"> There needs to be consistency from K to 12th grade of technology and STEM. While the school has programs here and there, it needs to do a better job at making sure all kids take technical courses. Make it mandatory. Also better writing instruction as there are many poor performing teachers at CV
Cerro Villa Middle School	<ul style="list-style-type: none"> They can offer more financial, emotional and mental wellness courses, focus more on technology and more classes that will help them in life and less emphasis on irrelevant class like history. El Rancho Charter Middle School	<ul style="list-style-type: none"> bullying/harrassment is not dealt with. Principal is rarely seen or communicates with parents. Textbooks are outdated, not enough technology for all students. There is no professional development provided to teachers, which is apparent in the lack of critical/creative assignments for students.
El Rancho Charter Middle School	<ul style="list-style-type: none"> Carline for pick up is a nightmare. Kids are running/darting across the street in the middle of cars. Parents are driving on the wrong side of the road and/or pull indiscriminate u-turns without warning. PLEASE INVITE POLICE TO MONITOR. THANK YOU TO ALL RANCHO STAFF FOR AN EXCELLENT JOB EVERYDAY!!
El Rancho Charter Middle School	<ul style="list-style-type: none"> Don't like that response to problems tends to be to punish all vs the offenders. Things get taken away (no hoodies, no parent at school day) as a "solution" vs dealing with the problem. You dont parent this way (punish all kids when one misbehaves) so why run a school this way. It is lazy.
El Rancho Charter Middle School	<ul style="list-style-type: none"> I feel that my child lacks certain communication skills due to technology. I would like to see more opportunities to learn how to verbally communicate which could vary from verbal informational presentations to seeking information from a person beyond a text or email.
El Rancho Charter Middle School	<ul style="list-style-type: none"> It is VERY concerning to me that El Rancho is a completely open campus. My son does not feel safe with this, neither do I. In today's climate it is crucial for there to be a one way entrance/exit where identity can be checked/verified. Children or strangers could easily walk on or off campus.
El Rancho Charter Middle School	<ul style="list-style-type: none"> Keep encouraging life skills and electives since academics aren't the only thing important in life. Also, find opportunities for students who aren't at the top of their class to be recognized for achievement and keep them motivated.
El Rancho Charter Middle School	<ul style="list-style-type: none"> Leadership opportunities are restricted to the traditional ASB model. With high student enrollment this limits the number of students who can develop these important skills. Consider models that are more inclusive and allow for greater numbers of students to participate in leadership.
El Rancho Charter Middle School	<ul style="list-style-type: none"> My son tells me all the time that he hates school, even though he's very bright. He tells me school is boring, except for PE and guitar, but that the music teacher is not that good of a teacher because she teaches from a book and doesn't really know how to play the guitar.

El Rancho Charter Middle School	<ul style="list-style-type: none"> The school's IEP intervention plan on a child behavior is very well written. McPherson Magnet (6th-8th)	<ul style="list-style-type: none"> I feel that the 6th graders get a ton of information poured down their throats without little preparation other than sink or swim. McPherson Magnet (6th-8th)	<ul style="list-style-type: none"> I feel this school is great for my child and it has improved tremendously so I do not think it needs anything else.
McPherson Magnet (6th-8th)	<ul style="list-style-type: none"> I think that you should give children less work to do because when i was young we just answered some questions and that was it there was barely any homework. So I think you should give these kids less homework.
McPherson Magnet (6th-8th)	<ul style="list-style-type: none"> I think the district should have more staff visit the classrooms while teachers are teaching. My student came home and told me how different the teacher acted when visited by someone from the district. The teachers need to have more patience while teaching their students or get another job.
McPherson Magnet (6th-8th)	<ul style="list-style-type: none"> I think they should make policies a little less strict. I also think that they should let them have the freedom to make decisions and do things on their own. But if the teacher is always on them then they can't make their own decisions. They do what the teachers tell them to do. That's what I think.
McPherson Magnet (6th-8th)	<ul style="list-style-type: none"> I would like to see McPherson be a model of inclusive education. Supporting each classroom with the resources (teachers, staff, materials) necessary to ensure a safe environment for all learners.
McPherson Magnet (6th-8th)	<ul style="list-style-type: none"> I've never had a problem with the SPED programming, but getting most of the gen ed teachers to honor the IEP is frustrating and sometimes an exercise in futility which could result in future lawsuits. McPherson Magnet (6th-8th)	<ul style="list-style-type: none"> If the district can spend some money on better restrooms for the students it would be great. I would love to see more music/art programs within the school hours for all grades (k-8)too.

Canyon High School	<ul style="list-style-type: none"> Make some workshops mandatory for students and/or parents to attend, and communicate with parents. <p>Consistency for teachers-some are wonderful and update the portal in a timely manner, some are mean-spirited and leave the children with no desire to excel or think long-term. Anonymous student survey.</p>
Canyon High School	<ul style="list-style-type: none"> Meet with students individually more often. Meet with parents individually to inform and confer regarding college planning.
Canyon High School	<ul style="list-style-type: none"> Monitor teachers to ensure they enter grades regularly to keep parents aware. Hire coaches that are experienced, qualified, and professional at the corresponding level.
Canyon High School	<ul style="list-style-type: none"> my child's grades are bad. talk to the counselor and all i got was community college talk, weird, very weird. i want someone else to want to help me with my child in getting better grades. he's very smart and will get a 'A' or 'F' very rare to see anything inbetween. HELP.. do i get HELP
Canyon High School	<ul style="list-style-type: none"> My daughter has not received any help, encouragement, or information on internships, financial aid, career planning, workshops, etc... The one college fair they've had was at lunch and she has minimum day so that did not apply.
Canyon High School	<ul style="list-style-type: none"> My daughter was most excited about her engineering class bc she wants to be an architect. It said in the course description that they will touch on architecture, but there hasn't been any. All assignments have been online with reading and answering quest.s and she's learned nothing. Waste of time!
Canyon High School	<ul style="list-style-type: none"> Need legitimate engagement! All kids should be free from administration bullying- each kid motivated to learn. <p>Adult negligence, and laziness is the new norm in OUSD. All of our kids have been harmed by OUSD athletic coaching, and “counseling” negligence {Staff member] needs to get off his</p>
Canyon High School	<ul style="list-style-type: none"> Need to start prep in Junior year for college. I am hoping there will be workshops in the Spring vs waiting til Senior year. Would love more support of the Arts/Theater. Sports promoted on web and SM but not the other things our kids are involved in. Principle seems biased towards sports vs other

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
Canyon High School	<ul style="list-style-type: none"> • Real life understanding of how things work would be a great start. Personal Finances, managing a budget, communication skills are the keys to help them be in college and get them ready for their careers and basic life functions in general. We need MORE of this!
Canyon High School	<ul style="list-style-type: none"> • Safe/Clean environment - my child walks into the bathrooms and there are other students in there vaping!
Canyon High School	<ul style="list-style-type: none"> • Schedule tour for us
Canyon High School	<ul style="list-style-type: none"> • Stop making them do tasks just so the district can check boxes. How about we actually focus on students and not data?!? Support the teachers by walking around and seeing what they need. Stop asking them to fill out them forms.
Canyon High School	<ul style="list-style-type: none"> • STOP WITH SCHOOL.
Canyon High School	<ul style="list-style-type: none"> • Teach more real life learning classes.
Canyon High School	<ul style="list-style-type: none"> • The school buildings and athletic facilities are horrible. Our children deserve better.
Canyon High School	<ul style="list-style-type: none"> • They need to have more involvement from school on classes and college apps early on as most kids unless 4.0 students will get declined at CA schools clearly out of state is easier but the school needs to guide kids better starting 10 th grade year into getting done what needs too
Canyon High School	<ul style="list-style-type: none"> • Training teachers to be able to teach or hire the ones that know how to teach. Our kids use lots of outside resources to learn what what they should have in class. Extremely frustrating!!
Canyon High School	<ul style="list-style-type: none"> • We need a district wide college fair. We need more access to psychologists and counselors to improve mental health. Students that don't vape feel like students get away with vaping in class and the bathrooms. We need better food on campus. Canyon is a friendly place, but they lack resources.

El Modena High School	<ul style="list-style-type: none"> Actual listen to people dont treat us like you are superior just because you work in education, bring real people into roles at the district that know what to do to make things better and who are educated but not educators stop being so superior thing over families and people we know you judge us
El Modena High School	<ul style="list-style-type: none"> Con mas ayudas con becas. [With more grants with scholarships.]
El Modena High School	<ul style="list-style-type: none"> Deben involucrarse mas en la seguridad de todos los estudiantes porque ahorita esta muy feo porque hay alguien que esta llevando cosas que se les estan ofreciendo a los estudiantes y no ponen atencion en esa parte y es donde los estudiantes estan en peligro!! [They should be more involved in the safety of all students because right now it is very ugly because there is someone who is carrying things that are being offered to the students and do not pay attention to that part and that is where the students are in danger !!]
El Modena High School	<ul style="list-style-type: none"> Eliminate bullying that goes on continually with administration all the way to the principal doing absolutely nothing to prevent it or discipline the bully. This should be investigated and the school administration should be reprimanded to the point of losing their jobs where appropriate!
El Modena High School	<ul style="list-style-type: none"> Excited about changes: new building, pool, stadium but this has been stressful for kids. Construction noise, const traffic, tragic loss of student, behavior of students that followed loss, & inability to play in the stadium. Growth is good but tough esp for my senior/class (new bell sch each year)
El Modena High School	<ul style="list-style-type: none"> Follow Child find laws. The no D policy for math is wrong. A "D" can be earned first semester and will meet A-G requirements. To only give A,B,C,F discriminates against students earning credits and validating 2nd semester with a C. El Mo doesn't seem to want average kids getting into 4 year college
El Modena High School	<ul style="list-style-type: none"> Have less kids in each class with 2 teachers that can answer questions. I don't like the combo class my 5th grader is in 4/5 grade combo at LaVeta The teacher is trying to teach two different lesson plans and when my daughter has questions she is not getting the help she needs.
El Modena High School	<ul style="list-style-type: none"> Hire qualified staff who actually want to be there. Actually enforce bullying policies.
El Modena High School	<ul style="list-style-type: none"> How much money was wasted on creating a new Strategic plan for the district? It seems like a huge waste of resources. I would like to see the pool finished before my child graduates, four sport teams need this facility and we are driving our children all over the place to participate in Athletics.
El Modena High School	<ul style="list-style-type: none"> I didn't know they had most of the things you listed, about college scholarships, internships, we don't here from the school unless something tragic happens.
El Modena High School	<ul style="list-style-type: none"> I haven't been impressed with ElMo. My son regrets his choice to attend ElMo over VP. Renovating the stadium before the dilapidated classrooms is a huge disappointment. Coming from McPherson, ElMo feels like a giant step down in caliber. [Staff member] leaves a lot to be desired as well-Very hands off
El Modena High School	<ul style="list-style-type: none"> Increase school safety Grade appropriate college workshops Encourage involvement
El Modena High School	<ul style="list-style-type: none"> Interview skills would be a nice workshop. Extra engagement with students who are struggling. Student leadership where juniors and seniors mentor freshmen and sophomores so that every student is connected to someone.

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
El Modena High School	<ul style="list-style-type: none"> It can be difficult for students that take a heavy course load, trying to get a great GPA to be competitive for college, to have any time to really explore things to find out what they like and what careers they may be interested in.
El Modena High School	<ul style="list-style-type: none"> It is very disappointing that the school pool is still not complete. School bathrooms are not acceptable. Who wants to go to school with roaches? I wouldn't. Some teachers at this school need to retire. They don't care about teaching and school principal hands are tied. [Teacher] is one of them.
El Modena High School	<ul style="list-style-type: none"> It is very important that counselors are friendly, patient, and interested in helping every student. Counselors can be dismissive and impatient which deters the student from returning for guidance.
El Modena High School	<ul style="list-style-type: none"> Mandatory meetings with counselors to discuss future plans and desires including instruction of what is required academically and behaviorally to reach those goals.
El Modena High School	<ul style="list-style-type: none"> Maybe need to pay attention to students who are struggling.
El Modena High School	<ul style="list-style-type: none"> More and easier access to assigned counselor. My daughter has been denied or discouraged from talking to her counselor all three times she's tried this school year. :/ Not sure why, but very frustrating.
El Modena High School	<ul style="list-style-type: none"> More help in helping our son with socialization, and better counseling to ensure preparedness for College but also for NHS, and school recognition (everything coming to us from talking to other parents, not the counselor)
El Modena High School	<ul style="list-style-type: none"> My child is not always informed about college visits to the school, it is more geared to seniors
El Modena High School	<ul style="list-style-type: none"> Need attention paid to the students that are not well connected to school. What system can be put in place to engage all levels of learners? My child has nothing positive to say about school, but also nothing negative, just nothing to say. We need to change this. Thanks!
El Modena High School	<ul style="list-style-type: none"> Pay attention to the struggles my child has. If my child does better with certain teachers and with the way the teach compare to others than they should be put with them to better them selves

El Modena High School	<ul style="list-style-type: none"> Solamente un poco más de platicas para que ellos piensen que quieren estudiar o que profesión deben tomar!! [Just a little more talk so they think they want to study or what profession they should take !!]
El Modena High School	<ul style="list-style-type: none"> Some Teachers really care about their students success others do not care and do not provide the help. Teachers should speak to all students with respect and not judge. The school should look for other methods for student engagement. The athletics Dept. should have a fair selection process.
El Modena High School	<ul style="list-style-type: none"> Start mandatory personal finance requirement (including investing)
El Modena High School	<ul style="list-style-type: none"> Teach accountability and consequences for students, teachers, coaches, administrators, and parents actions. They are learning that money and who you know in a position of power get you what you want and this is wrong. Teach life skills, and right from wrong by example. Adults need to do what's right
El Modena High School	<ul style="list-style-type: none"> Teachers have very little control of students in classes. Bullying is done by students and staff

Villa Park High School	<ul style="list-style-type: none"> Have the career center or college center, if applicable, send out communication to parents of the different scholarship opportunities with deadline dates, internship programs, ROP Program and when college reps will come give presentations at the school at least a week in advance.
Villa Park High School	<ul style="list-style-type: none"> Have volunteers to help students understand and show what they are not understanding in that certain class and help students 2 times a week so that every student will understand and comprehend exactly what each teacher is teaching and that to have better communication.
Villa Park High School	<ul style="list-style-type: none"> horrible service with staff that works with parents from front office to counselors its not because my son has an urge to succeed but unfortunatel the counselor did not do anything for him. he wants to be a doctor and it would have been helpful if the counselor would have taken her time to guide hm
Villa Park High School	<ul style="list-style-type: none"> HS overall doesn't do a good job of preparing our future generation with planning, multi-tasking skills. Candidly overall critical thinking skills. They are woefully unprepared for the real world. I would offer classes - electives to help them.
Villa Park High School	<ul style="list-style-type: none"> I believe the discipline system is quite ludicrous and must be revamped, you guys are sending our children to jail they're teenagers!
Villa Park High School	<ul style="list-style-type: none"> I haven't heard anything about Trade School opportunities. Also, the testing to see where their interests/aptitude lies.
Villa Park High School	<ul style="list-style-type: none"> I think having to sit with the counselors Freshman year to map out classes and when to apply to colleges would have helped.
Villa Park High School	<ul style="list-style-type: none"> I think OUSD needs to do a better job with technology by providing iPads or laptops for students. Tustin unified is far ahead of Orange in this area.
Villa Park High School	<ul style="list-style-type: none"> I think that OUSD can improve on offering PACT and more PSAT opportunities rather than just the one PSAT at school. Some friends in the Yorba Linda District talk about how they can take practice ACT's and we're not offered that.
Villa Park High School	<ul style="list-style-type: none"> I think they should be able to do classes they would like to do in the future as a job sometime. Like nursing, building, cooking, etc. there are many kids that don't know what to do because they don't have hands on experiences.
Villa Park High School	<ul style="list-style-type: none"> I work for cal state fullerton. I would advise more field trips to the local colleges. CSUF has a very good tour I often see school children of all ages attending.
Villa Park High School	<ul style="list-style-type: none"> If possibly graduates to come back and discuss how they transitioned after they graduated from High School.
Villa Park High School	<ul style="list-style-type: none"> Implement ASAP the block schedule like Canyon HS model. It is better for student learning & evens out the workload. Also, to be competitive VP should adopt it bc it can help w/enrollment #s - especially for honors/AP students & for student athletes. Why wait? Writing needs to improve & use tech.
Villa Park High School	<ul style="list-style-type: none"> Improve school technology. I feel this school needs upgrades.
Villa Park High School	<ul style="list-style-type: none"> Increase safety on campus. The amount of student fighting is out of control. Put a stop to in class vaping being ignored by teachers. Provide the same level of support to ALL sports programs equally. Enforce the ineligible rule for all students including "star" athletes.
Villa Park High School	<ul style="list-style-type: none"> It seems as if everyone is too busy to really take time to effectively push/guide/incent good students to become great students. Seems like more guidance counselors and/or "coaches" are needed.

OUSD LCAP 2019-20 Parent Survey Summary – February 2020

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
Villa Park High School	<ul style="list-style-type: none"> It would be helpful to do field trips to some of the local universities for campus tours. I think a big concern for college bound students is how to pick a major. More career exploration would help narrow the confusion.
Villa Park High School	<ul style="list-style-type: none"> Keep up doing a great job. Remember that's the kids come first
Villa Park High School	<ul style="list-style-type: none"> Lower class sizes (too many have 30+ to over 60 & disruptive) Help teachers with any necessities. Strengthen internet/network throughout it affects greatly the teachers & students daily. Air conditioning/heating adequately in all classrooms. Teens need more academic encouragement. Positive attitudes
Villa Park High School	<ul style="list-style-type: none"> Make the campus safe. Put a fence around the campus.
Villa Park High School	<ul style="list-style-type: none"> Meeting with their councilors more than once a year. There was no one to offer guidance through the year, no one on one with the student.
Villa Park High School	<ul style="list-style-type: none"> More focus on smart kids who are struggling, particularly freshmen who are having difficulty transitioning to high school. There is a need for parent volunteer opportunities that are not part of official PTSA. It would be great to have a VPHS Foundation to support the school and its activities.
Villa Park High School	<ul style="list-style-type: none"> More guidance on college planning, how to get financial aide, scholarships
Villa Park High School	<ul style="list-style-type: none"> More info available to students & families for college applications, scholarships, and time frame involved for those would be helpful.
Villa Park High School	<ul style="list-style-type: none"> More practical classes and electives for special needs teens.
Villa Park High School	<ul style="list-style-type: none"> more robust counseling sessions for those students who plan to go to college. What they need to do and when in their freshman-senior year. My student is an AP and honors student and is on the college path and has seen her counselor 2x over the past 3 years. The rest we figure out on our own.
Villa Park High School	<ul style="list-style-type: none"> My child does not feel safe at VPHS
Villa Park High School	<ul style="list-style-type: none"> My child is on a 504 plan and I don't feel he is getting the attention he needs. There is 0 communication from the school to us even though he is doing poorly in all classes. Some of the accommodations we asked for we were told were not available but we know that they are. Not impressed at all.
Villa Park High School	<ul style="list-style-type: none"> My child should not have to use their phone at school in order to complete assignments. Thanks
Villa Park High School	<ul style="list-style-type: none"> My child strives to do well in all his classes. He is internally motivated. He enjoys his teachers. If he needs help, he will ask a teacher or a friend. I think Vphs is doing a good job preparing my child for college.
Villa Park High School	<ul style="list-style-type: none"> My Children are thriving in the High School environment. Many opportunities are given and open to new people trying for the first time. The staff is excellent and caring. Our counselor Mr. Pham has been available and flexible.
Villa Park High School	<ul style="list-style-type: none"> My son graduated from Orange County School of the Arts (OCSA). One of the many things they did right is dedicated part of composition class to writing and fine tuning college essays.
Villa Park High School	<ul style="list-style-type: none"> My son has two teachers that regularly fail to update grades/assignments. This has been dissapointing. He is regularly an A student and in both of these classes has ended up with a C+. Students should have the ability to know how they are doing in a timely fashion so that they may correct things.
Villa Park High School	<ul style="list-style-type: none"> Need better discipline. Kids are vaping in class and in the bathrooms, and kids are regularly offered marijuana edibles on campus. Bringing the dogs back on campus has really helped.

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
Villa Park High School	<ul style="list-style-type: none"> • Need of an accounting class, life choice and consequence type of class, life survival in all environments.
Villa Park High School	<ul style="list-style-type: none"> • Need to have more classes that focus on money management and banking
Villa Park High School	<ul style="list-style-type: none"> • No communication on how my student is doing, or how they could do better. Don't even know when there are min days or no school days until morning of. I don't feel my student has access to any the items questioned about in this survey. If avail, again no communication from school about it.
Villa Park High School	<ul style="list-style-type: none"> • Not sure if they already do, but they should have trade schools (Fidm, UTI, nursing, etc..) come on college days.
Villa Park High School	<ul style="list-style-type: none"> • Offer a course of leadership or team building. Possibly make it mandatory for juniors or seniors to prep them for job placements and/or life experiences. This can help a reserved/quiet child or any child gain confidence in communicating and sharing ideas instead of being shy or embarrassed.
Villa Park High School	<ul style="list-style-type: none"> • Offer more tutoring
Villa Park High School	<ul style="list-style-type: none"> • Our overscheduled kids need to organize and prioritize. The days of teachers assigning last minute assignments is long gone. Teachers need to get on board with these new challenges and allow kids to plan
Villa Park High School	<ul style="list-style-type: none"> • Partner with local businesses and have them inform students what they are looking for in new employees when it comes first to experience and second educational requirements.
Villa Park High School	<ul style="list-style-type: none"> • Please allow/encourage student to create study clubs. Good students could help the low performing students. This will be mutually beneficial for both sides, voluntary experience counted toward college resume while helping other to improve grades. This also help the VP HS to improve its performance.
Villa Park High School	<ul style="list-style-type: none"> • Please offer more than one college admission presentation and do more noticing.
Villa Park High School	<ul style="list-style-type: none"> • Promote the importance of college to students and parents. Provide reading material that help us understand how to help our children get ready for college.
Villa Park High School	<ul style="list-style-type: none"> • Provide a football field and a gym for student to participate. My son has never played on the football field here.
Villa Park High School	<ul style="list-style-type: none"> • Provide more emotional support due to bullying, violence, & criticism are more around them, then ever before. Counseling is a great source to know where my child wants to be led & provide her with the correct information towards what she needs.
Villa Park High School	<ul style="list-style-type: none"> • Provide safer schools and upgrade buildings, classrooms, etc. Enclose schools so they are not accessible to intruders. Counseling needs to meet more regularly with students to prepare them for college. Allow sophomores to park in lot so they don't have to cross busy streets. Lot is never full(VP)
Villa Park High School	<ul style="list-style-type: none"> • Que exista mas comunicacion entre os estudiantes y los consejeros, para que sepan que clases o recursos necesitan para ir al colegio o a la universidad. [That there is more communication between the students and the counselors, so that they know what classes or resources they need to go to college or university.]
Villa Park High School	<ul style="list-style-type: none"> • Que los preparen a los ninos de la escuela para la universidad. [That they prepare them to the children of the school for the university.]
Villa Park High School	<ul style="list-style-type: none"> • Realize alot of students but they need to contact parents also it is the parents responsibility to. If students are struggling other than report cards.

OUSD LCAP 2019-20 Parent Survey Summary – February 2020

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
Villa Park High School	<ul style="list-style-type: none"> Rigid discipline, and encouragement to be a better person...
Villa Park High School	<ul style="list-style-type: none"> Send parent emails weekly or monthly at the latest with upcoming events or resources, so we can help encourage our kids as they learn to become an adult and be responsible for their own path. Helps us to stay in the know.
Villa Park High School	<ul style="list-style-type: none"> Some kids are so consumed and stressed with achieving high scores and grades for college acceptance that they don't have time to consider, let alone, engage in much else. I feel there should be mandatory time set aside to focus on social skills and leadership.
Villa Park High School	<ul style="list-style-type: none"> Some of the teachers have been teaching for a very long time, and are not up to date on newer technologies or events that can make their individual teaching experiences more interesting to the student. Maybe go outside the box and engage more with their students instead of going by text books.
Villa Park High School	<ul style="list-style-type: none"> Some programs are only available by word of mouth, after it's happened, by a select group of VP residents. There should be official announcement from the school (ie. Mock trial). Also very challenging to get assistance from school, outside of regular, if child is struggling.
Villa Park High School	<ul style="list-style-type: none"> Students need to have a campus that is not eroded physically, temperamental relative to infrastructure and so singularly focused on athletics. Football (sports) should not have the presence that it does. Assemblies for sports teams, pep rallies for sports teams, millions of dollars spent.
Villa Park High School	<ul style="list-style-type: none"> Teachers that care about the students and counselors that know how to counsel.
Villa Park High School	<ul style="list-style-type: none"> Teaching of the course material needs to improve. Although some teachers are invested in teaching, others are checked out and make little to effort to engage and support students. My child and I find it difficult to get the academic support needed to ensure success.
Villa Park High School	<ul style="list-style-type: none"> The Coaches for the athletic organization in which my child is participating stresses athletics over academics. My child has been told to "skip math or English" but don't skip practice. Exceptions are made to keeping athletes on the team with lower than a 2.0 because of the "needs of the team".
Villa Park High School	<ul style="list-style-type: none"> -The facilities are ancient! A new science building? Only scratches the surface. -District is wasting money with science buildings. -The field remains a mess -The campus needs to be more secure; Gates needed -The Football Team is an atrocity. Kids on drugs & breaking rules. Adults look other way
Villa Park High School	<ul style="list-style-type: none"> The facilities at VPHS are terrible. 1 new building is nice but the condition of the other buildings is very poor. Fix what is broken! Especially the athletic field. 3rd gen family attending VPHS and it looks EXACTLY the same. Dr. Miller, however, is an amazing principal and Jason Pham is gr8 too!
Villa Park High School	<ul style="list-style-type: none"> The school consistently failed my children in the misrepresentation of requirements needed for graduation. All of my students were told what was needed for entry into a 4-year college. These requirements differ from those needed to graduate. Present ALL paths to graduation. LET THE STUDENT CHOOSE!

OUSD LCAP 2019-20 Parent Survey Summary – February 2020

School	What other ways can OUSD improve your child's or children's educational experience that will help them be college and career ready? (300 character limit)
Villa Park High School	<ul style="list-style-type: none"> The school should have the staff prepare the students for college. I see no real preparations for the transition to college. I. E. What are the requirements for the universities. I lived overseas for some time. And from day one the kids are preparing for college. From passing the interest exams.
Villa Park High School	<ul style="list-style-type: none"> The teachers need to teach and not rely on computers to teach the kids. Also the teachers should return homework and tests in a timely manner so the child can learn from their mistakes. Give classes on real world applications such as writing checks, balancing check books, buying car ins., health ins
Villa Park High School	<ul style="list-style-type: none"> There is no support for students striving to attend big universities. It has been said that is the parents responsibility. More concern on "bad" kids than fostering the process of applying to college. Vaping is out of control! Instruction with rigor is lacking. No continuum between grade levels.
Villa Park High School	<ul style="list-style-type: none"> There needs to be an understanding with teachers, most probably are aware, that not all children learn/comprehend in the same manner. My child, in one class was having the hardest time learning lessons. Once moved to another class/teacher he picked it up. Very important for teachers to help if needed
Villa Park High School	<ul style="list-style-type: none"> They need more computer classes and workshops
Villa Park High School	<ul style="list-style-type: none"> Todo está bien [Everything is fine]
Villa Park High School	<ul style="list-style-type: none"> Trade classes will help students find what they want to do early on and provide items and services that the school or programs need like podiums or fixing the band's box truck when it needs fixed.
Villa Park High School	<ul style="list-style-type: none"> Up the counseling program. Re-evaluate who are the counselors, some are much better than others. Parents should not have to pay out of pocket for private college counseling. Help with personal statements, proof reading, etc. Info and help on best ways to get into top colleges when they are freshmen
Villa Park High School	<ul style="list-style-type: none"> Very disappointed with the Districts/schools handling of construction at Villa Park this year. It seems the district went with low bid instead of best for the job. We continually hear it's unforeseen circumstances, a good reputable company plans for those things and doesn't take over a year to fix.
Villa Park High School	<ul style="list-style-type: none"> Villa Park is a wonderful school and doing a great job! Thank you!
Villa Park High School	<ul style="list-style-type: none"> Vocational training for kids who don't want to go to college.
Villa Park High School	<ul style="list-style-type: none"> VPHS is an amazing high school that offers all students the opportunity to succeed. There should be more emphasis on all the colleges the past students have attended. This will give the current students the confidence that VPHS is the path to a college of their choice.
Villa Park High School	<ul style="list-style-type: none"> We love Villa Park High School!!!!
Villa Park High School	<ul style="list-style-type: none"> When a parent actually reaches out with a concern, maybe, I don't know, look into it. I'm far more disappointed in Villa Park HS than any other pathetic public school my child had attended. I reached out for support and was told my concerns were not valid. Villa Park = basic standards.
Villa Park High School	<ul style="list-style-type: none"> You can stop letting the football team play players without having the grades to be on field. Some of these kids do not have the grades nor have they been to class or attend regularly if at all. The fighting has made me question the safety of my student and the drug use is rampant. Ran out of space

Anaheim Hills Elementary	<ul style="list-style-type: none"> Not an answer to the above question, but the main office secretaries at AHES are not friendly whatsoever (for years). Many other parents and I have discussed this and both secretaries need training in social skills and need to be taught how to smile and speak to parents in a friendly manner!
Chapman Hills Elementary	<ul style="list-style-type: none"> Teachers are great, the administration is lacking especially the front office Secretary.
Chapman Hills Elementary	<ul style="list-style-type: none"> The secretary is spiteful and unapproachable. The principle is unreceptive to criticism and does not take the well being of my kids to heart.
Crescent Elementary	<ul style="list-style-type: none"> Remove Mrs. Simonson from the school. She has NO patience to teach and clearly does not enjoy her job. I have expressed my concerns to the principal and was dismissed with her saying that she was an excellent teacher. I was assured she would have the teacher address concerns w/me & NOTHING was done.
Fairhaven Elementary	<ul style="list-style-type: none"> BETTER FOOD!!!! AND MORE NICER SUPERVISORS AT THIS SCHOOL BECUSE THERE IS ONE SUPERVISOR MRS.CUENTAS IS REALLY RUDE AND GIVES REALLY BAD! COMMENTS TO THE KIDS!! uhhh!
La Veta Elementary	<ul style="list-style-type: none"> Many Teachers at La Veta are mature in age, disgruntled, disconnected from the needs of the child and verbally acknowledging they'd like to retire and do not agree with the curriculum. The front desk woman, is a nightmare, impossible to communicate with and rude. The atmosphere feels toxic.
La Veta Elementary	<ul style="list-style-type: none"> This year they let go of a good K teacher, Ms De Torres, and had Mrs Racine replace her, a teacher who has not taught Kinder for years, who was not prepared for this change. I was really disappointed to learn that my kids home school is now rated higher than La Veta.
Lampson Elementary	<ul style="list-style-type: none"> Before they hired someone make sure they have they right skills to perform they job they going to be assigned too. For example the Principal of Lampson doesn't perform the job the way he should. he doesn't have the skills and the mentally he have it's on his own benefit and not the students . thanks
Lampson Elementary	<ul style="list-style-type: none"> Office Manager really rude & racist
Lampson Elementary	<ul style="list-style-type: none"> Office staff is rude
Lampson Elementary	<ul style="list-style-type: none"> Sra. Melinda es grosera con los hispanos [Mrs. Melinda is rude to Hispanics]
Lampson Elementary	<ul style="list-style-type: none"> The office manager is rude and unprofessional
Lampson Elementary	<ul style="list-style-type: none"> The women that doesn't speak Spanish in the front office is very rude an racist with parents
Linda Vista Elementary	<ul style="list-style-type: none"> Great school. It seems though we have less technology tools than some other schools in the area. Most of the teachers are really good with the exception of Mrs. Peal. The Principal and school nurse are great.
Linda Vista Elementary	<ul style="list-style-type: none"> My child teacher (Mrs. Bramel) provides ZERO structure in her classroom. Especially with kindergartens, structure is a MUST.
Cerro Villa Middle School	<ul style="list-style-type: none"> The STEAM class needs improving to be more excited than it is instructed now. It supposed to be a fun class to take. Mr. Pedersen's PE standard at CV should be re-evaluated. His standard is too high for a regular PE. Being fit is good but not suited for a regular PE. It suited for a boot camp.

El Rancho Charter Middle School	<ul style="list-style-type: none"> The communication from this school to Parents is the worst I have ever seen. The principal, Michelle Walker is MIA. She leaves the handling of the school to the counselors, even when there is a serious situation such as bullying or hospitalization, Walker doesn't even respond to emails. Terrible!
McPherson Magnet (6th-8th)	<ul style="list-style-type: none"> I dont like the principal very mean yells at kids and is very harsh
Canyon High School	<ul style="list-style-type: none"> Need legitimate engagement! All kids should be free from administration bullying- each kid motivated to learn. Adult negligence, and laziness is the new norm in OUSD. All of our kids have been harmed by OUSD athletic coaching, and "counseling" negligence Abercrombie needs to get off his
El Modena High School	<ul style="list-style-type: none"> I am so disenchanted with the principal at El Modena. PLEASE get someone with true leadership skills in there. I know students do not like her and the staff has little respect for her. That's a bad formula for a school.
El Modena High School	<ul style="list-style-type: none"> I haven't been impressed with ElMo. My son regrets his choice to attend ElMo over VP. Renovating the stadium before the dilapidated classrooms is a huge disappointment. Coming from McPherson, ElMo feels like a giant step down in caliber. Ms Netherton leaves a lot to be desired as well-Very hands off
El Modena High School	<ul style="list-style-type: none"> It is very disappointing that the school pool is still not complete. School bathrooms are not acceptable. Who wants to go to school with roaches? I wouldn't. Some teachers at this school need to retire. They don't care about teaching and school principal hands are tied. Ms. Shelby is one of them.
El Modena High School	<ul style="list-style-type: none"> The principal needs to be more interactive with parents , she needs to be outside when students come and leave her precense is important. She needs to step out of her office and be more outgoing and interactive. Mr. D. At Santiago is an excellent principal always on the look out and alert..
