Thanks to everyone participating for all these wonderful projects! Yay!

Amanda Brady (*Alice in Wonderland*) Amanda is thrilled to participate in the **Fall Festival**. Amanda has been in previous Westridge shows such as **Guys and Dolls** and **Failure: A Love Story**, but this will be her first time directing! She wants to thank her amazing cast and fellow director Devon for just being the best.

Izzy Cai (*peerless, The Wolves*) Izzy is thrilled to be a part of **peerless** and **The Wolves** in this year's **Fall Festival**! She's so thankful for all the hard work the **peerless** Cast And Crew™ (not actually trademarked) has done, and she can't wait to share it with everyone. Not to mention her other identity as #14 in **The Wolves**!! Grab a cookie and enjoy the show!

Atalanta Carrig-Braun (*peerless*) Though theater is much different this year Atalanta is very excited to get to be a Sound Designer for the show **peerless**. She has been the Sound Board Operator for two upper school theater productions and loves being a part of them. This is her first time as a designer, and she is excited to see how this amazing piece in the **Fall Festival** comes together.

Jazz Dow (*peerless, The Wolves*) Jazz is thrilled to have been a part of two productions for this show. Jazz designed and created costumes for **peerless**

and played #7 in **The Wolves**. She was previously on Costume Crew for **Failure: A Love Story** and **Guys and Dolls**. She hopes you enjoy the show!

wrecked Senior Spring, and also the world, bummer! She is hella pumped/resolutely enhopened for **Fall Festival**, and hopes you enjoy. Her style icons are Tom Hanks in the "I Really Like You" video and Miss Havisham.
