Dear Dolphin Families,

This week we had so many learning activities such as making dreamcatchers, a floating canoe, vegetable collage, and watercolor paintings. We talked about Native American Heritage Month and showed the children how it is celebrated within the culture. The children were happy to listen and dance to drumming beats with Native Americans singing songs. We also learned how to do basic and simple dance steps for a Pow Wow. The children discovered how to make traditional fry bread and were amazed to see the bright colorful feathers that are worn as special headdresses. On Tuesday, we celebrated Jensen's 3rd birthday with a song and game. Have a great weekend!

Love,  
Your Teachers

## Topics we talked about this week

We explored the number 9 this week and tied it into our harvest theme.

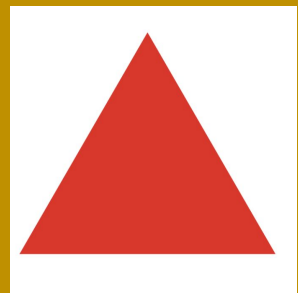

Our zoo phonic friend Gordo Gorilla came to visit and we talked about the letter sound for G and the hand motion for Gordo Gorilla.

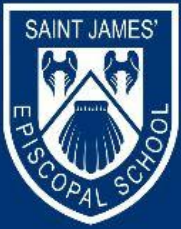

## Books we read

Triangle Poem  
A triangle has 3 sides.  
A triangle has 3 sides.  
Up the mountain,  
down, and back.  
A triangle has 3 sides.
