

Option 1

Face-to-Face Instruction

Amount of in-person contact time will be guided by Montgomery County's designation on the Ohio Public Health Advisory Alert System and determined by District administration.

Option 2

Online Instruction

Students participating in this option will learn through an online curriculum and platform designed and delivered by SchoolsPLP.

Full-Day Instruction

Students will follow a full schedule in the buildings with normal start and end times

Half-Day Instruction

Students will attend school five days a week for half day (assigned either a.m. or p.m.) sessions

Off-Site Instruction

No classes will be held in the buildings. Students will work off site.

SchoolsPLP offers a flexible system with various curriculum options to customize a student's learning experience.

A list of course offerings will be made available. Oakwood Schools staff members will assist families with scheduling.
