Our meetings will be the 1st Monday of the month, unless it is a holiday. When that is the case then we meet the second Monday. Meeting dates for the 2020-2021 school year are Oct.5, Nov.2, Dec.7 (if needed), Jan.4, Feb.1, Mar.1, Apr.5, May3, and Jun.7

Principal’s report - Marian; PTA will cancel the fall fundraiser and will adjust their budget accordingly. We are using TSSA funding to increase reading materials and literacy resources. We will look at literacy assessment data to measure progress on our Literacy Goals. We are purchasing FOSS kits to support science education. Math Materials are also being purchased as requested by the teachers.

C&A – Kristie; no concerns have come up at this point. Troy Davis stated that some parents thought the online instruction was a too long for their child to be attentively engaged the whole time.

ELP – Lizzie; their budget has been approved, Spanish instruction online is moving forward, there is need to have more detail about the videos parents have been asked to make. It was suggested that teachers put up a sign on their zoom when they are not actively instructing to remind students and make clear to parents what they are supposed to be doing. Also give students a cue to move and stretch.

Neighborhood – Lindsay; there is concern that teachers need to have support and a stress outlet. Dawnell said that her experience as a sub today was indicative of the problems in having online instruction by substitutes. Marian is thinking that we made need to have a core of substitutes who we have prepared to sub for teachers. We talked about how that might work and brainstormed a few other ideas.

PTA – Kristie for Megan; the chalk-walk was successful. They will revisit doing a Hawk-walk in the spring. There is reserve funding that can be used for RIF and Field trips. Reflections contest is cancelled this fall, but there is some interest in putting together a school-based art project. They asked about SEP's [they will be held by Zoom on Sept. 30 and Oct. 1] and they are working on ideas to provide some kind meal or gift for teachers as appreciation. There was an interest in how lunch time went for students and classes. Beth reported that it went ok the first day.

Staff – Beth; reported that SEPs will be via Zoom on Sept. 30 and Oct. 1. The district will be sending notices to parents of students who need Acadience Testing (Literacy) to have the students come to the school building on Sept. 24.

Motion to adjourn made, seconded and approved.
