Attendees: Brian Bolinder, Joani Stevens, Curtis Stromberg, Karen Duke, Amy MacKay, Brynn Clinger, Grace Tea, Kate Woods, Tiffany Wallis, Shelly Damron, Jennifer Carr, Holly Reynolds, Anne Jeppesen, Kristin Spere
Excused: Tiffany Rees, Alice Roberts, David Plant and Georgia Rasmussen

Approval of Minutes from October 5, 2020—Motion to approve by Grace Tea. Anne Jeppesen seconded motion and passed unanimously.

Welcome: Brian Bolinder

COVID Update

- CJH welcomed our entire student body to school today. The students were happy to see their friends and are excited to be back. Teachers are doing what they can in their classrooms, although social distancing is not possible in most rooms. Masks will continue to be worn and should help. We will continue to have three lunch periods and the gym will be open for activities at lunch. Many students also go outside (weather permitting) during lunch.
- COVID Report was received from Mr. Downing. We are all hoping everything stays ok.
- A council member asked if we have had any teacher resignations. Mr. Stromberg responded “no”.
- Lockers will not be used at all during this school year. This prevents congregating between classes. We will re-evaluate the use of lockers for next year when the time comes.

Counseling Report-(Mr. Plant)

- Mr. Plant did not join the meeting because the Counseling Center has been working on re-enrolling students from Davis Connect and withdrawing students to join Davis Connect. We have approximately the same number of students coming and going at this point.
- More “F”s were given than usual during 1st term (all three grades). Mr. Stromberg pointed out that the JUMPSTART Program the counselors have been doing to help students with make-up work before the term ended has been awesome. This ties in directly with our CJH Goal #1 for 2020-2021.

Teacher Report-(Shelly Damron)

- CCA classes will take time to show 7th grade students how to access their report cards.
- JSSC will meet November 4, 2020
- E/O will be on Friday. Office hours for teachers are 9:30-11:30 a.m.
- Homework Lab will be held Monday-Thursday from 3:00-4:00 p.m.

Student Report-(Kate Woods)

- A virtual assembly will be shown today in 2nd period classes. It will include information about Hope Squad, Cheer team, Boys Basketball, Officers, PTSA and Charger Council.
- Sub for Santa starts November 30 and will run until December 11th
- SBO’s are working on Educators Week

Trust Land Updates-(Mr. Stromberg)

- Carry over from previous year is due in part to the fact that some expenditures haven’t been made yet (i.e., Homework Lab and Credit Recovery both just started).
- No additional computers will be ordered at this time. Students will keep their assigned devices through the school year. CJH has approximately 50 spare ones if needed.
- The Council members will discuss additional suggestions for expenditures at the next meeting.
- **Trust Land Grants** – Only one teacher has applied for trust land grant. A reminder will go out to teachers from Mr. Stromberg.

Report

- A question was raised of how to respond to a concern about a teacher if a council member is approached by a parent. Mr. Stromberg explained that they should first contact the teacher, then one of the Assistant Principals.
- The Community Council will send out a letter next week identifying the individual members (and their contact information – email and/or phone numbers) as well as the trust land goals. This information will also be available on the CJH web site.

Motion to adjourn by Brynn Clinger and Jennifer Carr seconded the motion.
Next meeting December 7, 2020 at 10:00 a.m. in room B-20/remote.
