

# CARE AND CONNECT CENTERS

## SERVING MIDDLE, JUNIOR HIGH, AND HIGH SCHOOL STUDENTS

During November and December, students in middle, junior high, and high school can get help with technology, tutoring, and counseling supports at Care and Connect Centers in their schools. Care and Connect services will be available by appointment only, and students must follow all COVID-19 health and safety guidelines.

Care and Connect Center supports will vary by school and **might** include help with academic work for students who need it, technology assistance, time with counselors to work on college and career planning, and safe spaces for distance learning.

Students must make appointments for Care and Connect Center visits. **Space will be limited to 10-20 students per service session.**

### CONTACT YOUR SCHOOL ABOUT CARE & CONNECT CENTER SUPPORT:

**Booker T. Washington High School:** 918-925-1022

**Carver Middle School:** 918-925-1420

**Central Middle and High School:** 918-833-8400

**Tulsa MET Junior High and High School:** 918-746-9300

**Webster Middle and High School:** 918-746-8000

### SAFETY GUIDELINES

Students must:

- » Wear masks that cover the nose and mouth
- » Practice safe distancing as possible
- » Sign in and out of the building during each visit
- » Stay in their assigned rooms or spaces

If you are not feeling well, please cancel your Care & Connect visit.

### STUDENT MASK REQUIREMENTS

- » Masks must cover the nose and mouth.
- » Masks must be worn any time or place where other people are present.
- » Masks may be removed for eating and drinking, outdoors, and during mask breaks.
- » Masks should be two or more layers.

Parents will be notified for the first two incidents of students not following mask requirements; a third incident results in students returning to distance learning for the rest of the quarter.

### ACCEPTABLE MASKS

- » Homemade masks
- » Surgical/procedural masks (tie or ear loop)
- » Dust masks
- » N95 masks without vents

While every child should bring a mask to school, we will provide masks for students who need them.
