

SCC Meeting

January 17, 2019  
8:15-9:05

Ms. Pashell Shorts welcome participants.

Reviewed of minutes from previous meeting

Assessment and Accountability

Why do we do a test:

Testing is a measurement that can be compared with other objects or events. It also helps see how much a student knows, and it helps to determine where the student may need additional help.

WIDA Testing:

Will begin on February 4<sup>th</sup> -28<sup>th</sup>, and this test will be administered to English Language Learners.

This assessment is based on listening, speaking, reading and writing. Students that score under a 5.0 will receive instructional language support during the school day.

NEAP Testing:

This assessment is not for all schools. Schools are selected randomly to participate. The assessment is based on reading, math, and science. Parents will receive a letter if their child has been selected to participate.

RISE Testing:

Readiness, Improvement, Success, and Empowerment is only for students in 3<sup>rd</sup> to 8<sup>th</sup> grade.

This assessment is a computer-based assessment. All students will be assessed in reading and math, and only 5<sup>th</sup> grade will be evaluated in reading, math, and writing. This exam is based on the Utah State Standards and will begin on March 9<sup>th</sup>.

Parents shared ideas on how to support their child with reading.

Discussed upcoming calendar events

Meeting adjourned until February 14<sup>th</sup>, 2019
