## COVID-19 Daily Screening for Students

Name \_\_\_\_\_

Date \_\_\_\_\_

**Parents/Guardians: Please complete this short check and report your child's information.**

### Section 1: Symptoms

Any of the symptoms below could indicate a COVID-19 infection in children and may put your child at risk for spreading illness to others. Please note that this list does not include all possible symptoms and children with COVID-19 may experience any, all, or none of these symptoms. Please check any symptoms your child is experiencing that are different than your child's usual baseline or not due to a chronic medical condition:

#### Column A

<input type="checkbox"/>	Chills and Shivers
<input type="checkbox"/>	Muscle aches
<input type="checkbox"/>	Headache
<input type="checkbox"/>	Sore Throat
<input type="checkbox"/>	Nausea or Vomiting
<input type="checkbox"/>	Diarrhea – one episode
<input type="checkbox"/>	Fatigue
<input type="checkbox"/>	Congestion or runny nose

#### Column B

<input type="checkbox"/>	Cough
<input type="checkbox"/>	Shortness of Breath
<input type="checkbox"/>	Difficulty Breathing
<input type="checkbox"/>	New loss of smell
<input type="checkbox"/>	New loss of taste
<input type="checkbox"/>	Fever
<input type="checkbox"/>	Diarrhea – more than one episode

If **TWO OR MORE** of the fields in **Column A** are checked off OR **AT LEAST ONE** field in **column B** is checked off, please **keep your child home and notify the school for further instructions.**

**NO symptoms** are present

**Section 2: Close Contact/Potential Exposure – if you check any of the below you cannot enter the building.**

Please verify if:

<input type="checkbox"/>	Your child has had close contact (within 6 feet of an infected person for at least 10 minutes) with a person with confirmed COVID-19
<input type="checkbox"/>	Someone in your household is diagnosed with COVID-19
<input type="checkbox"/>	Your child has traveled to an <a href="#">area of high community transmission</a> .
<input type="checkbox"/>	You are awaiting the results of a test for your child or someone in your household due to COVID-19 like symptoms. This does not apply to routine testing required by a workplace or prior to medical procedures.

If **ANY** of the fields in **Section 2** are checked off, your child should remain home for 14 days from the last date of exposure (if child is a close contact of a confirmed COVID-19 case) or date of return to New Jersey. Contact your child's healthcare provider or your local health department for further guidance.
