

## 2019 COMPLIANCE REPORT

All Saints' College is one of Australia's leading independent Anglican coeducational schools from Pre-Kindergarten to Year 12. The College enjoys a national reputation for excellence across our curricular and cocurricular programs and works alongside families and community to foster in our young people a sense of responsibility rather than a sense of entitlement.

Guided by our motto -To serve with wisdom and courage – our focus is to help nurture young people with a deep awareness of, empathy for, and responsibility towards others. However, this alone is not enough. Our students must then also be empowered to act, to make a difference in their world, striving to achieve our College vision – Making a positive difference in our world.

To achieve this, we believe in creating dynamic learning environments that encourage self-aware students who are committed to the pursuit of personal excellence in all they do. Our dedicated staff, combined with our unique programs, support each student in fulfilling his or her potential.

In addition to this, All Saints' College is renowned for its world-class facilities that sit on 19 hectares of beautifully-landscaped grounds. Some of our specialty areas include our Indoor Aquatics Centre and Indoor Sports Centre, as well as our state-of-the-art Centre for Performing Arts.

We invite you to visit us, soon, to find out more about our very special College and its programs. The College is located just south of the Perth CBD, easily accessible by car, bus and train.

#### All Saints' College student attendance procedures

Students need to attend school on a regular basis to gain the maximum benefit from schooling, thus optimising their life opportunities. It is widely recognised that attendance problems are best managed by early identification and intervention.

Absenteeism is, therefore, viewed very seriously by All Saints' College. We require all enrolled students to attend College each day during term time and College events as stated in the calendar each year.

The College keeps accurate records by rigorously monitoring attendance of all students. Appropriate strategies are implemented to restore attendance if issues become evident. Attendance records are kept for each student enrolled at the College. This includes recording attendance during Tutor group in the morning and recording attendance for every period during the school day (*in Senior School*).

The Student Services Office monitors student absences and produces regular absence reports for Tutors, Head of House/Head of Transition and the Dean of Student Wellbeing. At any time when a student's absences is considered likely to interfere with the student's educational progress a number of steps will be taken by members of the Wellbeing Team to help address the issue/s.
