DEAR DONORS AND FRIENDS OF ST. MARY'S RYKEN,

Happy 40th anniversary to St. Mary's Ryken! For our '81 graduates, I am sure 40 years has gone by quickly. I can personally attest to the amazing progress and innovations that have transformed our school community in the 24 years I have been part of SMR.

As I begin my second year as president of SMR, it has been full of challenges, challenges for which no one could have predicted or planned. Despite these challenges, I am impressed with our SMR community in their resilience, perseverance and flexibility to deliver a top-notch educational experience for our students. SMR was one of the few schools in the state of Maryland that returned students to school for in-person instruction. As we celebrate our 40th year, the success of our graduates continues to assure us that the mission of a SMR education is making an impact on their lives. The Class of 2020, who are featured on the cover and throughout this Annual Report, had near-record numbers in the amount of scholarship dollars earned and the amount of Christian service hours served. We are very proud of their accomplishments as Knights, and look forward to watching them succeed as young adults and successful members of their communities.

This year, SMR is excited about embarking on a new Campus Master Plan that aligns with our Strategic Plan. Through this planning process, SMR will create a path for the bright future of our facilities, and academic, athletic, fine arts, faith life and service programming.

Please keep SMR in your prayers, as we continue to keep you in ours.

Peace,

Dr. Rick Wood
President and CEO

Mission Statement

St. Mary's Ryken is a Catholic, coeducational, college preparatory school community operated under the Xaverian Brothers' sponsorship dedicated to academic excellence and individualized student growth.

D.J. DOWNS '98:

Living the Xaverian Values of Compassion and Service to Others

David “D.J.” Downs graduated from St. Mary’s Ryken in 1998 and went on to earn a Bachelor of Arts degree in architectural history from the University of Maryland. While in college, he was fortunate to study abroad for a semester at the American University of Rome.

After a few years in Philadelphia working as a grants manager with the Schuylkill River Heritage Area, D.J. pursued a graduate degree from Rutgers University’s Edward J. Bloustein School of Planning and Public Policy. D.J. earned a Masters of City and

Regional Planning degree from Rutgers, and a joint Masters of Infrastructure Planning from the New Jersey Institute of Technology’s School of Architecture.

It was during this time that D.J. turned his passion for architecture and art history into a career serving others. Today he is an innovative community development practitioner with over 15 years of diverse experience as an affordable housing developer, program manager, and planner with established nonprofit, public, and private sector relationships. D.J. currently

D.J. with wife Cindy and son Jack

serves as deputy director of Catholic Charities Progress of Peoples Development Corp., the affordable housing development affiliate of Catholic Charities, in Brooklyn and Queens, New York.

Catholic Charities POP Development is an experienced nonprofit developer with nearly 50 completed residences, several buildings in construction, and an active development pipeline. It is one of the largest faith-based developers of affordable housing in the country and provides 3,750 units of housing for low-income seniors, families, and the formerly homeless, with an additional 750 units of special needs housing, throughout the boroughs of Brooklyn and Queens. With New York City reeling from a health epidemic and economic crisis, countless community members in Brooklyn and Queens are turning to Catholic Charities for assistance in the form of basic services such as housing, nutrition, and health.

Through his role, D.J. can envision vacant land and blighted buildings as affordable housing and community centers, and

D.J. at the Bishop Valero Residence construction site. Workers accessing the site adhere to strict COVID-19 protocols, including daily monitoring and contact tracing, to ensure health and safety for all construction team members.

Aerial view of the Bishop Valero Residence, a 100+ unit, multifamily building for seniors under construction by Catholic Charities Brooklyn and Queens in the Astoria neighborhood of Queens, New York.

transform lives of those who live or visit those places. D.J. serves as the ringmaster, carefully guiding each phase of the project from conception to fruition, linking every aspect of project initiation: strategic planning, pre-construction, construction monitoring and quality control, and finally marketing and lease-up to assist tenants into their new residences. Proper and complete execution of these progressive tasks establishes the strategic framework for each project and is essential to ensure success.

D.J. oversees projects that will directly benefit not only homeless individuals and

families, but also the working poor, an often-overlooked population. In New York City, access to housing is inequitable and often out of reach to households earning less than \$90,000 a year (or 80 percent of the NYC metro Area Median Income of \$114,000 for a family of four).

Through D.J.'s multifaceted role, he remains focused on affordable housing development, policy, and sustainability models, including energy efficiency, resiliency, and healthy living. He is passionate about the work he does with Catholic

Charities, especially bringing solar power to the underserved communities he serves in Brooklyn and Queens.

Today, D.J. resides in New York City with his wife, Cindy, and son, Jack. At the writing of this article, he is at home in his apartment with his family, grateful for good health, and hopeful for a steady recovery in the city, and for the residents in the Catholic Charities portfolio in Brooklyn and Queens. More than 20 years after graduation from SMR, D.J.'s daily commitment to creating quality housing for all continues the Xaverian value of compassion.

Dillon Miller '20

"To me, the SMR community is about succeeding together. One of the Xaverian Brothers mottos is, "In harmony small things grow," and this is absolutely true about SMR. I especially love that at SMR the teachers care and want to help you grow both academically and as a person."

Dillon is attending the United States Naval Academy, where he is studying mechanical engineering. His goal is to become a Navy pilot.

Gavin Willis '20

"I came to SMR as a member of the STEM Engineering track, which I participated in for two years. However, taking those classes made me realize that I would be a terrible engineer. At the end of my sophomore year, I switched into the Biomedical Science track. Now, I aspire to be a surgeon, and the biomedical classes did a fantastic job of giving me an insight into careers in the medical field. Whether it was intricate experiments, labs, projects, or other forms of enrichment, each activity confirmed that being part of the medical field is what I want to do."

Gavin was the class speaker during the Class of 2020 graduation ceremony. He is attending Penn State University and is majoring in microbiology with a minor in neuroscience.

Christine Shatrowsky '20

"What I loved most about SMR is the sense of community. My peers at SMR were supportive and always looking out for each other. The administration was approachable and open to ideas for clubs, and it was evident that they truly cared about their students."

Christine earned the highest GPA in her class and was the Xaverian Orator during the Class of 2020 graduation ceremony. She is attending Vanderbilt University with a double major in neuroscience and psychology and a minor in nanoscience and nanotechnology.

Olivia Johnson '20

"As someone more inclined to listen than to speak, I became less afraid to ask for help and take risks through continually being given opportunities to take initiative. Being trusted with a lot of responsibility early on specifically gave me the confidence and tools I needed to take difficult AP classes, spend my junior year studying abroad, and succeed in my senior capstone engineering course."

Olivia is attending Georgia Institute of Technology, where she is studying aerospace engineering and minoring in international relations.

Sydney Neal '20

"My leadership experiences shaped my high school experience in many ways. I met my best friends, cultivated impactful and meaningful relationships with my club moderators, and discovered my passion for student advocacy and civic engagement."

Sydney attends the University of Maryland College Park, where she is double majoring in public policy with a concentration in educational policy, and African American studies with a minor in nonprofit leadership/social innovation.

Rodney with his parents and brothers, Brandon '24 and Cameron, following his graduation ceremony in the Donnie Williams Center.

Rodney Jefferson '20

"The SMR community is a group of tight-knit people who genuinely care about you as a student as well as a person. I loved that it was very welcoming, and always accepted me with open arms."

Rodney is attending the University of Pittsburgh, where he is studying journalism and writing.

The graduates in the Class of 2020 were accepted to the following colleges and universities:

Alabama A&M University	Chatham University	Georgia Institute of Technology	Morgan State University	Shepherd University	University of Maryland Baltimore County
Albright College	Christopher Newport University	Georgia State University	Mount Aloysius College	Sierra Nevada University	University of Maryland College Park

SAVE THE DATE FOR

#GivingTuesday on Dec. 1!

The St. Mary's Ryken community is preparing for our annual Founders Week, which begins Nov. 29. We have many activities planned, including socially distanced and virtual service projects that will allow the students to show their gratitude and compassion for those in our local community.

As part of Founders Week, on Tuesday, Dec. 1, SMR will celebrate our 40th anniversary in Southern Maryland by becoming #GivingKnights!

SMR students are completing **acts of compassion**, including donating hats, gloves, coats and canned food to those less fortunate. They are also sharing recorded choral and dance performances with local nursing home residents and writing notes of gratitude to special individuals in their lives.

You can participate too!

1. Donate online

It's quick and easy at www.smrhs.org/givingtuesday. Help us reach our goal to raise \$15,000!

2. On social media

Please like and share our #GivingKnights tweets and posts. You can join in by posting a photo to acknowledge your gift and add #GivingKnights.

3. Challenge your family and friends to match your donation!

We are thankful for **you** and everyone who supports the SMR community.

MAKE YOUR ANNUAL GIFT BY DEC. 31 TO RECEIVE A 2020 TAX ADVANTAGE!

Time is running out to support the Knighthood with your tax-deductible gift before the ball drops on 2020. Help provide support for scholarships and tuition assistance, academic programs and faculty development, fine arts and athletics and other extracurricular activities. Every gift is a blessing and makes an impact. Thank you for your support and generosity this Christmas season!

Making a gift has never been easier!

Whether you prefer to mail a check or make a stock transfer or are tech savvy, we've got you covered! You name it, we have it—Apple Pay, Google Pay, PayPal, e-checks and all credit cards accepted!

During this special 40th anniversary year, make a gift of at least \$40 to the St. Mary's Ryken Annual Fund and you will receive a custom SMR mask as our thank you. You will have your choice from two designs. If you make a gift of at least \$75, you'll receive your choice of two masks. These masks are a soft, comfortable, cotton fabric and made in the USA.

Visit <https://www.smrhs.org/Giving> to make your donation today!

Support the Knighthood today!

THANK YOU TO OUR

Knight Gala 2020 Donors and Sponsors!

Our Yamaha grand piano has arrived!

The 7.5-foot grand piano will breathe new life into the Fine Arts Department, allowing our students to grow and enjoy enhanced learning experiences. The grand piano gives the pianist more control compared to a traditional upright piano. The touch and feel is different on a larger piano and provides better balance and greater potential for expression.

Because of your generosity, the grand piano will live on the stage in the Mary Joy Hurlburt Theatre, and we will no longer need to move the upright piano back and forth between the chorus/drama classroom and the stage for rehearsals and performances. This will reduce the wear and tear on the instruments and provide for a better rehearsal for our students.

Thank you, and we hope to see you at one of our concerts!

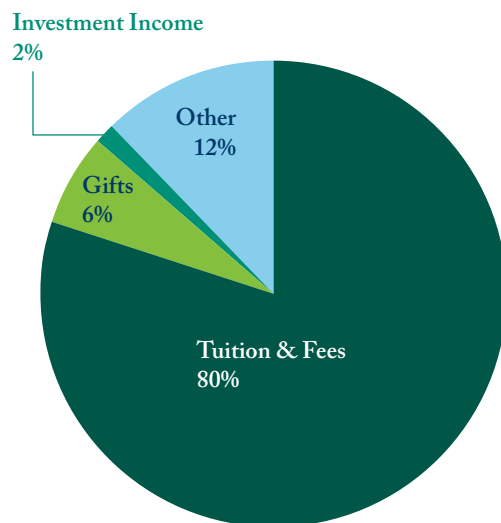

Purchased with proceeds from the St. Mary's Ryken unGala from Rick Jones Pianos in Beltsville, Maryland

SHARING Your Service

Because of you... our students have grown in mind, body and spirit – a community where all God's children are welcome and free to share their talents, experience and wisdom. The Xaverian Brothers' way, "In harmony, small things grow," demonstrates that with love and understanding, we can change the world.

Thank you to our volunteers! Your acts of kindness, sharing your time, talent and treasure – the seeds of growth have spread through our campus community.

MAKE AN IMPACT THROUGH Direct and Legacy Giving

ARE YOU 70½ OR OLDER?

If you are 70½ or older, Internal Revenue Service rules stipulate that you take required minimum distributions (RMDs) each year from your tax-deferred retirement accounts. This additional taxable income may push you into a higher tax bracket and may also reduce your eligibility for certain tax credits and deductions. To eliminate or reduce the impact, consider making a direct fund transfer to St. Mary's Ryken in any amount up to \$100,000. It will satisfy your RMD amount for the year and can also be excluded from your taxable income. Make an impact and give today!

LEGACY GIVING INSPIRES OTHERS

You can create a great legacy and inspire others by giving the gift of education. You can ensure that the St. Mary's Ryken legacy is around for generations to come by making an investment in its future. Whether it's a planned gift as part of your estate or charitable giving you can witness being appreciated now, contact Jerrilyn Borneman, director of development, at jerrilyn.borneman@smrhs.org or 301-373-4162 to learn how you can build your legacy for SMR and the Southern Maryland community.

The Annual Report reflects gifts received during the fiscal year 2019–20. If there are any errors or omissions, please accept our sincere apologies, and contact the Development Office at advancement@smrhs.org or 301-373-4162.

FAITHFUL KNIGHTS

Who is a *Faithful Knight*? They are the *Knighthood*! Our steadfast supporters of St. Mary's Ryken comprised of every facet of our community: alumni, faculty, staff, parents and friends who have contributed to the Annual Fund for at least 10 consecutive years. We are grateful for your trust and continued support.

Thank you to all our 172 Faithful Knights!
