ATI TEAS Pre-Admission Test

Saint Anthony College of Nursing utilizes the proctored, online ATI TEAS assessment test (Test of Essential Academic Skills) as part of the admission process.

Once a student submits their SACN application and application fee, they will receive a list of the available TEAS testing dates to choose from. The TEAS test must be taken by/before the application deadline date in order for the student's application process to be complete.

If you require testing accommodations, you may seek guidance by contacting the Associate Dean, Nancy Sanders, via email at NancySanders@sacn.edu.

TEAS Test Protocol: Test Day

- Arrive 10 - 15 minutes prior to your test time.
- Must present valid photo ID.
- Cell phones and other electronics are not permitted for use during testing.
- No children are permitted in the test area.
- Students may take short breaks between the four components of the test.
- Acts of dishonesty are subject to disciplinary action.
