# School Health Advisory Council

Every school district is required by State law to have a school health advisory council (SHAC) of which the majority of members must be parents who are not employed by the school district. The SHAC is annually appointed by the local education agency Board of Trustees.

Texas Education Code

Title 2, Chapter 28, Section 28.004

# What is a SHAC?

The SHAC is a group of individuals representing segments of the community and school district which provides advice to the district on coordinated school health (CSH) programming and its impact on student health and learning.

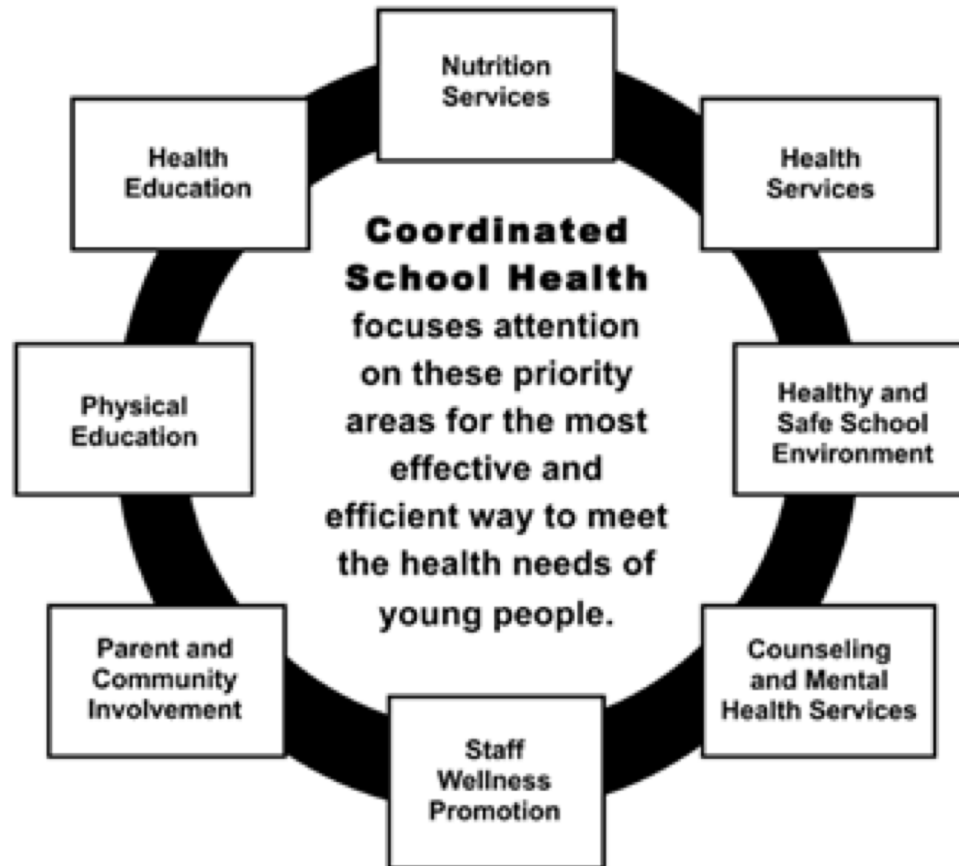

# What is Coordinated School Health?

Coordinated School Health is a systematic approach of advancing student academic performance by promoting, practicing, and coordinating school health education and services for the benefit and well-being of students in establishing healthy behaviors designed to last a lifetime.
