# 3-5 Year Olds

## **Mixed Preschoolers** 31+ MONTHS TO “NOT YET IN KINDERGARTEN”

Every member of a family brings unique strengths that help build and strengthen the family unit. Intentional parents notice and support each family member's efforts to grow and develop all aspects of the individual; cognitive, physical, emotional, social, moral, and spiritual. Parents will learn how to be intentional in their everyday interaction with their children. Content of the class will be parent driven to support the parenting journey. Come share your ideas and strategies to see each member of your family uniquely and help them develop into strong, healthy members of your family and your community. A child/parent experience with an early childhood educator begins the first 20 minutes of class before separating for parent discussion. This class is open to families with children ages 31 months to not yet in kindergarten.

Children will experience the new “Read, Play, Learn” Curriculum, designed to provide rich literature and vocabulary that allows children to use their imagination and creativity to use play to fully “live the story” and practice new vocabulary. During parent time this class will focus on the social, emotional and language development necessary for strengthening relationships in families and for school readiness.

## Preschool Experience (Ages 3-5) CHILD-ONLY CLASSES

Families who enroll in identified parent/child classes, have the opportunity to provide their child with an additional early learning experience designed for the child-only.

Ages 3-5: **34551** Fridays - 8:30-10:00 am, Room 122

Ages 3-5: **34552** Fridays -10:30-Noon, Room 122

To be eligible for enrollment in **Friday Child Only Classes**, families must be enrolled in any of the following parent/child classes: **34511 - 34521 - 34531 - 34541**

Children may only attend this class if they have attended their parent/child class each week. If a family misses their parent/child class during the week, the child will not be expected for the Friday, child-only class. Families may have one exception per trimester to this practice if they have called in for the Parent/Child class with an illness or medical appointment. Tuition will be \$35 for the Trimester. This is in addition to the tuition paid for the parent/child class. There is no sliding fee. **Child must be 3 years old by November 30th.** *Registration will be on a first-come, first-serve basis. Families will need to re-enroll for the child-only class each trimester when they enroll for their parent/child class. Class size will be limited in each section.*

## Early Childhood Screening FOR 3 AND 4 YEAR-OLDS

Early childhood screening is a quick and simple check of how your child is learning and growing. It identifies possible health or learning concerns so children can get help before starting school.

**Is there a charge?** IT'S FREE – all children must participate in order to start Kindergarten in a Minnesota Public School.

**When should I schedule an appointment for Early Childhood Screening?** Earlier is better! Waiting until your child is about to start kindergarten is too late! The purpose of Early Childhood Screening is to identify children who may need additional time and experiences to be ready for school. The sooner we get started, the more likely your child will begin school with the necessary skills to succeed. Call us when your child turns 3.

TO SCHEDULE YOUR CHILD'S APPOINTMENT **CALL 507-444-7900 TODAY**  
OR **VISIT [OWATONNACOMMUNITYED.ORG](http://OWATONNACOMMUNITYED.ORG)**

## Preschool Opportunities

Our programs are staffed with licensed early childhood educators and focus on the whole child. Lessons are designed to promote growth in all areas of development. *(Applications for both programs are available by calling or stopping at Roosevelt Community School, or going online.)*

# Sib Care

**How Does Sib Care Work?** Sib Care is quality, on-site childcare for siblings' age birth to 9-years-old. **Sibcare costs \$5 per family, per trimester.** Service must be pre-registered and paid before the trimester start. Service is limited due to size of classroom and available staffing. To make this service cost effective, we ask families to enroll for Sib Care only if they actually need the service. Families not attending Sib Care the first week of class and not calling in their absence will be dropped from the service. **The \$5 fee is non-refundable. Absences from Sib Care can be called into the ECFE Attendance Line: 444-7937** The ECFE Attendance Line is a 24-hour voice messaging system. Sib Care is available for all classes unless noted.

## Immunization Law

Minnesota law (statute 121A.15) requires children enrolling in early education programs to show they have received immunizations or that they are a conscientious objector. The Owatonna ECFE program will require an immunization on file for every child that is enrolled. Please drop off or send a current immunization to Roosevelt Community School before classes begin or bring immunization records with you to the first day of class. Thank you.

## COVID RESPONSE INFORMATION

Our ECFE team joins ISD 761 colleagues in our commitment to keep families safe. More information about COVID-19 mitigation strategies will be shared in our first class of the trimester, here are key elements that will go into effect immediately:

- All program participants ages 6 and up (inclusive of adults and staff) will wear a mask and/or a face shield.
- Health screenings will be conducted at the building entrance. As you enter the building you will be asked to wash your and your children's hands
- Families will be asked to follow the district's new Parent Health Screening Declaration. This will be provided to families following their completion of their fall enrollment.
- Classes will be assigned an entrance and a time to enter the building.
- Class sizes will be minimized to provide for appropriate physical distancing.
- The fall class schedule has been modified to separate the programming more evenly across the schedule so the amount of movement in the building at any one time is more controlled.
- Extra cleaning protocols will be in place for each classroom, and you will notice we will be handling learning materials differently.
- Above all else, we respectfully ask that if you or a family member becomes sick, please stay home. We will offer a Google Meet for circle times and parent discussions so you can still participate virtually.
- In the event virus metrics direct us, we will be following the district's plan for distance learning as such time as it becomes necessary.
