# COLLEGE & CAREER

*Planning*

The College and Career Counseling program at Charlotte Christian School is an important and individualized process that is designed to help students and parents navigate their way through college applications and admissions. Beginning with high school course selection, guidance starts in the eighth grade and continues through sending off the final transcript to the college a student will attend. Counselors work hand-in-hand with students to lead them to the place God is taking them after their time at Charlotte Christian.

Olivia Day, Personal and Academic Counselor

In addition to helping students design their four-year upper school course plan, Charlotte Christian provides a comprehensive college counseling program with dedicated and talented counselors who partner with both the student and their parents during every step of the college search.

### SERVICES PROVIDED BY THE COUNSELING OFFICE:

- Individual meetings with all new to upper school students.
- Personality and interest assessments.
- Standardized testing prep classes.
- On-campus visits by college admissions counselors.
- On-campus Christian College Fair open to community.
- Parent education series including topics such as financial aid and transitioning to college.
- Mock scholarship interviews with faculty members.

### JUNIOR YEAR

Junior Seminar, a specially-designed class for students in grade 11, is a key component in preparing for the senior year application process. In this course, students are taught how to write college essays, prepare their resume, discover potential college majors based on their interests and strengths, learn about budgeting time and money, determine which colleges they may want to visit or apply to and complete a mock admission committee activity with college representatives.

### SENIOR YEAR

During the senior year, college counselors walk alongside students as they submit their applications, also partnering with the Writing Center, a free resource on campus that provides individual guidance to students as they complete their application essays. Supporting students in the waiting period and helping them prayerfully discern God's desires for their next step is a key component in the journey. Charlotte Christian counselors remind parents and students throughout this journey that a 'good college' is one that:

- Provides opportunities for spiritual growth.
- Allows families to be good stewards of their financial resources.
- Prepares students for a career and calling through their education.

Helping students prepare for life on college campuses is also a focus of the counseling office. Whether it is how to choose a roommate or how to navigate the first few weeks of life on a college campus, the counseling does not end once the college decision has been made.
