I. Connection-What is your favorite winter activity?

II. How welcoming is our school? Parents feel welcome and appreciate the many ways the school tries to communicate with families.

III. What can our school learn from our parents? A lot! We discussed having a parent panel or individuals discussing cultural, generational, and other issues facing our parents that would be presented to Riley faculty and staff.

IV. Is it ok if we move our meetings to the 2nd Thursday instead of the 3rd Thursday? This was Dan's agenda item but changed his mind to include it.

V. What do we need for next month's Winter Celebration? PTO will be getting all of the items together. This will be coordinated by the school, but parents are welcome to volunteer to include a performance with Riley students.
