OUR PROMISE

Every student in Highline Public Schools is known by name, strength and need, and graduates prepared for the future they choose.

Our Guiding Principles

WE WILL...

- **Be guided by Our Highline Promise** to know every student by name, strength and need so they graduate prepared for the future they choose.
- **Follow public health guidelines** to protect the health and safety of students, staff, and families.
- **Engage our families, students and staff to the best of our ability** given the short timeline to understand how to address their needs.
- **Prioritize the needs of students who are most reliant on the educational system.**
- **Provide every student with the opportunity for in-person instruction to the extent possible** within the requirements of public health and safety guidelines.

Plan for Return

Plan

- Students will return in small groups of no more than five students.
- Staff will provide direct instruction focusing on goals and objectives in students' IEPs.
- Tasks will be assigned by the teacher for the remainder of the school day.
- You may choose to continue distance learning for your student instead of attending school.

Schedule

- Students will attend school Monday, Tuesday, Thursday, Friday.
- Session times
 - **Elementary**
AM Session: 9:15 - 11:30 a.m.
PM Session: 1:30 - 3:45 p.m.
 - **Secondary**
AM Session: 8:30 - 10:45 a.m.
PM Session: 12:45 - 3:00 p.m.

Nutrition Services

School meals will be available in two ways:

- **Option 1:** Pick-up DAILY meals at bus stops throughout the district or at elementary schools curbside. Weekend meals will be provided with the Friday daily meal.
- **Option 2:** Every Monday pick-up a 7-day meal kit at one of the four available locations.

- Meals are free for children 1-18. Meals can be ordered up until 6:30 am the morning of service.
- Menu subject to change. Some menu items may be substituted due to product availability and to ensure your child is receiving the highest quality meals we can provide.

Please visit the Nutrition Services page on the District website for ordering and school locations.

Staff Health and Safety Updates

Health and Safety

We will continue to:

- Follow Public Health guidelines
- Monitor King County and local data
- Minimize risk of transmission

Measures That Work Together to Keep Students and Staff Safe

Masking

Hand
Washing

Physical
Distancing

Disinfecting
Surfaces

Screening

Personal Protective Equipment (PPE)

- Following combined guidelines from Labor & Industries, Department of Health and OSPI
- Specific PPE needed for different tasks
- Appropriate PPE will be provided

School Safety Plans

Each school has a comprehensive safety plan that continues to be revisited and refined

Facilities has been working with building leaders to plan details

Responding to COVID Cases

- Positive case reporting
- Close contact tracing
- Classroom/school closure protocol
- Partnership with Seattle King County Public Health

What you need to do at home

- An attestation form needs to be completed every day.
 - Form states that your child does not have any symptoms and has not been around anyone with a Covid diagnosis or symptoms.
 - You will receive an email or text every morning at 6:00 am with a link to the form.
- If your child arrives at school without an attestation form, you will be called and asked to complete it.
- Students without attestation forms who show any symptoms will be sent home and you will be asked to pick them up immediately.
- Temperatures will be checked as students arrive at school. Parents will be contacted with any concerns.

Reporting Positive COVID Case

- Students/families should report positive COVID cases to their teacher, principal or school nurse
- The school nurse will follow up with the student/family for symptom and contact information
- Anyone who has been exposed to someone with a positive test will be contacted by the school nurse

School COVID Closures

School will close and switch to remote learning for 14 days when:

- Two or more classrooms dismissed due to outbreaks in schools with 10 or fewer classrooms
- 10 percent of classrooms dismissed due to outbreaks in schools with greater than 10 classrooms.

Classroom COVID Closures

A classroom will close and switch to distance learning for 14 days when:

- Two or more students or staff in same room/area test positive for COVID-19.
- The cases have symptoms that start within 14 days of each other.
- Someone was in close contact (within 6 ft. for 15 min. or more) with a person with a confirmed positive case.
- The cases are not associated with one another in another setting (household, club, etc.)

When to Stay home and When to Return to School

COVID SYMPTOMS

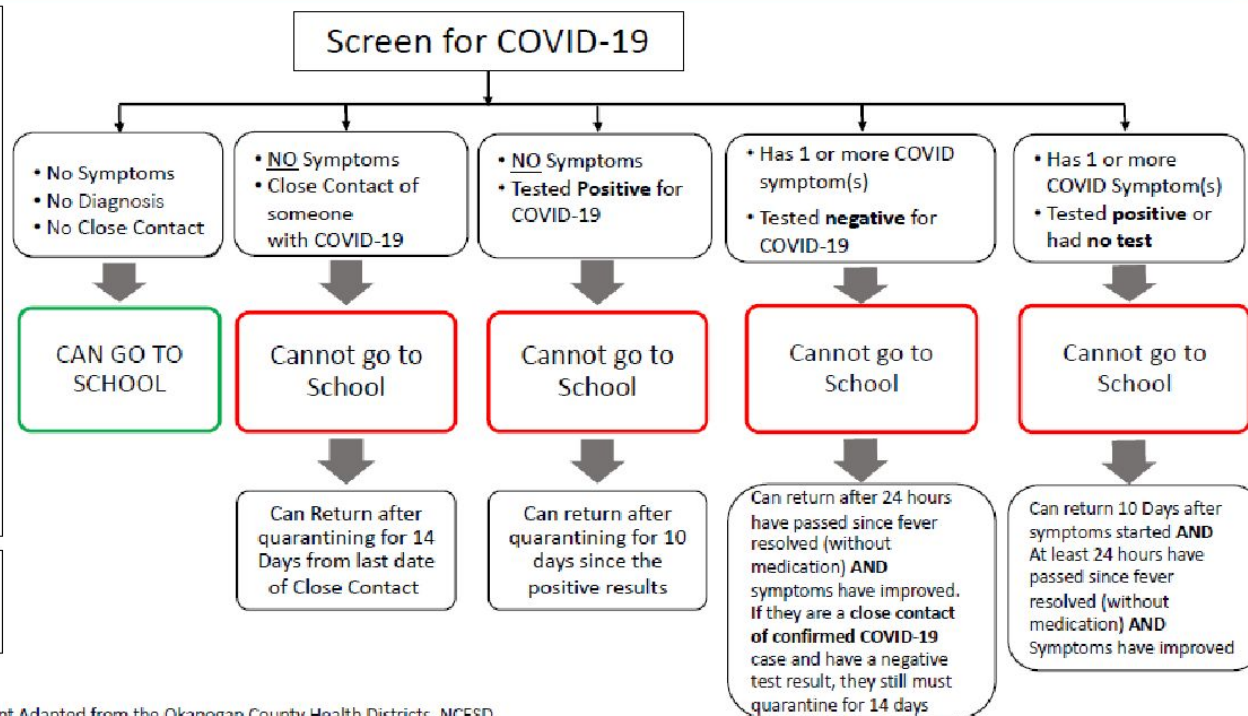

- Fever 100.4°F / 38°C or higher
- Cough
- Shortness of breath or difficulty breathing
- Chills
- Fatigue
- Muscle pain or body aches
- Headache
- Loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea
- Other signs of new illness that are unrelated to a preexisting condition (such as seasonal allergies)

CLOSE CONTACT MEANS:

Being within 6 feet (2 meters) for about 15 minutes of a person with COVID-19.
