Welcome & Discussion Items

- Polly & Jenny continuing as faculty representatives;
- Discussion of SCC calendar
 - State audit gave the thumbs up on digital citizenship and the website, Rules of Order to be added
 - No other additions or changes
- FTE (Full Time Equivalent)
 - Enrollment has declined (not as much as many schools) and the three year average means this will make staffing challenging in 2021-2022
 - Ashley will draft a letter and share via e-mail; parents can advocate for FTE flexibility with their state board rep so schools have fewer long-term impacts
- PTA
 - Moving forward with Fall Fundraiser
 - Looking for areas to support faculty needs and shift events to virtual formats
