Mr. Claudio and Ms. Zarate conducted a Get to Know You Activity. In this activity, they passed a toy cow around, and we all answered a question to help get to know each other.

### **LandTrust**

Mrs. Damm shared the progress the school has made. One of the goals was to build a stronger Edison and parent communication and respect. This goal was met by teachers conducting a home visit to get to know the families in the community.

The second goal was to invest the land trust money in interventions, so all students will be reading at grade level, have higher comprehension skills, and a Growth Mind Set.

Our third goal was the GAP goal. This goal focused on English Language Learners making academic growth in vocabulary language.

### **Grade by Grade Data**

Ms. Damm shared the data from S.P.I.R.E, and Next Steps from each grade level and the progress students have made since the beginning of the year.

### **Calendar**

Three school calendar options were presented for the next three years, and parents had the opportunity to vote on the calendar they would like for the school.
