Schedule:

Time	Minutes	Agenda items	Task
1:35 start of meeting		Yearly Digital Compliance	Went over the handout on Safe Technology and Digital Compliance, summary of responsibilities, admin responsibilities, and what schools should add to the district report.
		School Grade	Our score was good. We were above other schools in the district. We saw an increased score in several areas. Looked at the different scores and compared them.
		Student Success plan	We are in the process of working on this. The group looked over the Acadience Data, RI Data and Math data. Only teachers were able to look at the math data per student. RISE took 2 ½ hours for some students to finish. Suggested math goal 73% at second interim, 63% as a school. The building needs to include a Kaiser Goal
		District Parent Survey	Talked about the District Survey from Mr. Madden and looked at the parent survey of how comfortable parents are with online tools. Some issues parents were struggling with was having 3 screens needed at a time, time spent getting their child started. Parkview has had para's assigned to give 1:1 technical help to students and parents. Parkview parents want their students back in school.
		Additional Topics	Halloween idea's. Erin will send teachers a survey Talked about literacy goals-TSSA and use of Land trust \$\$ for 2 additional Para's
