November News

Our students' safety is always our top priority. With extra precautions set in place this year, our teachers have done such an amazing job of creating lessons that engage our students. Whether it's taking the learning outside the classroom walls and enjoying the courtyard, using technology in creative ways to stimulate our learners, or virtually inviting in members from our community to enrich the learning in our classrooms, our teachers are doing it all!

Please continue checking your child's Google Classroom Parent Portal as this will be a great way to keep the lines of communication open this year. We are all part of the PES team, and we value our families and the role you have in our students' learning.

Month

PTO Spotlight

- We want to thank all participating families for helping our PTO through the Cash for the Pack Fundraiser. Your contributions—no matter how big or small—help benefit our school, the teachers, the staff, and the students who learn and grow together here daily. We can't wait to see how our PTO chooses to use this money to better PES!
- PTO will be letting everyone know about Cash for the Pack incentive dates in the upcoming weeks. Stay tuned for more information.
- Thanks to PTO for recently treating our 3rd–6th Grade Honor Roll students to a drink and snack!

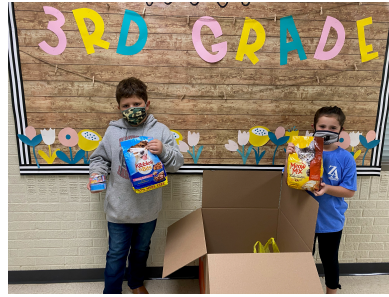

Mrs. Landfair was named our 2020-2021 Teacher of the Year!! This title is voted on by our faculty and staff each year, and we are so proud of Mrs. Landfair! She works very hard to plan and teach lessons in a hands-on, meaningful way, and her students are always safely and actively engaged in their learning. We feel so fortunate to have her as our preschool teacher at PES! Congratulations, Mrs. Landfair!

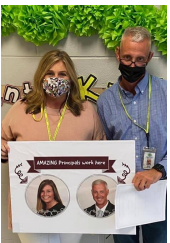

Red Ribbon Week

Thank you to all our students and families who participated in our RED RIBBON WEEK COMMUNITY OUTREACH! We are so proud to make such a positive impact in our community.

As a school we collected 1,735 items to donate to the Ever Reaching Community Outreach in Pelahatchie. Our PreK & Kindergarten classes brought in the most items as a team, so they each earned a pizza party for their contributions of bringing in 534 items!! Way to go!

Congratulations to Mrs. Mann & the Volleyball Team! 2A Region 5 District Champs Class 2A State Runner Ups

October was National Principal's Month. We want to take time to thank our principals for all that they do daily to keep our school running smoothly all while supporting teachers and loving our students so well. Thank you, Ms. Stanley & Dr. Hales!
