

THORNTON ACADEMY ANNUAL REPORT 2019-2020

Gifts to the Thornton Fund support critical programming, expand academic opportunities, and enhance campus life. The circumstances surrounding the global COVID-19 pandemic required our students, faculty, and staff to adjust quickly. In true Trojan fashion, they rose to the occasion and continue to work together to navigate this unprecedented situation.

Your support has provided Thornton Academy with the flexibility to make necessary adjustments to meet the needs of our students, while upholding TA's tradition of excellence. From providing free breakfast and lunch to students in need, to ensuring accessible technology during times of remote learning, your gift makes a difference in the lives of our students each and every day.

On behalf of those who have benefited from your generosity, thank you for choosing to invest in our students and the future of Thornton Academy.

*In preparing this report, every effort has been made to accurately recognize our supporters. All gifts received by the Development Office between July 1, 2019 and June 30, 2020 are listed in this report. Please inform us of any errors or omissions by calling 207-602-4456. If your class does not have a class agent and you would like to learn more about this role, please contact **Giselle Tardiff '90** at giselle.tardiff@thorntonacademy.org.*

ANNUAL THORNTON FUND AUCTION UPDATE

In light of the ever changing COVID-19 situation and the state of Maine's mandates surrounding large group events, we were not able to hold the Annual Auction as planned on our postponement date of September 26, 2020. We chose to continue with our raffle ticket drawing virtually, and though we missed coming together as a community to share in a fun evening to benefit our students and school, we were still able to raise funds in support of TA's free breakfast and lunch program.

We THANK OUR VERY GENEROUS SPONSORS who chose to continue their sponsorship of this year's modified event.
