AFTER-CLASS ENRICHMENT – SPRING 2021

Making the Round Square Discoveries

The Round Square Discovery Framework

Communication Skills

Round Square Explorers develop an understanding between themselves and others by listening to one another's ideas and sharing their own through a mutually respectful exchange.

Ability to Solve Problems

Round Square Explorers discover the ability and confidence to think clearly and creatively to tackle a problem in a focused way and find the best possible solution(s) in the circumstances.

Inquisitiveness

Round Square Explorers make continuous enquiries in pursuit of truth. They explore the world around them and seek out their place within it.

Commitment to Sustainability

Round Square Explorers make a commitment to manage their use and application of the earth's resources to live within its means for the benefit of future generations.

Appreciation of Diversity

Round Square Explorers learn to value the strength and solidarity of an inclusive society that embraces all individuals.

Inventiveness

Round Square Explorers develop new ideas and demonstrate divergent thinking, creativity, imagination and innovation.

Compassion

Round Square Explorers discover in themselves a desire and capacity to feel and share another's emotions, perspective and opinions: to empathise.

Self Awareness

Round Square Explorers cultivate an understanding of themselves, their personality, values, attitudes, strengths and weaknesses, through personal discovery.

Courage

Round Square Explorers discover in themselves the ability and willingness to confront fear, pain, danger, uncertainty, or intimidation.

Teamwork Skills

Round Square Explorers discover the benefits of working together in a group with others in pursuit of a common goal.

Tenacity

Round Square Explorers discover in themselves the ability to persevere when confronted with challenge, and learn from their mistakes, with a readiness to try again.

Sense of Responsibility

Round Square Explorers discover in themselves a real sense of personal, moral, ethical, social and civic duty.

Holy Innocents' is a proud member of Round Square International, an association of nearly 180 schools - on six continents - and in over 50 countries. Round Square encourages students to adventure beyond academic excellence to develop their full potential through discovery and the power of experiential education. Our Auxiliary programs strive to provide your students with excellent after-school care, and to help your students work on important life skills that will develop them into positive, productive Global Citizens.

All of our ACE courses highlight at least three of the twelve Round Square Discoveries. Please use the Discoveries legend to help determine which ACE courses may be best for your student.

Abrakadoodle – Creative Inspiration Everywhere!

Grades: PK3 through Kindergarten

Time: 3:00-3:45pm

First Day: February 1st

Last Day: May 10th

Days of no class: February 15th, March 1st, April 5th

Price: \$280

Location: Primary School Classroom

Discoveries: 🗨️ 🔍 🏆

Description: Art comes from all types of inspiration. Look up at grand trees reaching for the sky! Look down at tiny crawling bugs! Look all around at flowing water, bright colors, mouth-watering fruit, and more! These things inspire us to construct miniature *trees of life* and draw Mondrian-style trees—with a twist! We examine ladybugs and other bugs in their leafy habitats; and create fruity, patterned, mixed media masterpieces inspired by masters like Paul Gauguin. We learn about Outsider Art – creative works by people who have had little or no formal training in art but inspire us nonetheless! This is a very fun, interactive, and **hands-on art class** that all students will enjoy!

Description: The Golden Bears 2nd through 5th grade Spring Soccer Clinic is a custom-built program that was developed by our HIES Upper School coaching staff using the latest coaching and training methodologies. They will focus on individual skill and technical work with partner and multi-player situational progression. Their training goals will be to develop confident, creative, and skillful players. They will identify and train the most critical "moves and skills" needed to dominate 1v1 situations and help players build a deeper understanding on how to play the beautiful game of soccer. All coaches are USSF and/or USC certified who will create a training environment that promotes positive habits of self-reliance, relentless work ethic, personal accountability, and progressive goal setting. Players will train on Mondays and Wednesdays on their technical skills. Bottom line...we are training and developing the future HIES State Champs!

importance of staying fit, enhance their leadership skills, and have FUN. Our clinic style program teaches the rules and skills needed to enjoy the game in a fun, low pressure environment. Enthusiastically building a solid foundation for basketball skills, we incorporate a variety of drills designed to improve ball-handling, shooting, passing, defense, decision-making and instructional scrimmaging. We understand the importance of mental and physical conditioning and believe that becoming a good athlete should be a character-building experience. Our participants are students first, discipline starts by teaching the fundamental principles of personal conduct, self-assertion and fair play.
