ARTICLE I RECOGNITION

- 1.1 The Board recognizes the Association as the sole and exclusive representative for the purpose of collective bargaining, pursuant to Title 21, Section 1721-1734 of the Vermont Statutes Annotated, of Associations consisting of all Para-Educators employed by the Board.
- 1.2 Unless otherwise indicated, the employees in the above Associations will be hereinafter referred to as “Para-Educators”.

ARTICLE II RIGHTS OF THE BOARDS

- 2.1 In recognition of the fact that the laws of the State of Vermont vest responsibility in the Board for the quality of education in, and the efficient and economical operation of the Barre Unified Union School District, it is herein agreed that, except as specifically and directly modified by express language in a specific provision of this contract, and subject to all non-delegable and fiduciary responsibilities as mandated from time to time by Vermont and federal law, the Employer retains all rights and powers that it has, or may hereafter be granted by law.
- 2.2 The Board’s exercise of any management right or function in a particular manner shall not preclude the Board from exercising the same right or function in any other manner which does not expressly violate a specific written provision of this Agreement. The Board’s failure to exercise any right or function reserved to it shall not be deemed to be a waiver of its right to exercise such right or function at any future time.

ARTICLE III ASSOCIATION SECURITY

- 3.1 The Board hereby agrees that every Para-Educator has the right to organize, join, and support the Association and its affiliates for the purpose of engaging in collective bargaining and other activities for mutual benefit. The Board agrees that the Board shall not directly or indirectly discourage or deprive or coerce any Para-Educator in the enjoyment of any rights conferred under Chapter 20 of the Vermont Statutes Annotated,

the Constitution of Vermont and the United States, that the Board shall not discriminate against any Para-Educator with respect to hours, wages, or any terms or conditions of employment by reason of Para-Educator's membership in the Association and its affiliates, Para-Educator's participation in any activities of the Association and its affiliates, collective bargaining with the Board or Para-Educator's institution of any grievance, complaint, or proceeding under this Agreement or otherwise with respect to, any terms or conditions of employment.

- 3.2 No Para-Educator who has completed the Para-Educator's probationary period will be disciplined, suspended or terminated arbitrarily and/or without procedural due process or without just cause.
- 3.3 Every newly employed Para-Educator shall serve a probationary period of ninety-two (92) working days. If the Para-Educator is hired during the second half of the school year, this probationary period will extend into the following school year. For the purpose of this Agreement, a newly employed Para-Educator is a person with no previous employment as a Para-Educator with the Barre Unified Union School District, or a person rehired as a Para-Educator after termination for any reason except illness, accident, leave of absence, or layoff is reemployed within eighteen (18) months from the July 1 following date of layoff. It is understood and agreed that during the probationary period, a Para-Educator will not be covered by the provisions of this contract.
- 3.4 Whenever a Para-Educator is required to meet with any Supervisor or Administrator on a matter pertaining to discipline, reprimand, suspension or termination of employment, the Para-Educator shall be given prior written notice, if possible, of such appearance with the reason(s) for, the date, hour, and place of such meeting. The Para-Educator shall be entitled to have representation of the Association present at such meeting.
- 3.5 Upon receipt of a validly executed authorization form, the Board agrees to deduct from the wages of the Para-Educator covered by this Agreement those dues so authorized by the Association as said Para-Educator voluntarily authorizes the Board to deduct. Dues deduction authorization shall be continuous from year to year in accordance with a validly executed authorization form. Such deductions shall be made in substantially equivalent amounts. To qualify for such dues deduction, a Para-Educator must submit an authorization form to the Superintendent. The monies, with a record of dues deduction, shall be transmitted to the treasurer of the Association according to a schedule agreed to by the parties. When a new Para-Educator is hired, the board will provide that new Para-Educator's name to the Association in writing within thirty (30) days of the date of hire, in accordance to 11.6. Should a Para-Educator cease payroll deductions for Association membership, the Board will provide that Para-Educator's name to the Association in writing within thirty (30) days of notification to cease deductions.
- 3.6 No material derogatory to a Para-Educator's conduct, service, character or personality, except personal pre-employment references relating to the Para-Educator's personnel file without just cause or without the Para-Educator having an opportunity to review such material.

The Para-Educator will acknowledge that the Para-Educator has had a chance to review such material by affixing the Para-Educator's signature to the copy to be filed with the express understanding that such a signature in no way indicates agreement with the contents thereof.

The Para-Educator will also have the right to submit a written answer to such material and the Para-Educator's answer will be reviewed by the Superintendent or Superintendent's designee and attached to the file copy.

ARTICLE IV EMPLOYMENT RIGHTS

- 4.1 The Association will be notified of the anticipated and budgeted Para-Educator positions by April 1 or within thirty (30) days of the date the budget passes; a portion of these positions may be contingent for needs that may develop after the initial issuance of contract letters. Contract letters for known positions shall be sent to Para-Educators no later than May 1st and shall be returned to the Office of the Superintendent no later than May 16th, or the first regularly scheduled school day following May 16th if the 16th is not a scheduled school day. Any non-student day on which the Para-Educator is expected to work will be defined when the District calendar is issued. The provisions of Article 4.4 shall prevail with respect to reduction in force. The final date for return of contracts is fifteen (15) calendar days from the date of issuance.
- 4.2 Each individual contract letter shall be uniform and exclusively include the name of the Para-Educator, the duration (school year) of the contract letter, the hourly rate, the hours per day, the days per year, the exempt status, the name and location of the position (i.e.; Para-Educator – *location* – SPED or Library or Clerical or blank), and the seniority date of the Para-Educator.
- 4.3 The Association and those affected Para-Educators will be informed of any reduction of Para-Educator positions resulting from managerial prerogative, notwithstanding the provisions of Article 4.1 of this Agreement, with a minimum of two (2) weeks notice.
- 4.4 If turnover and attrition fails to adequately reduce the staff, Para-Educators shall be laid off in reverse order of seniority, provided the remaining Para-Educators are qualified, as determined by the administration, to perform the duties required of the remaining position(s). Before determining whether the remaining Para-Educators are qualified to perform the duties of the available jobs, the administration will consult with the teacher(s) most directly involved with the remaining positions.
- 4.5 Seniority will be computed from the beginning of the ParaEducator's most recent period of continuous employment and will begin to accrue as of that date. Seniority will not be broken by unpaid leaves of absence; but such time will not be counted in computing seniority. When seniority is equal, ability to perform the work will be the deciding factor.

- 4.6 If there is a vacancy in a Para-Educator position, Para-Educators who were laid off will be recalled in reverse order of layoff. A laid off Para-Educator shall retain job recall rights for eighteen (18) months following the effective date of layoff provided, the Para-Educator maintains an active employment file with the Superintendent's Office. A Para-Educator who is recalled from a layoff will retain all benefits accrued at the time of layoff. A Para-Educator may refuse recall to a position and continue on the recall list. Said refusal shall not alter a Para-Educator's recall rights. A Para-Educator who is recalled from a layoff will retain all sick leave benefits and retain the Para-Educator's wage schedule placement at the time of layoff.
- 4.7 A laid off Para-Educator who has been recalled to fill a position must accept the position by notifying the administration within ten (10) calendar days of the written recall notice, and the Para-Educator must be available to occupy the position within fourteen (14) calendar days of the original written recall notice. If the recalled Para-Educator accepts the position and fails, without just cause, to report for work within the fourteen (14) calendar days, the Para-Educator shall forfeit all recall rights. Non-acceptance of a position by a Para-Educator on the recall list shall not diminish the Para-Educator recall rights under this Article. The time limits set forth in this section, 4.7, may be extended at the discretion of the administration.
- 4.8 No Para-Educator shall be laid off under the provision of this Agreement if the reduction can be accomplished through attrition.
- 4.9 Vacancies, which are not filled in accordance with Article IV of this Agreement, shall be processed in accordance with Article VI, vacancies and/or reassignments, of the Agreement.
- 4.10 Members of the bargaining unit shall have proper training, as a part of their employment, if asked to work with students who have a history of physical behaviors/aggression or are on behavior plans. This is to protect the safety of both the Para Educators and the students.
- 4.11 Para-Educators will report any hazardous or unsafe working conditions to the Administration. The Administration will address the issue using appropriate protocols. Staff will be notified of the outcome in a timely fashion.
- 4.12 When the absence of a Para-Educator is due to an action at law against the Para-Educator based on alleged actions or omissions which are within the scope of the Para-Educator's employment, such absence shall not be deducted from any contracted salary or leave. The Board shall provide full legal support and assistance to the extent, and subject to the conditions of, the liability insurance coverage provided by the Board pursuant to 16 VSA §1756.
- 4.13 On the authorization of the Superintendent, the Board will reimburse Para-Educators for

any loss, damage, or destruction of clothing or personal property (including motor vehicles) of the Para-Educator occurring while the Para-Educator is acting in the discharge of the Para-Educator's duties. Report of such damage will be made to the Superintendent as soon as possible following discovery of the damage. The Superintendent's determination as to whether or not the damage is eligible for the reimbursement provisions of this article will be final, and not subject to grievance under the terms of Article Five of this contract.

- 4.14 Para-Educators shall immediately report cases of assault suffered by them in connection with their employment to the principal or other immediate supervisor. Such notification shall immediately be forwarded to the superintendent, who shall comply with any reasonable request from the Para-Educator for information in the possession of the superintendent relating to the incident or the person or persons involved, except such information, the dissemination of which is restricted by law. Nothing in this provision, however, shall be construed to abridge the right of a Para-Educator to seek redress at law.
- 4.15 The Board shall give support to the Para-Educator to the extent of policy limits including reasonable legal fees and other costs of court action brought by parents or other citizens against the Para-Educator while said Para-Educator is acting in the discharge of the Para-Educator's duties within the scope of the Para-Educator's employment.
- 4.16 The Para-Educators recognize that in cases of emergency the health and safety of the students is their prime responsibility and they must act accordingly. However, except in an emergency, medical services will be delivered to students only by qualified medical personnel or a person trained by qualified medical personnel.

ARTICLE IV GRIEVANCE PROCEDURE

5.1 Definitions

A. A "grievance" is a claim by a Para-educator or Para-educator (s), and the Association that there has been a violation, a misinterpretation, or a misapplication of the terms of this Agreement, or a violation of the right to fair treatment with regards to the application of the provisions of this Agreement. However, only a grievance that alleges a violation of the written provisions of this agreement may be advanced to arbitration.

B. An aggrieved person is the person or persons or Association(s) making the claim.

C. Time Limits: All time limits consist of school days during the school year. Time limits during the summer vacation consist of workdays, Monday through Friday.

D. Association Representation: Upon selection and certification by the Association, the corresponding Board will recognize the Association grievance officer or

committee. At least one Association representative may, at the option of the Association, be present for any meeting, hearing, appeals or other proceedings relating to a grievance which has been formally presented. The Association must notify the administrator involved, in writing, of its intent to be present or not be present at any such proceeding. Nothing herein contained will be construed as limiting the right of any Para-educator having a grievance to discuss the matter informally with the Para-Educator's supervisor, and having the grievance addressed without intervention of the Association, provided the Association has been notified and any resolution is not inconsistent with the terms of this Agreement.

E. The grievant shall, at all steps in the formal grievance procedure, be entitled to be represented by the Association or by such other representative as the grievant may choose, except that at no time shall the grievant be represented by an administrative official of the school district. Nothing herein shall be construed to interfere with the Association's right and responsibility to ensure compliance with this agreement.

5.2 Procedure

The parties acknowledge that it is most desirable for any Para-Educator and the Para-Educator's immediately involved supervisor to resolve problems through free and informal communications. When requested by the Para-educator, the Association representative may intervene to assist in this resolution. However, should such informal processes fail to satisfy the Para-educator or the Association, then a grievance may be processed as follows:

Step 1 The Association shall present the grievance, in writing, setting forth the problem(s) being grieved, citing any alleged contract violation, and stating the redress sought, to the school Principal, who will arrange to meet within seven (7) days with the parties. The Association's representative, the aggrieved Para-educator, and the Principal (all with or without representation) shall be present for the meeting. The Principal shall provide to the grievant and the Association a written decision within seven (7) days after such meeting, setting forth the reasons for the decision. No grievance will be given formal consideration unless it is filed at Step 1 within twenty-eight (28) days after the grievant had knowledge of the occurrence that gave rise to the grievance.

Step 2 If the grievance is not resolved at Step 1 or if a Step 1 time limit expires without the issuance of the Principal's written decision, then the Association may refer the grievance to the Superintendent or official designee within seven (7) days after the Step 1 decision was due or received. The Superintendent shall arrange for a meeting with the grievance representative(s) of the Association and the aggrieved Para-educator(s) to take place within fourteen (14) days of the receipt of the appeal. Each party shall have the right to include in its representation such witnesses and counselors as it deems necessary to establish facts pertinent to the grievance. Upon conclusion of the hearing, the Superintendent will have seven (7) days in which to provide the Superintendent's written decision to the respective parties to the grievance.

Step 3 If the grievance is not resolved at Step 2 or if a Step 2 time limit expires without the issuance of the Superintendent's written decision, the Association may refer the grievance to the governing School Board or Boards within fourteen (14) days after the Step 2 decision was due or received. The Board shall arrange for a meeting within fourteen (14) days after the receipt of the appeal. Each party shall have the right to include in its representation such witnesses and counselors as it deems necessary to develop facts pertinent to the grievance. Upon completion of the meeting, the School Board will provide a written decision to the Association within fourteen (14) days.

Step 4 Arbitration - If the grievance is not resolved at Step 3, or the Step 3 time limits expire without the issuance of the School Board's written answer, then the Association on behalf of the grievant may submit the grievance to arbitration. If a demand for arbitration is not filed with the Superintendent of Schools within twenty-one (21) days of the date that the School Board's Step 3 decision was due or received, then the grievance will be deemed to be withdrawn. The Association or its representative and the Board or its representative shall seek to mutually agree upon the person of an arbitrator. If agreement cannot be reached within ten (10) days, the Association may refer the matter to the American Arbitration Association (AAA) under their Voluntary Labor Arbitration Rules. Referral to the AAA must occur no later than twenty-one (21) days from the date of the demand for arbitration.

- 5.3 During the period of time when arbitration is taking place, neither the Board(s), the grievant, or the Association(s) shall unilaterally issue any public statement concerning the matter under arbitration. The decision of the arbitrator shall be final and binding upon the parties.
- 5.4 Neither the Boards nor the Associations will be permitted to assert any grounds or evidence before the arbitrator that was not previously disclosed to the other party.
- 5.5 The arbitrator shall have no power to alter the terms of this Agreement.
- 5.6 Each party shall bear the full costs for its representation in the arbitration. The cost of the arbitrator and the AAA shall be divided equally between the parties. Should either party request a transcript of the proceedings, then that party will bear full costs for the transcript. Should both parties order a transcript, then the cost of the two transcripts will be divided equally between the parties.
- 5.7 The Board acknowledges the right of the Association's grievance representative to participate in the processing of a grievance at any level and no Para-educator shall be required to discuss any grievance if the Association's representative is not present.
- 5.8 Provided the Association and Superintendent agree in writing, Step 1 and/or Step 2 of the grievance procedure may be bypassed and the grievance brought directly to the next step. Class grievances involving an administrator above the school Principal level may be filed by the Association at Step 2.

- 5.9 No reprisals of any kind will be taken by the Board(s), the administration or the Association(s) against any Para-educator because of the Para-Educator's participation in this grievance procedure.
- 5.10 The Board(s), administration, and Association(s) will cooperate with one another in their investigation of any grievance, and further, will furnish one another with such information as is required for the processing of any grievance. Notwithstanding the previous sentence, no grievance shall be processed during assigned working hours unless approved by the administration. If so approved, the grievant, the Association representatives and the witnesses shall be released from duties without loss of pay or benefits. Under no circumstances shall students who are minors be involved in the hearing of, or resolution of, any grievance unless prior written consent from a parent or a guardian is filed with the office of the Superintendent.
- 5.11 All documents, communications and records dealing with the processing of a grievance will be filed. All disagreements, communications and records dealing with processes of a grievance will be filed with all parties involved in the three steps of the grievance procedure. The official record is to be filed in the Superintendent's office. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.
- 5.12 A grievance may be withdrawn at any level without establishing precedent.
- 5.13 Time limits and/or procedures may be changed in the above Article if both sides mutually agree in writing.

- b. During the period from the beginning of the special assignment to the beginning of the next school year, the Para-Educator's former position will be filled, if needed, on a temporary basis by an individual from outside the bargaining unit. The temporary Para-Educator who is hired shall receive salary and benefits in accordance with the Agreement, but the Para-Educator shall not have the right to employment for the next school year, nor will the Para-Educator have the right to layoff and recall as provided in Article IV of this Agreement.
- c. If the special assignment position is terminated or the Para-Educator who accepted the position requests a return to the Para-Educator's previous assignment prior to the beginning of the next school year, the Para-Educator shall be returned to said former assignment with no loss of salary, benefits, or seniority. If, however, the Para-Educator elects to continue the special assignment during the ensuing school year, the Para-Educator shall forfeit all rights to the Para-Educator's former position, but the Para-Educator shall retain all seniority and displacement rights provided in this Agreement.
- d. If the temporary Para-Educator is employed by the district for the ensuing school year without a break in service, the Para-Educator shall be covered by the terms of this Agreement and receive seniority retroactive to the commencement of the Para-Educator's employment.
- e. If a Para-Educator is working with an individual student and that student leaves the district they will be treated as follows:
 - 1. If the Para-Educator is employed in this district for the first time and the Para-Educator is in the first year of employment, he/she may be laid off as soon as the individual student leaves. The Para-Educator will assume recall rights for the amount of seniority accumulated. If the student leaves at the end of that year, the Para-Educator may be laid off or may bump depending upon seniority status.
 - 2. Any Para-Educator who has been in the district for more than one year will be guaranteed a job for the remainder of the year. The Board has full discretion to place the Para-Educator for the remainder of the year. A Para-Educator in this position may be laid off at the end of the school year or bump another Para-Educator in the same category depending on seniority.

The Administration will give the Association a one-week notice of such changes or modifications. The Administration shall provide any necessary training/support for the Para-Educator to succeed in the new/newly modified position. Procedures in Article 6.2

In the event an employee elects dependent coverage (two person, parent/child, family) the employee is responsible for the first \$400 of OOP costs, after which the Board will contribute

\$2,100 towards OOP costs through an HRA, and the employee will be responsible for any remaining OOP costs required for the level of coverage selected.

Employees electing single coverage are responsible for the first \$1,000 of OOP costs required and the Board will fund the remaining OOP costs up to \$2,100. In the event an employee elects dependent coverage (two person, parent/child, family) the employee is responsible for the first \$1,000 of OOP costs, after which the Board will contribute \$2,100 towards OOP costs through an HRA, and the employee will be responsible for any remaining OOP costs required for the level of coverage selected.

Silver Plan: Maximum out of pocket (OOP) costs of \$4,000 single coverage, \$8,000 other coverage. Employees electing single coverage are responsible for the first \$1,900 of OOP costs required and the Board will fund the remaining OOP costs up to \$2,100. In the event an employee elects dependent coverage (two person, parent/child, family) the employee is responsible for the first \$1,900 of OOP costs, after which the Board will contribute \$2,100 towards OOP costs through an HRA, and the employee will be responsible for any remaining OOP costs required for the level of coverage selected.

Payments for eligible OOP charges incurred will be made automatically to the Provider whenever possible; the District may also issue debit cards to facilitate such payments. In the event the HRA administrator is unable to make payments directly to providers, payments will be made directly to the employees when deemed necessary by the HRA parameters. In that case employees will be responsible for paying the providers directly. Payments to employees will be made electronically; employees will provide the

necessary bank information to effectuate electronic payments. The Parties understand and agree that the use of debit cards and automatic payment options are only available in cases where the employee has established a Flexible Spending Account (FSA) under the BSU Flexible Spending Account (FSA) document from which payment for the employee's share of OOP payments can be made. The BSU Flexible Benefits Plan document will allow employees to roll over funds in the employee's FSA from one calendar year to the next to the extent allowed by law.

Unspent funds in the HRA will not rollover or accumulate from year to year, but will revert to the Board, subject to a ninety (90) day run out period.

Funds in the HRA will be available and may be used solely to pay for qualified medical and prescription drug expenses that track towards the annual deductible, co-payment or co-insurance expenses required by the Plan selected.

The Board will be responsible for the administrative costs of operating the HRA plans. Any substantive or procedural issue related to the operation or administration of the HRA Plan not addressed herein is left to the discretion of the District.

For the period January 1, 2021 through December 31, 2022 and beyond, the Board shall offer health insurance as defined by 16 V.S.A. This section is contingent upon the approval of the respective insurer and the timely payment of premiums by the former Para-Educator.

- 8.5 The Boards will provide VEHI Delta Dental Insurance coverage for all Para-Educators at 50% Board contribution, plans A, B, and C. Two-Person or Family coverage may be purchased by the Para-Educator for the difference between the Boards' percent (50%) contribution and the cost of the two-person or family plan.
- 8.6 The Boards shall provide and pay the premium for a term life insurance policy for each Para-Educator in the amount of twenty-five thousand dollars (\$25,000).
