

CANISIUS HIGH SCHOOL

JESUIT PREPARATION *for* COLLEGE...FOR LIFE

November 9, 2020

Dear Parents & Guardians,

You may have heard in Governor Cuomo's press conference today that much of Erie County has been identified as a "Yellow Zone" micro cluster. Based on this designation, schools are required to randomly test a percentage of students and staff weekly.

We have reached out to the Erie County Department of Health School Team for further information. They are likewise waiting on further directives from New York State on what this means and how this testing will be carried out.

While we await further information, we will continue to carry out all of the protocols and procedures set out in our Reopening Plan. Teachers have reviewed and will continue to reinforce proper mask wearing, social distancing, and hand washing. We anticipate continuing in-person instruction going forward.

At this time, this is all the information that we have from New York State and the Erie County Department of Health. As more information is shared with us, we will continue to update you.

Mr. Thomas W. Coppola
Canisius High School
Dean of Students
