

Dear Costello families,

I am thrilled to share that we are having an **Online Scholastic Book Fair** this month. Families can shop the fair from **November 11th -24th**. Books will ship directly to your home, and book orders of \$25 or more receive free shipping. Although not the same experience as shopping in person, the online book fair is a great way to get lots of high-quality books delivered to your home, as well as support our school library. 25% of all purchases will go back to our school. So I encourage you to please check out the fabulous selection of books that Scholastic has to offer.

Since so many schools are hosting their fairs virtually this year, Scholastic has created an online fair experience they call Virtual 360 – and it is so fun! It feels like you are right there, inside a Scholastic Book Fair, but thanks to the internet you can do more than just look at the books. Try clicking on books for more information, reviews, and videos.

Here's a video from Mrs. Henderson showing the Virtual 360 and how to purchase books from the fair: [Book Fair 360 tour](#)
